contradictions a prophetic visionary and a canny pragmatist who early grasped the necessity of compromise for national survival Ben Gurion supported the 1947 United Nations Partition Plan for Palestine though it meant surrendering a two thousand year old dream of Jewish settlement in the entire land of Israel He granted the Orthodox their first exemptions from military service despite his own deep secular commitments and he reached out to Germany in the aftermath of the Holocaust knowing that Israel would need as many strong alliances as possible within the European community A prot g of Ben Gurion and himself a legendary figure on the international political stage Shimon Peres brings to his account of Ben Gurion s life and towering achievements the profound insight of a statesman who shares Ben Gurion s dream of a modern democratic Jewish nation state that lives in peace and security alongside its Arab neighbors In Ben Gurion Peres sees a neglected model of leadership that Israel and the world desperately need in the twenty first century
