British Nautical Melodramas, 1820-1850 Arnold Schmidt, 2022-07-30 During the 1820s and 30s nautical melodramas reigned supreme on London stages entertaining the mariners and maritime workers who comprised a large part of the audience for small theatres These plays mixed sentimental moments and comic interludes of domestic melodrama with patriotic images that communicated and reinforced imperial themes However generally the study of British theatre history moves from medieval and renaissance plays directly to the realism and naturalism of late Victorian and modern drama Readers typically encounter a gap between Restoration and eighteenth century plays like those of Oliver Goldsmith and Richard Brinsley Sheridan and late nineteenth plays by Henrik Ibsen and Oscar Wilde Nineteenth century drama with the possible exception of plays by Byron Shelley and Wordsworth remains all but invisible Until recently

melodramatic plays written and performed during this gap received little scholarly attention but their value as reflections of Britain's promulgation of imperial ideology and its role in constructing and maintaining class gender and racial identities have given discussions of melodrama force and momentum The plays included in these three volumes have never appeared in a critical anthology and most have not been republished since their original nineteenth century editions Each play is transcribed from original documents and includes an author biography a headnote about the play itself full annotations with brief definitions of unfamiliar vocabulary and explanatory notes Comprehensive editorial apparatus details the nineteenth century imperial naval political and social history relevant to the plays nautical themes as well as discussing nineteenth century theatre history melodrama generally and the nautical melodrama in particular Contemporary theatre practices acting audiences staging lighting special effects are also examined An extensive bibliography of primary and secondary texts a complete index and contemporary images of the actors theatres stage sets playbills costumes and locales have been compiled to aid study further

A Jewish Voice from Ottoman Salonica Aron Rodrigue, Sarah Abrevaya Stein, 2012-01-11 This book presents for the first time the complete text of the earliest known Ladino language memoir transliterated from the original script translated into English and introduced and explicated by the editors The memoirist Sa'adi Besalel a Levi 1820-1903 wrote about Ottoman Jews' daily life at a time when the finely wrought fabric of Ottoman society was just beginning to unravel His vivid portrayal of life in Salonica a major port in the Ottoman Levant with a majority Jewish population thus provides a unique window into a way of life before it disappeared as a result of profound political and social changes and the World Wars Sa'adi was a prominent journalist and publisher one of the most significant creators of modern Sephardic print culture He was also a rebel who accused the Jewish leadership of Salonica of being corrupt abusive and fanatical that leadership in turn excommunicated him from the Jewish community The experience of excommunication pervades Sa'adi's memoir which documents a world that its author was himself actively involved in changing

Performing Place in French and Italian Queer Documentary Film Oliver Brett, 2018-10-11 This book explores the space of queer documentary through the modernist optic of Marcel Proust's *lieu factice* artificial place a

perspective that problematizes the location of place in a post postmodern world with a dispersed sense of the real The practice of queer documentary in France and Italy from the beginning of the new millennium onwards is seen to re write the coherence of place through a range of emerging queer realities Proposing the post queer as a way of contending with the spatial dynamics of these contexts analysis of key texts positions place as mourned conceded and intersectional The performance of place as agency is considered through the notional film the radical archive of documentary the enactment of politics queer indeterminacy and a phenomenology of the object the frame and queer mobility The central themes of family gender dis location in visibility and re presentation question blind investment in the integrity of being emplaced

Brown,2024-11-30 Saint Antoninus of Florence was a Dominican friar and archbishop of Florence from 1446 to 1459 He composed one of the most comprehensive manuals of moral theology the Summa which has long been counted among the more copious influential and rewarding medieval sources St Antoninus of Florence on Trade Merchants and Workers gives an orientation to the life and teaching of Saint Antoninus focusing on his writings on economic ethics and includes a critical edition of his original Latin text with an English translation The book provides an extensive introduction to his thought situating it in its intellectual and social context and elucidates the development of medieval economic and moral doctrines in law and theology Jason Aaron Brown examines historians arguments about Italian business culture in the wake of the medieval Commercial Revolution and whether this culture can be considered capitalistic He concludes that while Saint Antoninus is surprisingly modern in the economic concepts he deploys his moral teaching on proper means and ends in the marketplace stood against certain nascent capitalistic tendencies in fifteenth century Florence Through examination of the manuscripts this book opens a window into a premodern author s writing process that will be of interest to scholars of medieval manuscripts and literary production

Red Sauce Ian MacAllen,2022-04-04 Tells the story of Italian food arriving in the United States and how your favorite red sauce recipes evolved into American staples In Red Sauce Ian MacAllentraces the evolution of traditional Italian American cuisine often referred to as red sauce Italian from its origins in Italy to its transformation in America into a new distinct cuisine It is a fascinating social and culinary history exploring the integration of red sauce food into mainstream America alongside the blending of Italian immigrant otherness into a national American identity The story follows the small parlor restaurants immigrants launched from their homes to large popular destinations and eventually to commodified fast food and casual dining restaurants Some dishes like fettuccine Alfredo and spaghetti alla Caruso owe their success to celebrities and Italian American cuisine generally has benefited from a rich history in popular culture Drawing on inspiration from Southern Italian cuisine early Italian immigrants to America developed new recipes and modified old ones Ethnic Italians invented dishes like lobster fra Diavolo spaghetti and meatballs and veal parmigiana and popularized foods like pizza and baked lasagna that had once been seen as overly foreign Eventually the classic red checkered table cloth Italian restaurant would be replaced by a new idea of what it means for food to be Italian even as red sauce became entrenched in American culture This booklooks at how and why these foods became part of the national American diet and focuses on the stories myths and facts behind classic and some not so classic dishes within Italian American cuisine

A Cultural Journey through the English Lexicon Roberto Facchinetti,2012-01-17 This book is a metaphorical journey through the English lexicon viewed as a vehicle and a mirror of cultural identity From the translatability of phrases and metaphors to genre specific terms from English as a Lingua Franca to English language teaching the studies collected here testify to the fact that in English and overall in language word contextualization or lack of contextualization impinges on linguistic utterances and leads to differing interpretations of the textual message The book

may be of interest to a wide range of scholars and students who are concerned with the study of the English lexicon bearing in mind that this lexicon provides the bricks of any language and language in turn needs the cornerstone of Culture to stand firmly and thrive
