Mangaddicts: French Teenagers and Manga Reading Christine Détrez, Olivier Vanhée, 2023-05-25 Just pronounce the word manga and conflicted representations of media reception emerge either passive teenagers immersed in Japanese fictional worlds or hyperactive fans To understand what drives a variety of teenagers to read manga we conducted empirical research among French readers enrolled in secondary schools Manga is part of a whole constellation of interests including music and digital technology It is also the object of analytical ethical or concrete appropriations Reading then becomes a way to deal with past experiences and to connect with others to learn how to express emotions and to assert or contest age and gender norms

Manga's Cultural Crossroads Jaqueline Berndt, Bettina Kümmerling-Meibauer, 2014-03-14 Focusing on the art and literary form of manga this volume examines the intercultural exchanges that have shaped manga during the twentieth century and how manga's culturalization is related to its globalization Through contributions from leading scholars in the fields of comics and Japanese culture it describes manga culture in two ways as a fundamentally hybrid culture comprised of both subcultures and transcultures and as an aesthetic culture which has eluded modernist notions of art originality and authorship The latter is demonstrated in a special focus on the best selling manga franchise NARUTO

The End of Japanese Cinema Alexander Zahlten, 2017-09-29 In *The End of Japanese Cinema* Alexander Zahlten moves film theory beyond the confines of film itself attending to the emergence of new kinds of aesthetics politics temporalities and understandings of film and media He traces the evolution of a new media ecology through deep historical analyses of the Japanese film industry from the 1960s to the 2000s Zahlten focuses on three popular industrial genres Pink Film independently distributed softcore pornographic films Kadokawa big budget productions as part of a transmedia strategy and V Cinema direct to video films He examines the conditions of these films production to demonstrate how the media industry itself becomes part of the politics of the media text and to highlight the complex negotiation between media and politics culture and identity in Japan Zahlten points to a different history of film one in which a once powerful film industry transformed into becoming only one component within a complex media mix ecology In so doing Zahlten opens new paths for uncovering similar broad processes in other large media societies A Study of the Weatherhead East Asian Institute Columbia University

The Literacy Principal, 2nd Edition David Booth, Jennifer Rowsell, 2007 As the education community struggles with literacy achievement skillful leadership has emerged as a distinguishing feature of successful schools Since *The Literacy Principal* was first published it has helped shape the discussion around accountability and successful practices that support both teachers and students This revised and expanded second edition challenges principals to become even more involved in championing literacy in their schools It

examines the role of school leaders at both the elementary and secondary levels Commentaries from teachers principals and consultants who have been involved in developing strong school wide and district wide literacy programs are included to demonstrate the strides that many schools have made in the last few years The increasingly important role of school literacy coaches and mentoring teams are presented as models of the power of cooperative approaches to successful literacy programs David Booth and Jennifer Rowsell offer an overview of the most successful strategies for creating a support network that will nurture and build a powerful reading environment They help administrators introduce and support cooperative approaches to literacy that involve coaches and mentoring teams understand exemplary reading and writing programs and school wide strategies for promoting literacy growth among students demonstrate a commitment to literacy among teachers parents students and the community appreciate the many forms of assessment and evaluation including intervention programs for improving student performance Rooted in the latest research and real world experience this new edition provides tried and true frameworks that principals can use in their quest to create schools where literacy thrives

Manga in America Casey Brienza, 2016-01-28 Japanese manga comic books have attracted a devoted global following In the popular press manga is said to have invaded and conquered the United States and its success is held up as a quintessential example of the globalization of popular culture challenging American hegemony in the twenty first century In *Manga in America* the first ever book length study of the history structure and practices of the American manga publishing industry Casey Brienza explodes this assumption Drawing on extensive field research and interviews with industry insiders about licensing deals processes of translation adaptation and marketing new digital publishing and distribution models and more Brienza shows that the transnational production of culture is an active labor intensive and oft contested process of domestication Ultimately *Manga in America* argues that the domestication of manga reinforces the very same imbalances of national power that might otherwise seem to have been transformed by it and that the success of Japanese manga in the United States actually serves to make manga everywhere more American
