Nailed The Improbable Rise And Spectacular Fall Of Lenny Dykstra:

Nailed! Christopher Frankie, 2025-05-01 *Nailed* is a dramatic biography of Lenny Dykstra the heroic center fielder for the New York Mets and Philadelphia Phillies in the 80s and 90s whose gritty play earned him the nickname Nails Dykstra s unlikely post baseball rise in the business world is a success story that is only matched by the sordid tale of his ultimate downfall From famously receiving financial guru Jim Cramer s ringing endorsement as one of the best stock prognosticators to hanging out with Charlie Sheen and numerous prostitutes to holding court in his 15 million California home Dykstra lived a highflying lifestyle He was the toast of the business world before his litany of crimes were detected and his empire began to unravel in 2009 leading to a conviction and prison sentence in 2012 with more charges pending Through compelling storytelling supported by extensive research and documentation including interviews with many of Dykstra s friends family and business associates *Nailed* Peels back the layers to reveal that the criminal charges of grand theft auto identity theft vandalism lewd behavior sexual assault are just the tip of the iceberg This is an engaging read of a sports and business hero gone bad

Nailed Chris Frankie, 2010-09-01 **Macho Row** William C. Kashatus, 2019-04-01 Colorful shaggy and unkempt misfits and outlaws the 1993 Phillies played hard and partied hard Led by Darren Daulton John Kruk Lenny Dykstra and Mitch Williams it was a team the fans loved and continue to love today Focusing on six key members of the team *Macho Row* follows the remarkable season with an up close look at the players lives the team s triumphs and failures and what made this group so unique and so successful With a throwback mentality the team adhered to baseball s Code Designed to preserve the moral fabric of the game the Code s unwritten rules formed the bedrock of this diehard team whose players paid homage and respect to the game at all times Trusting one another and avoiding any notions of superstardom they consistently rubbed the opposition the wrong way and didn t care William C Kashatus pulls back the covers on this old school band of brothers depicting the highs and lows and their brash style while also digging into the suspected steroid use of players on the team *Macho Row* is a story of winning and losing success and failure and the emotional highs and lows that accompany them

Kings of Queens Erik Sherman, 2020-09-01 In 1986 the bad guys of baseball won the World Series Now Erik Sherman the New York Times bestselling coauthor of *Mookie* profiles key players from that infamous Mets team revealing never before exposed details about their lives after that championship year as well as a look back at the magical season itself Darryl Strawberry Doc Gooden Keith Hernandez Lenny Dykstra Mookie Wilson Howard Johnson Doug Sisk Rafael Santana Bobby Ojeda Wally Backman Kevin Mitchell Ed Hearn Danny Heep and the late Gary Carter were all known for their heroics on the field For some of them known as the Scum Bunch their debauchery off the field was even more awe inspiring But when that golden season ended so did their aura of invincibility Some faced battles with addiction some were traded and others struggled just to keep their lives together Through interviews with these legendary players Erik Sherman offers fans a new perspective on a team that will forever be remembered in sports history INCLUDES PHOTOS **The Options Edge**

Michael C. Khouw, Mark W. Guthner, 2016-03-01 Capture the fortune you're losing with every trade by learning to exploit options The Options Edge Free Trial shows you how to capture the fortune you lose out on every day Buying and selling traditional investments often entails instruments with optionality Sometimes this optionality is explicit while other times it is hidden If you're not leveraging these embedded options to their fullest advantage you're losing money Most retail investors don't truly understand the nuances involved in successful options trading and instead rely on more comfortable instruments with fewer complex mechanics If you're interested in optimizing your portfolio it's time to step out of your comfort zone and learn what you've been missing This book gives you the background you need to take full advantage of options in this booming market The companion website features easy to use analytical tools that help investors find the best opportunities so you can start applying these methods right away Whether or not you ultimately decide to start actively trading options the concepts discussed will make you a better all around trader with greater security in your financial affairs Most investors buy and sell options every day without ever knowing it This book relates stories of those who have leveraged options to make fortunes and those who have lost by not understanding the optionality of their financial endeavors You must know the fundamentals of options and then learn to recognize hidden options in order to improve success in all of your investment activities After taking these steps you can go on to Create hidden options at little or no cost Structure your finances to reduce risk and increase wealth Utilize a practical pricing model for smarter investing The listed options are currently the only growing exchange traded financial product in the developed markets with a current average volume of 20 million contracts equivalent to 2 billion shares per day Now is the perfect opportunity to fortify your finances and The Options Edge Free Trial gives you the understanding and practical tools you need to optimize your portfolio today **New York Magazine** , 1988-10-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
