Pages Survival Guide: Step-by-Step User Guide for Apple Pages: Getting Started, Managing Documents, Formatting Text, and Sharing Documents Toly K, 2012-09 Pages is Apple's word processing software. This software has many more functions than meet the eye such as creating tables and sharing documents using iWork.com. There is no fancy jargon and every instruction is explained in great detail. Screenshots are included in each chapter to explain all topics in the greatest detail possible. The useful up to date information provided here including tips and tricks and hidden features are not discussed in the official Pages manual. Whether you are a novice to Pages or have used it since its introduction this guide will endow you with priceless information and add to your writing experience. This Pages guide includes: Installing Pages, Formatting Text, Working with Tables, Charts and Shapes, Reviewing Documents, Inserting a Table of Contents, Turning the Text Speaker On or Off, Tracking Changes, Sharing Documents, Sending a Document Using the Mail Application, Making Documents Accessible to Anyone via iWork.com, Adjusting the Settings, Customizing the Toolbar, Enabling Full Screen Mode, Tips and Tricks, Protecting a Document Using a Password, Using a Table as a Spreadsheet, Viewing Multiple Inspector Windows, Inserting Special Characters, Connecting a Printer to a Mac, Adding an Account to the Mail Application. *The Complete Beginners Guide to Pages for the iPhone and iPad* Scott La Counte, 2015-11-24 Word processing used to be synonymous with Microsoft Word times have changed a lot over the years and today there are plenty of options. On Apple products there is notably Pages a simple yet powerful word processing software that creates beautiful documents from reports and newsletters to posters and fliers. If you are already familiar with Microsoft Word then you'll have no problem getting started because it shares many of the same features. But there's still a lot of features to get to know if you want to get the most from the software. If you want to create professional documents from your iPad then this book will show you how. It also includes short exercises so you aren't just learning about the features you are getting hands on with them. While screenshots come from the iPad Pages works almost exactly the same for iPhone so you'll have no problem using Pages on any device that Pages is installed on. *My Pages (for Mac)* Gary Rosenzweig, 2012-09-17 Step by step instructions with callouts to Pages images that show you exactly what to do. Help when you run into Pages problems or limitations. Tips and Notes to help you get the most from Pages on your Mac. Full color step by step tasks walk you through creating and editing word processing and page layout documents in Pages. The tasks include how to Use writing tools to create word processing documents. Use fonts, text styles and paragraph formatting. Build documents with text, images and design elements. Create lists, tables and outlines. Add charts and graphs to your documents.
