Owning Your Own Shadow Understanding The Dark Side Of The Psyche:

Owning Your Own Shadow Robert A. Johnson, 1993-03-05 A bestselling author shows how we can reclaim and make peace with the shadow side of our personality

Owning Your Own Shadow Robert A. Johnson, 2013-02-26 One of the original primers on shadow work A spiritual guide to fully understanding your psyche and unconscious mind to achieve transformative self acceptance In this mind and life altering volume Jungian expert and renowned author Robert A Johnson describes how we all have shadows the unlit undesirable part of our ego that is hidden deep within us that merely and often painfully turns up in unexpected places As we leave these shadows dormant we veer further away from our true selves But when we begin to explore and embrace these shadows we begin to find balance and finally heal the parts of ourselves we thought were broken Johnson illuminates that by accepting and honoring the shadow within us we can Live beyond judgement and shame through healthy emotional regulation Strengthen our relationships and develop healthier behavioral and communication patterns Stop comparing ourselves to others and learn to live with authentic gratitude for what we have and who we are Move beyond self sabotaging to radically improve our self esteem and self worth Both radical and piercing yet compassionate and gentle Owning Your Shadow allows us to clasp the painful parts of ourselves our anger jealousy addictions fears and use them to discover our most authentic selves A must read for anyone who struggles with a lack of self confidence trouble setting boundaries anxiety in relationships doomscrolling or simply finding the happiness they know they deserve Indeed the light at the end of the tunnel begins when we choose to venture into the darkness first

Wounded Masculinity and the Search for (Father) Self in American Film Susan Mackey-Kallis, Brian Johnston, 2023-12-12 Drawing on texts and theorists of Greek myth psychoanalysis and masculinities Susan Mackey Kallis and Brian Johnston develop and offer a model of rhetorical and mythic criticism to analyze popular American film In this book Mackey Kallis and Johnston focus their analysis on films that point to the need for father atonement ego decentering and the resurrection of the lost feminine to heal our collective gendered cultural wounds Many of these mystic films they contend affirm the role of meaningful suffering compassion integration of the feminine self sacrifice and transcendence as antidotes to the inevitable woundedness of the human condition Ultimately the authors argue for the importance of digging into the substance of

cultural wounds rather than superficially suturing them over to change the conversation about woundedness and provide a roadmap for healing gendered relations in contemporary American culture The book concludes with a discussion of Joseph Campbell's interpretation of the metaphorical power of myth and its transcendent function to argue for a theory of us rather than a theory of us versus them Scholars of film gender studies American studies cultural studies gender studies and psychology will find this book of particular interest
