Paul Laxton,2016-05-25 This book is not a scholarly work of history nor is it truly a memoir or an autobiography as I am under no illusions that my life merits that kind of treatment My standpoint is that of the participant observer and the backdrop is provided by the proud communities of Blackburn and Darwen where my family lived where I was educated and where I worked before moving on to make my own way in life I am sure that the experiences I describe will resonate with readers in many other once prosperous industrial areas The key theme of this book is what is what like to grow up in working class communities during what I have called the Age of Affluence the thirty years that followed World War Two in which the working people of the United Kingdom for the only time in our industrial history experienced unbroken full employment and saw their lives transformed as a consequence **Growing up in the Rockies** Janice N. Richards,2011-07-05 My heart drifts

back to the Rocky Mountains as I sit and look out the window I see the snow that once brought such joy to my heart I remember the days when I would have been known as a snow bunny I think of my poor mother and how difficult it was for her to keep me indoors for I was a mountain girl I climbed the mountains I chased the animals I found all of Gods creatures beautiful I was my fathers child He roamed the wilderness and I learned from him I loved to live life and I was very very happy It makes me very sad when I think of children who have not experienced such happiness for I was one of the lucky ones That is why I wish to share my life with you I hope that in this day and age of single parents that maybe someone who reads this can get hope from the true meaning of family I had a family that surrounded me with love and I never understood the meaning of poverty even though we were very poor I always felt like our life was normal and that was how the whole

world was It would not be till my adult years that I would find this not to be true and to experience the pain of a life that I had never known It is hard for me to know where to begin as I remember back on the life that I loved and miss so much However I wish to share the memories that made me who I am today
