*Osho Zen Tarot* Osho,1995-04-15 Osho Zen Tarot from the 1 bestselling mystic and spiritual author Osho When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration what will happen in the future What about my health the children What will happen if I make this decision and not that one This is how the traditional tarot is often used to satisfy a longing to know about the past and future The Osho Zen Tarot focuses instead on gaining an understanding of the here and now It is a system based on the wisdom of Zen a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings even though we ourselves might be unclear

about what those thoughts and feelings are So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative The text in the accompanying book helps to interpret and understand the images in the simple straightforward and down to earth language of Zen
