Southern Beauty Elizabeth Bronwyn Boyd, 2022-08-15 Southern Beauty explains a curiosity why a feminine ideal rooted in the nineteenth century continues to enjoy currency well into the twenty first Elizabeth Bronwyn Boyd examines how the continuation of certain gender rituals in the American South has served to perpetuate racism sexism and classism In a trio of popular gender rituals sorority rush beauty pageants and the Confederate Pageant of the Natchez Mississippi Pilgrimage young white southern women have readily ditched contemporary modes of dress and comportment for performances of purity gentility and deference Clearly the ability to do white southern womanhood convincingly and on cue has remained a valued performance But why Based on ethnographic research and more than sixty taped interviews Southern Beauty goes behind the scenes of the three rituals to explore the motivations and rewards associated with participation The picture that Boyd paints is not pretty it is one of southern beauties securing status and sustaining segregation by making nostalgic gestures to the southern past Boyd also maintains that the audiences for these rituals and pageants have been complicit unwilling to acknowledge the beauties racial work or their investment in it With its focus on performance Southern Beauty moves beyond representations to show how femininity in motion stylized and

predictable but ephemeral has succeeded as an enduring emblem where other symbols faltered by failing to draw scrutiny Continuing to make the moves of region and race even as many Confederate symbols have been retired the southern beauty has persisted maintaining power and privilege through consistent performance Confessions of a Scholarship Winner Kristina Ellis,2013-03-20 Kristina Ellis was awarded a full scholarship through her PhD How she managed to get that kind of a scholarship offer is revealed in this book Raised by a single mother Kristina appeared to have everything stacked against her years of living below the poverty level imperfect grades and sub par SAT scores Yet Kristina discovered the secrets to effectively presenting herself as a unique and desirable scholarship candidate And she s sharing her secrets for scholarship success with students and their parents so that they too can obtain money for college **American Historical Pageantry** David Glassberg,1990 What images shape Americans perceptions of their past How do particular versions of history become the public history And how have these views changed over time David Glassberg explores these important questions by examining the pageantry craze of the *Native American Princess Pageants* Sebahattin Ziyamak,Steven Aicinena,2024-10-15 This book delivers a systematic investigation of Native American princess pageants exploring when and why they started how they spread across and within Native American communities the ways in which these pageants differ from other contests such as Miss USA the workings of the pageants themselves and their socio cultural costs and benefits *Good Success* Metashar Dillon,2012-09 This book is dedicated in memory of my grandparents Abraham and Etta Brommell who lived to be apart and see five generations This book is also for families to change their thinking about the economics of generations to come and provoke them to change and plan for legacies for future generations To continue to think and plan for education at the highest but also entrepreneurship to begin to build empires of hope that will foster change and benefit all of humanity Remember that families that read this book will tell women all over the World that they can come and be a part of a economic movement and become the catalyst of starting the New Day of pioneering women for entrepreneurs across the Globe wgectour com In Remembrance of sustaining your own Legacy for future generations We are asking 2 Million people to help women buy purchasing this book Business and Professional Communication Kelly M. she looks closer to thirty nine ha This small but intense ride of a book is a good hearted thumbing of the nose at the big six o This book is designed to uplift and motivate the reader to overcome their obstacles and blockages and is an aching this and that for learning how to make their time on this spinning orb as dynamic and full of joy as possible A perfect tonic for those reaching these vaunted heights in age or those who just want to stay young in spirit this book has a little bit of everything from attitude gratitude workshops to daily practical wellness tips to visualization to more helpful versions of the ABCs to illuminating discussions of the joys not of menopause What more do you need Enjoy the ride Fashion eBook GURMEET SINGH DANG, *Queens of Academe* Karen W. Tice, 2012-03-09 Universities are unlikely venues for grading bodies beauty poise and style Nonetheless thousands of college women have sought not only college diplomas but campus beauty titles and tiaras throughout the twentieth century and the cultural power of beauty pageants continues into the twenty first In *Queens of Academe* Karen W Tice asks how and why does higher education remain in the beauty and body business and with what effects on student bodies and identities Drawing on archival research and interviews as well as hundreds of hours observing college pageants on predominantly black and white campuses Tice argues the pageants help to illuminate the shifting iterations of class race religion culture sexuality and gender braided into campus rituals and student life Moving beyond a binary of objectification versus empowerment Tice offers a nuanced analysis of the making of idealized collegiate masculinities and femininities and the stylization of higher education itself **Attitude Is My Thing...** Joni B. Redick-Yundt, Great things come in small packages This little package in the form of a book let is power packed just like the author who is now just arriving at her sixtieth birthday though she looks closer to thirty nine ha This small but intense ride of a book is a good hearted thumbing of the nose at the big six o This book is designed to uplift and motivate the reader to overcome their obstacles and blockages and is an aching this and that for learning how to make their time on this spinning orb as dynamic and full of joy as possible A perfect tonic for those reaching these vaunted heights in age or those who just want to stay young in spirit this book has a little bit of everything from attitude gratitude workshops to daily practical wellness tips to visualization to more helpful versions of the ABCs to illuminating discussions of the joys not of menopause What more do you need Enjoy the ride Looking for Miss America Margot Mifflin, 2021-08-03 Winner of the Popular Culture Association s Emily Toth Best Book in Women s Studies Award From an author praised for writing delicious social history Dwight Garner The New York Times comes a lively account of memorable Miss America contestants protests and scandals and how the pageant now in its one hundredth year serves as an unintended indicator of feminist progress Looking for Miss America is a fast paced narrative history of a curious and contradictory institution From its start in 1921 as an Atlantic City tourist draw to its current incarnation as a scholarship competition the pageant has indexed women s status during periods of social change the post suffrage 1920s the Eisenhower 1950s the MeToo era This ever changing institution has been shaped by war evangelism the rise of television and reality TV and significantly by contestants who confounded expectations Spotlighting

individuals from Yolande Betbeze whose refusal to pose in swimsuits led an angry sponsor to launch the rival Miss USA contest to the first black winner Vanessa Williams who received death threats and was protected by sharpshooters in her hometown parade Margot Mifflin shows how women made hard bargains even as they used the pageant for economic advancement The pageant's history includes crucially those it excluded the notorious Rule Seven which required contestants to be of the white race was retired in the 1950s but no women of color were crowned until the 1980s In rigorously researched vibrant chapters that unpack each decade of the pageant Looking for Miss America examines the heady blend of capitalism patriotism class anxiety and cultural mythology that has fueled this American ritual *Occupying the Summit* Robert Shaffer,1989 *Avant-Garde in the Cornfields* Michelangelo Sabatino,Ben Nicholson,2019-10-15 A close examination of an iconic small town that gives boundless insights into architecture landscape preservation and philanthropy Avant Garde in the Cornfields is an in depth study of New Harmony Indiana a unique town in the American Midwest renowned as the site of two successive Utopian settlements during the nineteenth century the Harmonists and the Owenites During the Cold War years of the twentieth century New Harmony became a spiritual living community and attracted a wide variety of creative artists and architects who left behind landmarks that are now world famous This engrossing and well documented book explores the architecture topography and preservation of New Harmony during both periods and addresses troubling questions about the origin production and meaning of the town's modern structures landscapes and gardens It analyzes how these were preserved recognizing the funding that has made New Harmony so vital and details the elaborate ways in which the town remains an ongoing experiment in defining the role of patronage in historic preservation An important reappraisal of postwar American architecture from a rural perspective Avant Garde in the Cornfields presents provocative ideas about how history is interpreted through design and historic preservation and about how the extraordinary past and present of New Harmony continue to thrive today Contributors William R Crout Harvard U Stephen Fox Rice U Christine Gorby Pennsylvania State U Cammie McAtee Harvard U Nancy Mangum McCaslin Kenneth A Schuette Jr Purdue U Ralph Schwarz Paul Tillich
