

A close-up photograph of laboratory glassware. In the foreground, a beaker is partially filled with a vibrant blue liquid. To its left, another beaker is visible, also containing the same blue liquid. Above the beakers, a glass dropper is positioned, with a single drop of the blue liquid hanging from its tip, about to fall into the beaker. The background is dark and out of focus, showing more laboratory equipment. The overall lighting is soft, highlighting the clarity of the glass and the intensity of the blue color.
