Naked With Clothes On Finding Faith Stronger Than Fear:

Naked with Clothes On D. Pippin, 2015-07-08 A son so fearful of his father that he cringes at the very mention of his father's name When asked a question he freezes and becomes mute His father curses and says Poot there cain t be a god cause if there was he d a gave ya some brains He tries to answer but his tongue feels glued to the roof of his mouth His father came home drunk one night grabbed his shotgun cocked it aimed it at the uncle who lived with them and threatened I m gonna shoot ya dead The son scrambled under his bed and said I had heard the preacher say When you re in danger pray I wish the preacher was here to do that for us now The son wanted a pet so he caught the smallest goat in the pen and carried him to his second story bedroom When he asked his brother Dick if he should call him Buck Dick replied I think you better call him dead cause that s what you n him s gonna be when Dad finds this room all tore up The shy sharecropper s son experiencing little closeness communication and religious emphasis in his childhood feels lost within himself Not knowing how to cope his crippling fear and claustrophobia cause him to withdraw into himself and makes the verbal separation wider between them Paralyzing fear of his father does not make him harbor hatred contempt or even disrespect for his father only abject fear Unknown to this sharecropper s son however God is in the background guiding and protecting him through the fearful uncertainties Memoir fans will find the adventures of this farm boy entertaining and insightful when he s with his younger brother reading Big Little Books pole vaulting the creeks waiting for haircuts and watching the cotton being sucked up out of the wagon One night he sees an advertisement on the back of a Christian magazine And then a small gold crown in the ad catches his attention The title s metaphor Naked With Clothes On suggests the vulnerability of the author and yet the power to be independent when following his own convictions as seen in the story of the wounded sparrow The survival memoir with the subtitle Finding Faith Stronger Than Fear is an easy read Full of pathos humor and entertaining stories to delight anyone the book will make you cry laugh and inspire you as you follow the son s attempt to change his paralyzing fear to liberating faith , *Bringing God Up to Date* John Hunt, 2021-10-29 Religion is an essential part of our humanity We all follow some form of religion in the original meaning of the word But organized religion establishes definitions boundaries and hierarchies which the founders would be amazed by This is perhaps more true of Christianity than most other religions due to the short life of Jesus his sudden death the lack of any contemporary records His teaching about the kingdom of God is great it could see us through our time on earth But his followers watered it down and soon lost it altogether It became a kingdom in heaven for the few rather than one here and now for everyone The Church or Churches that resulted became increasingly irrelevant even a hindrance to seeing it realized Many will always find security and truth in the traditions that developed and good for them But for those who can t for those who have given up on religion or never thought it worth considering the original teachings are worth another look If we could recover them and live by them we could change ourselves and the world for the better We could bring God up to date **The Life of the Rev.
