Pagan and Witch Elders of the World Tamara Von Forslund, 2020-10-07. The Pagan or Witch Elder is a leader who has led by example and teaches their wisdom to those that will listen; they have cleared the path for those to follow. We must remember and know who these Spiritual and Magical Warriors were and are, some who are still fighting in the world for our acceptance and understanding. This book is filled with hundreds of Elders, some known and some not well known, who stood tall and fought the establishment with compassion and strength, endurance and wisdom, courage and determination to share an ancient knowledge that has been awakened by them in the 21st century. I write this book so that our Pagan community remembers and knows who these brave Spiritual Earth Warriors were and are, and what they have given, sacrificed, and shared for the future of our world. This book is to honour all our Elders so they are never forgotten and always honoured.
