

A photograph of a sunset over a body of water. The sun is a bright yellow-orange orb positioned slightly to the left of the center, just above the horizon. Its light reflects as a shimmering path of gold and orange on the dark, rippling water. The sky is a gradient of warm colors, from a pale yellow near the sun to a deeper orange and then a dark, muted blue at the top. The water in the foreground is dark with small, textured ripples.
