Paddle to the Amazon Don Starkell, 1992-03-01 A first person account of the longest journey ever made by canoe from Winnipeg south to the Amazon River records the troubles and triumphs faced by a father and son during their 12 180 mile twenty million stroke journey Reprint **Paddle to the Arctic** Don Starkell, 2000-03-25 After his astounding 12 000 mile canoe trip from Winnipeg down to the Amazon recounted in his bestseller Paddle to the Amazon on page 48 Don Starkell decided to paddle a kayak from Hudson Bay 3 000 miles through the Northwest Passage This is Don s diary of this journey from Churchill Manitoba to Tuktoyaktuk close to Alaska a voyage by kayak paddled on water or dragged on a sled over the ice that took him three Arctic summers and almost cost him his life Through this compelling book we find ourselves sharing his blazing driving determination to reach his goal as he closes in on his destination with his supplies running out and his ocean highway freezing over making death a near certainty Armchair travel at its best **Paddle to the Amazon** Don Starkell, 1994-09-03 It was crazy It was unthinkable It was the adventure of a lifetime When Don and Dana Starkell left

Winnipeg in a tiny three seater canoe they had no idea of the dangers that lay ahead Two years and 12 180 miles later father and son had each paddled nearly twenty million strokes slept on beaches in jungles and fields dined on tapir shark and heaps of roasted ants They encountered piranhas wild pigs and hungry alligators They were arrested shot at taken for spies and drug smugglers and set upon by pirates They had lived through terrifying hurricanes food poisoning and near starvation And at the same time they had set a record for a thrilling unforgettable voyage of discovery and old fashioned adventure

Courageous Exciting and always immediate The New York Times Book Review Paddle to the Amazon Don Starkell, 1992 Don Starkell and his two sons Jeff and Dana set out from Winnipeg to paddle to the Amazon River During their two year trip they ate ants encountered pirates and survived hurricanes an incredible adventure story **The Politics of the Canoe**

Bruce Erickson, Sarah Wylie Krotz, 2021-03-26 Popularly thought of as a recreational vehicle and one of the key ingredients of an ideal wilderness getaway the canoe is also a political vessel A potent symbol and practice of Indigenous cultures and traditions the canoe has also been adopted to assert conservation ideals feminist empowerment citizenship practices and multicultural goals Documenting many of these various uses this book asserts that the canoe is not merely a matter of leisure

and pleasure it is folded into many facets of our political life Taking a critical stance on the canoe The Politics of the Canoe expands and enlarges the stories that we tell about the canoe s relationship to for example colonialism nationalism environmentalism and resource politics To think about the canoe as a political vessel is to recognize how intertwined canoes are in the public life governance authority social conditions and ideologies of particular cultures nations and states Almost everywhere we turn and any way we look at it the canoe both affects and is affected by complex political and cultural histories Across Canada and the U S canoeing cultures have been born of activism and resistance as much as of adherence to the mythologies of wilderness and nation building The essays in this volume show that canoes can enhance how we engage with and interpret not only our physical environments but also our histories and present day societies **Canadian Books in Print. Author and Title Index** ,1975 **The Amazon** Roger Harris,Peter Hutchison,2007 This new edition has been completely revised with updated information on hotels lodges and tour operators It contains a detailed and illustrated natural history section on native species and habitats The Amazon is an ideal location for eco travellers naturalists sports enthusiasts and explorers Travellers are given sound advice on responsible travel and planning their own expedition **Amazon Extreme** Colin Angus,Ian Mulgrew,2009-03-19 The hair raising true story of the first team to raft the entire length of the Amazon To a trio of twenty something adrenaline junkies it sounded like an irresistible challenge Tackle the Amazon with nothing more than a rubber raft between them and fate In Amazon Extreme Colin Angus provides a you are there account of his expedition s terrors and triumphs In spite of Shining Path gunmen mosquito laden drinking water and of course the terrifying rapids themselves his crew also found a reverence for the equally compelling beauty that makes this region so renowned Graceful dolphins lush forests and the intriguing people who live along the river complete the backdrop as Angus s five month excursion unfolds Culminating in an astonishing victory that garnered major media coverage this is the story of three guys who truly went off the deep end and one who came back to write a riveting recollection of it **Rollercoaster** James Bartleman,2005 For four years James Bartleman mixed with all the biggest names Clinton Blair Yeltsin Mitterrand Castro Kohl Chirac and on and on as Chre tien s Henry Kissinger figure He was involved in deadly serious crisis management accompanying Chre tien to all the world s hot spots dodging bullets in Sarajevo and trying to avoid war in the Spanish trawler incident Not to mention dealing with Premier Li of China on an official visit encountering protestors in Montreal and shouting I am departing immediately Never have I and my country been so humiliated Which leader at the G7 Summit in Halifax passed out drunk in the hotel elevator What did Jean Chre tien do to set White House aides threatening the next time there s a referendum we will support the separatists And why did Fidel Castro grab our author shaking him and snarling I hope you are satisfied Bartleman It s all in this lively book Every major world crisis of these years is represented here and every region of the world You ll be amazed at how widely Chre tien and Bartleman travelled and how much top level action they experienced Canadian foreign policy has never seemed so exciting Or so funny as when the angry Japanese prime

minister's Ottawa visit was marred by a health problem officially described as soft poo. A candid witty eye opening book about foreign affairs at the top.

Across Canada by Story Douglas Gibson, 2015-09-01 More adventures from one of Canada's premier editors and storytellers. Canada is a country rich in stories and few take as much joy as Douglas Gibson in discovering them. As one of the country's leading editors and publishers for 40 years he coaxed modern classics out of some of Canada's finest minds and then took to telling his own stories in his first memoir *Stories About Storytellers*. Gibson turned his memoir into a one man stage show that eventually played almost 100 times in all ten provinces from coast to coast. As a literary tourist he discovered even more about the land and its writers and harvested many more stories from distant past and recent memory to share. Now in *Across Canada by Story* Gibson brings new stories about Robertson Davies, Jack Hodgins, W. O. Mitchell, Alistair MacLeod and Alice Munro and adds lively portraits of Al Purdy, Marshall McLuhan, Margaret Laurence, Guy Vanderhaeghe, Margaret Atwood, Wayne Johnson, Linwood Barclay, Michael Ondaatje and many many others. Whether fly fishing in Haida Gwaii or sailing off Labrador, Douglas Gibson is a first rate ambassador for Canada and the power of great stories.

Who Goes Canoeing With Their Mother-in-Law? Kyle Penner, 2019-11-01 Swirling rapids and daring rescues. Forgotten maps and stolen canoes. Bigfoot encounters and yes even canoeing with his mother in law. Gather round the campfire and let your imagination be captivated by these canoeing stories. Laugh at the things that went wrong. Live the suspense of each tale. Learn what not to do on your next paddling trip. Love both the adventures and the absurdities. Delight in Kyle Penner's story telling as he recounts 17 canoe trips from his home province of Manitoba. Marvel at the artwork of his beloved mother in law Patti Enns as she brings each story to life with her meticulous maps. And be inspired to pack your bags, load up your canoe and call your friends or mother in law to go paddling.

Stories About Storytellers Douglas Gibson, 2011-10-01 The legendary Canadian book editor presents this remarkable four decade romp through the back rooms of publishing. Toronto Sun. Scottish born Douglas Gibson was drawn to Canada by the writing of Stephen Leacock and eventually made his way across the Atlantic to find a job in book publishing where he edited a biography of none other than Leacock. But over the decades his stellar career would lead him to work with many more of the country's leading literary lights. This memoir shares stories of working and playing alongside writers including Robertson Davies, Mavis Gallant, Brian Mulroney, Val Ross, W. O. Mitchell and many more. Gibson reveals the projects he brainstormed for Barry Broadfoot, how he convinced future Nobel Prize winner Alice Munro to keep writing short stories, his early morning phone call from a former prime minister and his recollection of yanking a manuscript right out of Alistair MacLeod's reluctant hands which ultimately garnered the author one of the world's most prestigious prizes for fiction. Insightful and entertaining, this collection of tales goes behind the scenes and between the covers to divulge a treasure trove of literary adventures. He makes his life in publishing sound like great fun. *The Globe and Mail*, Toronto.
