## **Narrative Means To Therapeutic Ends:**

*Narrative Means To Therapeutic Ends* Michael White, David Epston, 1990-05 Starting from the assumption that people experience emotional problems when the stories of their lives as they or others have invented them do not represent the truth this volume outlines an approach to psychotherapy which encourages patients to take power over their problems

*Narrative Means to Therapeutic Ends* Michael White (psicoterapia), 1990      *Narrative Means to Therapeutic Ends* David Epston, Michael White, 2023-11-28 Use of letter writing in family therapy      **Poststructural and Narrative Thinking in**

**Family Therapy** Victoria Dickerson, 2016-04-25 This brief applies variations in poststructural thinking and practice to the field of family therapy Poststructural thinking pervades the world of therapeutic practice in ways that are often invisible to both the theoretician as well as the practitioner In this brief the authors focus on what poststructuralism has brought to our understanding What follows are chapters that speak to training and teaching principles as well as to practices that draw on ideas about becoming relationality and the aesthetics of engagement Each chapter builds on the other with the last one reprising a key component of narrative understanding From a teaching institution in Auckland NZ to an online training program in Minneapolis from new thinking about auto ethnography to a de centered practice to poetic resistance the chapters in this brief offer exciting ideas and practice possibilities      **Integrative Approaches to Supervision** Michael

Carroll, Margaret Tholstrup, 2001 The contributors to this informative book consider the nature of a supervision and examine the ways in which it can be further defined and developed Drawing together practical and theoretical perspectives

*Integrative Approaches to Supervision* examines the contribution that supervision can make within both organisational and individual settings      *Various Aspects of Worship in Deuterocanonical and Cognate Literature* Géza G. Xeravits, József Zsengellér, Ibolya Balla, 2017-06-26 The volume contains papers read at the International Conference of the ISDCL held in Budapest in 2015 The contributors explore various aspects of worship as reflected in the literature of Judaism from the Second Temple period to Late Antiquity The volume provides a fresh reading of various crucial issues especially within Old Testament Apocrypha and Pseudepigrapha Rabbinic literature Gnostic traditions and the emerging synagogue The papers analyse texts and artefacts that reveal how various groups of Judaism understood the concept of worship a pre eminent form of expressing religious identity and interpreting fundamental traditions      **The Experience of Meaning in Life** Joshua A.

Hicks, Clay Routledge, 2013-05-27 This edited volume takes an in depth exploration into the burgeoning field of meaning in life in the psychological sciences Each chapter features leading scholars who describes current empirical findings in a thorough and accessible manner highlighting important issues and controversies facing the scientific study of meaning in life The book covers an exhaustive range of topics including conceptual and methodological issues core psychological mechanisms that contribute to a sense of meaning as well as important antecedents environmental cognitive and personality variables that bear on the experience of meaning in life This volume is a must read for any researcher student or clinician

professional effectiveness when working in fields where stress and trauma play a key factor in their everyday working lives. Adopting a comprehensive multi layered approach to self care based the book grounds its exploration of practice through researched accounts with experience professionals. Including accounts from clinical psychologists therapists counsellors social workers and the friends and family of people in these professions this book creates a narrative on stress and trauma from the human service worker perspective. Interwoven with these stories of practice the author includes reflections on her own experiences in practice over the past 25 years with trauma survivors. With discussions on risk and resilience compassion fatigue and vicarious traumatisation readers are introduced to the theories and practical applications of developing a professional model for maintaining wellbeing and self care in their work. Self help for Trauma Therapists A Practitioner s Guide is the first book of its kind to be written solely for human service workers. It is essential reading for beginning and more advanced practitioners who are involved in working with trauma and recovery and will also be of interest to supporters of those working in the helping professions.

**Introducing Criticism in the 21st Century** Julian Wolfreys, 2015-03-08

This new and revised edition provides 14 chapters introducing new modes of hybrid criticism which have emerged in the twenty first century. *The Handbook of Narrative and Psychotherapy* Lynne E. Angus, John McLeod, 2004. As no other volume brings together original contributions in narrative and psychotherapy from practitioners researchers theoreticians from around the world the Handbook of Narrative and Psychotherapy should be purchased by libraries that support the education practice and research of professionals in the helping sciences. E STREAMS This volume is an extremely valuable resource. It tells the fascinating story of the centrality of storying in human lives and their counsel including the history of the narrative turn in psychology and the newest developments in theory and research. I recommend it most highly. Michael J Mahoney author of Human Change Processes and Constructive Psychotherapy. The growing interest in constructivist approaches nontraditional approaches towards research and specifically narrative as an organizing concept makes it an extremely timely book. The contributors look like a who s who in the area a well planned book with the right organization and the right people. Jeremy Safran The New School for Social Research New York City. Overall clinicians will find this book valuable because they will be introduced to different approaches to using narrative ideas in therapy with sufficient detail and case history material to make the ideas come alive. Theoreticians will get sophisticated discussions of the nature of narrative as it relates to the nature of the person personality development and personality change. And finally researchers will get state of the field knowledge of narrative research on therapy and narrative methods for doing research. Overall this is an important and exciting book on a hot topic filled with new ideas sophisticated research and case examples. If you wanted to know about this important development in the field of psychology in general and psychotherapy in particular this is the place to come. Art Bohart Saybrook Graduate School. With an excellent cast of characters both new and old Angus and McLeod s ambitious anthology of current thought on narrative and therapy bridges the generations of scholars and therapists within this tradition.

A Resilience-Enhancing Stress Model Roberta Greene,Nicole Dubus,Nancy Greene,2022-08-23 Social work practice has evolved to meet the needs of the time the problems that are present and the knowledge and skills available Given the more recent rapidly changing stressful environments political economic demographic sociocultural and ideological change has affected how practice is defined Now it is even more essential for there to be innovative theoretical concepts and

intervention strategies to support current practice This textbook addresses today's context of social work practice that needs to deal with the complexity of personal and social relationships the continuing historical flux of the times and the constant anxiety or threats and pulls of daily life The text is based on the idea that social work practice requires a research and theoretical base that allows practitioners to build on a client's ability to persist in the face of life's challenges and to proceed positively with life events The Resilience Enhancing Stress Model RESM is an outgrowth of the profession's interest in strength-based person-environment approaches grounded in generalist social work practice that offers a range of intervention practice methods with diverse individuals families groups organizations and communities RESM was developed to provide the skill set for working with clients and constituencies across the individual family community configuration during times of distress It also can be a welcomed addition to social work practice with people undertaking life transitions and overcoming disruption to individual family and community function Topics explored include An Evolving Resilience Enhancing Stress Model Interviewing to Promote Resilience Among Marginalized Populations Co-creating a Grand Narrative The Intersection of Individual Family and Community Practice Connecting Communal Living Ecology and Resilience A Resilience Enhancing Stress Model A Social Work Multisystemic Practice Approach is a timely text for human behavior and practice methods at the generalist or advanced generalist levels in social work It can also be used at the doctoral level of social work education depending on the professor's attention to the depth of theoretical concepts Practitioners in the field may find the contents useful to their professional enrichment

#### **Essays on Mediation** Ian Macduff, 2016-09-16

Across a range of jurisdictions in differing legal systems mediation is achieving evergreater institutional and statutory force and what not long ago was a marginal technique for dispute resolution is becoming mainstream and orthodox But how firm a sense do we have about the social formation we call mediation Through reflections and case histories this distinctive collection of essays by experienced mediators from across the globe provides a clearer understanding than we have had heretofore of what mediation is and what it can offer as a practical accessible and positive alternative in civil justice systems The authors each address ways mediation has been or can be applied to dispute resolution in such pressing contexts as the following enduring and intense conflicts planning and environmental issues conflicts arising between refugee and host communities elder care intercultural settings online communication science-based disputes and public policy disputes The questions raised as to access to justice identifying unmet needs improving the provision of services and fostering an ongoing conversation on mediation go well beyond the confines of commercial dispute resolution and the walls of courtrooms Through the practical experiences described useful and insightful perspectives emerge on the practice principles and legitimacy of mediation These invaluable reports and reflections on the powerful resources that mediation and mediators can bring to the table will be welcomed by a diversity of legal practitioners and jurists as well as academics

*Family Therapy Beyond Postmodernism* Carmel Flaskas, 2003-09-02 Postmodernist ideas are widely used in family therapy However it is argued that

these ideas have their limits in meeting the richness and complexity of human experience and therapy practice Family Therapy Beyond Postmodernism examines postmodernism and its expressions in family therapy raising questions about reality and realness the subjective process of truth the experience of self Alongside identifying the difficulties in any sole reliance on narrative and constructionist ideas this book advocates the value of selected psychoanalytic ideas for family therapy practice in particular attachment and the unconscious transference projective identification and understandings of time psychoanalytic ideas about thinking and containment in the therapeutic relationship Family Therapy Beyond Postmodernism offers a sustained critical discussion of the possibilities and limits of contemporary family therapy knowledge and develops a place for psychoanalytic ideas in systemic thinking and practice It will be of great interest to family therapists psychotherapists and other mental health professionals
