Peter James Hickman

Pain Lived Love Found:

Dark Child Awakens Peter James Hickman,2021-04-07 Dark Child Awakens is a collection of original poetry inspired by the author coming out later in life after surviving the pain and betrayal of his childhood and decades as a married man The poems cover such diverse topics as love relationships fear anxiety despair hope betrayal good times and the beauty of the west coast **Find Your Way** R. K. Caroland,2009-06-19 Do you ever wonder why so many of us develop such poor

relationships with the people in our lives When we understand the processes of desire and motivation we can then see what drives people to do what they do To develop effective people skills we must first develop the ability to recognize behavioral patterns and to empathize with the world around us This book shows us how to bring true intimacy and compassion into our lives in a simple down to earth way **Created Words Dreaming** Matthew Caldwell,2001-11 True life stories thoughts

feelings Written in poetic description and beauty Impulsive written creations of the world around us **The Carousel**

Stefani Deoul,2016-11-07 A bone weary emotionally drained woman shows up one morning at a diner and gas station in a small Northeast town Intending to refuel on gas and coffee and just keep driving she is drawn instead to a pile of discarded carousel horses at the junkyard next door Her find begins a ripple of gossip mystery and a restorative journey for the horses herself and the curious collection of townspeople joining her on the tumultuous ride of hope patience and a chance to grab the brass ring **How to be a Failure and Still Live Well** Beverley Clack,2020-01-23 In consumer economies success has

increasingly been defined in terms of material attainment and the achievement of status This model of the good life and its formulas for success ignore the haunting possibility that one may not succeed and as a result be deemed a failure How to be a Failure and Still Live Well explores that often neglected theme of failure not just as the opposite of achievement but also and more importantly how it has been conflated with loss that which haunts all transient mortal human experience

Understanding loss as a form of failure affects our ability to cope with the everyday losses that permeate existence as a result of the natural processes of ageing death and decay Engaging with loss and thinking about what it inevitability means for our lives and commitments allows different values to emerge than those connected to success as attainment Relationships spontaneity and generosity are explored as qualities that arise from taking seriously our vulnerability and that form the basis for richer accounts of what it might mean to live well **Already There** Mark Mossa,2010 If you are young or young only in

heart and attempting to discover who you are meant to be Fr Mark Mossa can help you find the ways God is already in your life Mossa provides an honest and entertaining account of how he as a younger adult now a Jesuit priest attempts to find God s will for his life We need only take some time to reflect on our experience and that is what Mark Mossa helps us to do and we ll see that God has already been trying to communicate with us in unexpected and surprising ways The audio edition of this book can be downloaded via Audible **Pearls of Grace** Regina McIntosh,2024-07-31 Grace is what we needed when

God sent His Son to be the One who provided grace for us We were lost and now we re found because someone died and rose

again because someone sent His Only Son because He was the lamb who assured us there is a love far more alive than any love we've ever known and there is grace far more merciful than any grace we've ever hoped for Grace is what this little book is meant to reveal inspire and invite into the souls of those who know that God is the giver of this gift pearls of grace Pearls of Grace is a selection of devotionals on grace the grace that makes a way through every sorrow every pain Grace with the sweetest face His name is Jesus and He is the answer to every question every doubt every prayer When He meets a heart in need He blesses with grace that is more beautiful than we can conceive This grace silences every fear wipes away each tear and lifts the veil so hearts can feel and know this grace is real Littell's Living Age ,1880 **Living beyond Pain**
