Pagan Christianity Exploring The Roots Of Our Church Practices:

Pagan Christianity? Frank Viola, George Barna, 2010-09-30 Have you ever wondered why we Christians do what we do for church every Sunday morning Why do we dress up for church Why does the pastor preach a sermon each week Why do we have pews steeples and choirs This ground breaking book now in affordable softcover makes an unsettling proposal most of what Christians do in present day churches is rooted not in the New Testament but in pagan culture and rituals developed long after the death of the apostles Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices In the process the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be As you reconsider Christ s revolutionary plan for his church to be the head of a fully functioning body in which all believers play an active role you ll be challenged to decide whether you can ever do church the same way again

Un Pagan Christianity Brad Chase, 2021-01-12 The book is meant as a follow up to those who have already read the book *Pagan Christianity* by Frank Viola and George Barna It was written to bring to light the biblical roots to Christianity that were omitted in *Pagan Christianity* and to help give another perspective on the Institutional church Although the content shared in this book challenges Frank and George s perspective The Authors of *Pagan Christianity* what unites us our love for Christ is far greater than what divides us I hope you enjoy another look at the Un Pagan Roots of the Institutional Church

Divine Agency and Divine Action, Volume III William J. Abraham, 2018-10-25 Volume III of a tetralogy devoted to Divine Agency and Divine Action articulates a comprehensive vision of systematic theology focused on divine action from creation to eschatology Volume I developed the foundational conceptual work by showing that the concept of action is a radically open concept that readily makes possible the appropriation of divine action for today Volume II explained that in exploring divine action one needs to specify the actual divine actions under review and thus showed that there could be no progress with extensive soundings across the tradition from Paul to Molina Work on divine action requires extended work in doctrinal criticism rooted in the history of theology as a prelude to normative work that communicates a normative vision of divine action for today This vision is best explored by taking up the great themes of systematic theology from creation to eschatology yet treating them in a deflationary manner that sees systematic theology as university level postbaptismal Christian instruction Leading scholar William J Abraham recognises that we live in a golden period of theological studies the range and depth of material is extraordinary yet we also live in a period of disorientation and confusion that calls for a fresh engagement with the demands of systematic theology *Divine Agency and Divine Action* Volume III meets that demand by insisting that systematic theology has its own content and modes of inquiry that it belongs intimately to the journey of faith and that it requires authentic academic clarity and rigor It reclaims the rightful place of systematic theology as the center of gravity for theological studies but does so in a manner that makes it available to both the church and to the academy

Acts 29 Brian Jacobs,2016-03-11 As long as people have heard the name of Jesus and believed his teachings the Holy Spirit has been at work in the hearts and minds of people If you have heard the good news about his life death resurrection and the gift of the Holy Spirit you are part of the continued work of Jesus Christ in the earth This book has been written for those who desire to better understand the role of the Holy Spirit in the life of the Christian The book of Acts contains more than a historical record of the early followers of Jesus it contains the last words and instructions of Jesus to his closest followers before his ascension into heaven As his last words Jesus made a clear emphasis on the power and indwelling of the Holy Spirit upon which generations of his disciples would depend on The central focus of this book is the nature and power of the Holy Spirit within and among his followers In the end the proof of Acts 29 is found in our living In a variety of ways the truth continues to provide an unmistakable bond between each generation of Jesus disciples The message Jesus spoke directly to his disciples in the beginnings of Lukes historical record continues to be boldly lived out by millions of believers today Jesus mandate to believe and be saved and then to be baptized in the Holy Spirit is still relevant for us today The Theology of Dallas Willard Gary Black Jr.,2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith A Philosophy of Pastoral Preaching David A. Christensen,2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place **Franchising McChurch** Thomas White,Jon Mark Yeats,2011-05-01 We live in a fast food nation where the service is efficient the products are peer tested and size is king And this consumer driven approach is seeping into the church Across the country churches are creating entertaining pop culture

savvy services that feel more market driven than ministry On the menu A proven blend of dynamic music high tech dazzle and topical teachings And just like any successful product churches are launching campuses that build on their brand But is the franchised church of today leading to the disenfranchised believers of tomorrow Though thousands flock to these services how many lives are truly being changed Have we traded real truth for relevancy Franchising McChurch takes an honest look at the rise of consumer minded ministries Authors Thomas White and John Yeats tackle a spiritual shift that is raising provocative issues such as The blurry line between entertainment and evangelism A marketing approach to ministry The warped yardstick for measuring church success Feel good messages that avoid tough truths Candid and compelling Franchising McChurch calls us back to the heart of Christ's church and shares the Biblical design for delivering meaningful life changing ministry in a fast food world

Life's Callings Joe C. Brown, 2022-09-29 This book discusses the special call to ministry and describes how our calling is interconnected with the other key areas of life God's callings for our lives include a broad spectrum of areas Our Creator who knits us together in our mother's womb places within our hearts and minds our purpose for our being on earth and out of that context calls us to serve the needs of His Kingdom sometimes in specific ways While not everyone is called to dedicate their careers to ministry everyone is called to engage in the Lord's work on some level and many times to multiple tasks in life This book examines the wide range of those callings and focuses on the special call to ministry This book answers many of the questions students have about the special call to ministry and is written to guide young people as they choose their career fields especially in ministry In working in higher education for over four decades the author has observed many students struggle to determine which major they should take in college and decide whether they are called to the ministry The second part of the book is dedicated to finding God's will for our lives Upon graduation many ministry students seek to know which ministry opportunity they should take However there are other times when our calling comes directly from our Creator God calls us and we know with conviction that He has called us There are other times when our calling flows out of the situation we find ourselves in and sometimes this is not of our own choosing At other times our callings are connected to the choices that we make For example when we choose to get married we take on the calling of serving our spouse In all of life God masterfully uses our circumstances to call us to His work

In Plain Sight Dr. R. Curtis Royal, 2013-02-15 IN PLAIN SIGHT SEARCHING FOR A MORE EXCELLENT WAY addresses the ongoing exodus from western churches Census records remind us there are two to three times more Christians than go to church Interestingly the increase of Christianity in third world countries is remarkable Western churches are suffering a massive dislocation from both society and from Christianity in general What is suggested in this book is exactly the sort of process God enables allows while preparing the next stage of a grand plan in the drama of human redemption We must search for a more excellent way Tolerant Spirit is paramount in hearing the voice of the Spirit along the spiritual journey IN PLAIN SIGHT extends the sacred conversation to all fellow travelers aspiring to discover or regain their spiritual compasses in

being faithful to a true and living God who rules and reigns beyond our many fallible conceptions of divine governance in the world and the interaction of divine initiative and human responsibility The problem of forging a new paradigm in the churches for a new age is a sacred conversation about rethinking divine activity and personal and corporate faithfulness We must become much more intentional about developing a theology of grace which thoroughly encompasses serious crises and problems of all spiritual pilgrims travelers and persons of sincere faith

Truth Versus Man'S Religious Systems Terry W. McHenry, 2018-01-27 The book in overview is historical and instructional in content with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically textually historically culturally and literarily It stresses the importance of moving from a knowledge of the Bible to an understanding of its life giving instructions being studied in its entirety as a gift to mankind from a loving creator Elohim The thrust of the book is accordingly threefold An indictment of two of mans religious systems Judaism and Christianity for syncretism corruption of Elohim's written Word of truth and abuses of religious authority plus promulgation of religious traditions not aligned with the whole truth of Elohim's Word A call to return to the one source of truth the written Word of Elohim understood in its originally written form and in its full and proper context Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life giving instructions how to live a redeemed life as Elohim intended for all mankind

Reformed theology today: Practical-theological, missiological and ethical perspectives J. (Hans) Kommers, Ben J. de Klerk, Ferdi P. Kruger, H.G. (Henk) Stoker, Gert Breed, Ignatius Wilhelm (Naas) Ferreira, P.J. (Flip) Buys, Alfred Brunsdon, Daniël J. Louw, J.M. (Koos) Vorster, J.H. (Jacoba) van Rooy, 2017-11-23 his book is unique and of great importance for theologians from diverse traditions but who all share the relevance of the academic Reformed discourse The book focuses on and forms part of celebrating 500 years since the start of the Reformation during the 16th century Its purpose is to commemorate the quincentenary anniversary of the Reformation in Europe and to indicate the way in which the rich legacy of this important period in the history of the church and society still influences globally the theological landscape in the fields of Practical Theology Missiology and Ethics Specific attention is given to the manner in which the core principles of the Reformation can be utilised for these disciplines and applied in a contemporary context The Reformation changed the ecclesiastical landscape of the day and still provides the benchmark for theological principles and praxis in many Protestant denominations This book illustrates and underscores the practical theological legacy and importance of the Reformation for church and society The collected works by various theologians reflect on the impact of Reformed Theology on their respective fields of expertise The original research is based on literature studies and has not been published previously in any form Its aim is to stimulate discourse in Theology and related disciplines Although the chapters represent different perspectives the collective aim is to propose the vast impact of the Reformational views as they relate to the current context The target audience is Reformed theologians This book focuses on ways in which the legacy of the Reformation addresses

practical and relevant issues for 21st century believers scholars and churches It explores inter alia important homiletical and liturgical aspects of the Reformation and contemplates the importance of continual reformation in this regard Furthermore it discusses a Reformed approach to apologetics evaluates the driving forces behind the Reformation of the 16th century and its relevance to missions today as well as examines the sola Scriptura principle of the Reformation and provides a critical perspective on Prosperity Theology Several pastoral themes take centre stage before various aspects of xenophobia and civil prejudice are being investigated both being very relevant topics throughout the world today The book also focuses on hermeneutics and ethics in a quest for a biblical ethical approach as well as congregational hymns in the Reformed churches of South Africa today The research outcomes are relevant not only for the South African context but also globally

Pentecostalism and Human Rights in Contemporary Zimbabwe Francis Machingura, Lovemore Togarasei, 2018-06-11 This volume offers updated accounts of Pentecostalism in Zimbabwe and explores most of the dominant themes in contemporary Pentecostalism including leadership competition gender youth and prosperity In addition some chapters investigate emerging themes in studies on Pentecostalism such as disability Contributors to this volume situate Zimbabwean Pentecostalism within the larger continuum of global Pentecostalism and reflect on Pentecostal biblical interpretation the interface between Pentecostalism and African Traditional Religions the use of titles in Zimbabwean Pentecostalism and Pentecostalism's engagement with HIV AIDS The book will appeal to scholars in religious studies and theology religious education disability studies social sciences history political science development studies gender cultural studies and anthropology as well as general readers [The Revelation of Jesus Christ](#) Jon Scott Birch, 2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches **The Coming Divine Reset of the Body of Christ** Lloyd Gardner, 2023-06-20 Have we allowed church life to become so complicated and mingled with the world's ways that we are producing something other than what is the desire of God's heart This book makes the case that God always intended that his church remain simple and pure in its devotion to Christ The church is the family of God headed

up by the Father redeemed by the Son empowered by the Holy Spirit and composed of the children of God who love him and one another God is calling us all to this place of simplicity and purity in which we break free of the world's clutches and live in the freedom and joy of his kingdom expressed in his church Listen with your spiritual ears and you will hear the call and be blessed to come back to the church Christ died to build

Evangelical America Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of *Evangelical America* An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work's coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement's influence internationally in key issues such as human rights environmentalism and gender and sexuality

Go Preston M. Sprinkle, 2016 Disciple making is a passion of many as it should be It is after all our great commission But much of contemporary discipleship is informed by instinct and as such it is vulnerable to the whims and trends of the broader culture which can take us further away from our biblical model and mandate Drawing on a 2015 Barna Group study of the state of discipleship in the United States commissioned by The Navigators bestselling author Preston Sprinkle provides a holistic biblical response for discipleship providing accessible tools for all those who are engaged in making Christ followers in the 21st century Sprinkle points pastors church leaders and frankly all Christ followers to a discipleship that is responsive to this most current research and accountable to the model of Jesus and his earliest followers who counted making disciples as their most important work In an extremely practical fashion *Go* helps us to discern from the Scriptures and from exemplary disciple making ministries what discipleship is and is not what it has become and what it can still be

Globalization and Its Effects on Urban Ministry in the 21st Century: Susan S. Baker, 2009-06-01 When we think about globalization with the eyes and heart of a sovereign mission God we must recognize the vast opportunities before us as God is moving His people around the world bringing the gospel with them in new and different ways *Globalization and Its Effects on Urban Ministry in the 21st Century* is an attempt to broaden the views of individuals and institutions alike to what God is doing around the world and how He is accomplishing His purposes through globalization The book is organized around the four overarching themes of globalization reconciliation church planting and leadership development

Turning the Ship Dustin Guidry, 2009-02 *Turning the Ship* is not for the faint of heart Dr Voddie Baucham Elder Grace Family Baptist Church Houston Texas The Church today desperately needs prophets to challenge us on how we do church Dustin Guidry is certainly a prophet His prophetic voice will be fully understood when reading *Turning the Ship* While you may not always

agree with him he will challenge the way we do church and how we raise our children along with living our lives as believers Hold on as you read because you may find you don't have a rudder that is directing your own course as you journey through life Jay McSwain PLACE Ministries Atlanta Georgia It has been a long time since I have been excited about a book that I have read other than the Bible Dustin Guidry has excellent insight into many of the problems facing today's Christian body of believers He also has a simple answer for these problems God's Word I agree with Dustin that our families and our churches must return to the sufficiency of scripture in all aspects of our lives Dr Travis Plumlee Family Ark Ministries Conway Arkansas Dustin Guidry is lead pastor of Ridgewood Church He and his wife Kerri reside in Port Arthur Texas with their three beautiful daughters *How the Church Fails Businesspeople (And What Can Be Done About It)* John C.

Knapp, 2011-12-20 Why do so many Christians struggle to relate their faith to their daily work In this book John C Knapp argues that the church's ambiguous teachings about vocation money and business have long contributed to Christians uncertainty about discipleship in the workplace Drawing on his own expertise in business ethics and numerous interviews with Christians in diverse occupations Knapp offers a new theological framework for Christian life in the world of business

This Bloodless Liberty David M. Zuniga, 2010-05 Government is totally out of control Is there hope for America's future Darkness falls over America As ancient Rome our Republic rots from within Government corruption leads to citizen despair It is our right even our citizen duty to enforce the Constitution but how Secession petitions demonstrations nullification and anarchy are proven failures At this point voting is futile also the rare statesman has no chance against the corrupt supermajority in Congress What can we do This Bloodless Liberty presents an eye opening glimpse at America's predator and parasite class including careers you never imagined are feeding the corruption Debunking 10 lies that government uses to transform its sovereigns into serfs AmericaAgain founder David Zuniga shows how you can leave politics and join history's first neural network for self government We have lawful power to enforce our Constitution if we will only have the wisdom to do so The Internet offers liberty today as the printing press did 575 years ago Two million children no longer attend schools yet are more familiar with civics and history than are most adults Millions have lawfully stopped filing tax returns thus are no longer financing a crime cartel The Tea Party movement has caused millions to see that both political parties are corrupt If the Tea Party movement is today's Paul Revere AmericaAgain is Madison on a motorcycle We The People can seize this historic opportunity to stop today's syndicate of politicians financiers bureaucrats military corporate moguls and the massive parasite sector Indeed there is hope If we exercise courage and repentance our best days may be ahead If we fear God and not man we can be AmericaAgain [www MyAmericaAgain.org](http://www.MyAmericaAgain.org)
