

1

WHY IS IT IMPORTANT?

Why should they pay attention to what you're saying? "After this presentation, you will understand _____."

2.

PERSONAL EXPERIENCE

Bringing some real life stories can make your presentation more interesting and memorable.

3.

HUMOR

Laughter reduces stress and can make listeners feel more relaxed and open to learning. Share a good laugh with your audience, they'll appreciate it!

4.

VISUAL AIDS

Use videos, images, graphs, charts, and incorporate physical objects to help listeners "see" and "feel" what you mean.

5.

PAUSE

Don't keep talking non-stop. Make sure to give time for your listeners to think and participate by asking any questions.

6.

KEEP IT SIMPLE!

Don't try to do too much in a little time. Keep your language, visual aids, stories and your jokes simple and easy to understand.

Nail That Presentation Confident Effective Engaging Public Speaking:

Nail That Presentation! Chris Green, 2012-12-06 Imagine never worrying about what you are going to say or write in a presentation ever again Imagine never worrying about how you will come across when you deliver a speech Imagine never seeing bored faces in your audience when you speak Imagine giving a presentation where you ooze confidence where your audience are hooked on your every word and where they are looking like they are enjoying the whole experience Imagine you actually enjoying the whole experience too Imagine the applause your audience coming up to congratulate you and you rising in their esteem as a leader You can achieve all this and more This short book will give you countless simple tips that will enhance your presentation skills By doing so you will become a more competent speaker a more confident speaker and a more engaging speaker Chris Green has gathered all his learning from over two decades of public speaking and filtered it into this self help book His tips and insights help you to become a confident natural engaging speaker What is more you will suddenly realise that you have the skills and the ability to be better than the majority of the presenters out there Why Because most of them have never bothered to educate themselves in the art of speaking in public they fail to prepare and practise and they do not think about their audience If you want to engage with your audience you need to understand them and speak to them If you want to deliver a faultless natural confident presentation then you need to practise and prepare Great speakers do not rely on their talents If they did why did Steve Jobs spend two days practising before his presentations Why did Winston Churchill practise his speeches in the bath We would not expect a marathon runner who turns up for a race without preparing him or herself to actually win But unfortunately that is what a lot of presenters do They are not confident with their script they are not confident with their equipment they don't even know how long their presentation really lasts To be a confident competent engaging presenter not only do you need to have engaging delivery skills You also need the skills to write a presentation that grabs their attention works on their senses and inspires their emotions Above all it must be easy to follow and easy to understand your message Many people tend to talk about giving a presentation and writing a presentation without realising that they are two sides of the same coin All messages need a messenger and all messengers need a message By understanding that and working on both sides of the coin you will climb the Presenters Pyramid with an ease that will surprise both your colleagues and yourself *The Authority Guide to Presenting and Public Speaking* Steve

Bustin, 2016-10-17 Whether it's your first presentation or you're an experienced speaker this Authority Guide will give you the tools tips and confidence to deliver engaging creative and effective presentations As an experienced speaker and presenter himself Steve Bustin will teach you some simple techniques to make sure your audience is engaged and you will be inspired to make the speech again *PUBLIC SPEAKING* Mihir, 2021-03-19 What is public speaking You should learn the art of public speaking To persuade To inform To impress influence 2 What are the personal benefits of public speaking Boosts confidence Builds critical thinking Develops personal satisfaction 3 What are the professional benefits of public speaking
