James Quinn, 2024-06-25 I began my writing career as a nightside reporter for the Evening Bulletin, a newspaper in Philadelphia. I progressed to writing plays, having spent seventeen years dancing and performing. This transitioned into my own publication, Stage Magazine, about little theater in Pennsylvania. I wrote news articles about the war in Vietnam and about the struggles our service men and women suffered, especially friends. Then life took a turn and I found myself wondering why so many friends were dying, which led me to *Out of the Spotlight*. *Out of the Spotlight* is about being in the right place at the right time and doing the right thing for your life to progress in a positive fashion. It speaks about personal responsibility and accepting the reality of life and all that it has to offer. Understanding and accepting your shortcomings helps you understand what it takes to be personally successful. *Out of the Spotlight* speaks about the choices we make and the outcome of those choices. **The Adventures of Captain Good** Kevin D. And that same evil is even now exerting a powerful influence on the very people closest to the young hero. aEUR tm s life As Captain Good, Rodney is blessed with a stunning array of powers with which to accomplish his mission, including super human strength, endurance, speed, and invulnerability, along with enhanced senses, a blue purging flame which destroys the weapons and influence of evildoers, and a mysterious ability to see the truth about people and things which he comes into contact with. Yet Rodney is also burdened with a terrible grief that could threaten to undermine his gifts and endanger everyone he hopes to help. And a horrible secret will be revealed that would cause an even greater tragedy if Captain Good should fail. But if he is going to win, Rodney will have to find a power still greater than his own, and even then he may be forced to make the ultimate sacrifice if the world is to be saved and his enemies defeated. Will Captain

Good Things to Do Rüdiger Bittner, 2023 Rüdiger

Bittner argues that the aim of thinking about what to do of practical reason is to find not what we ought to do but what it is good to do under the circumstances Neither under prudence nor under morality are there things we ought to do There is no warrant for the idea of our being required by natural law or by our rationality to do either what helps us attain our ends or what is right for moral reasons While common moral understanding is committed to there being things we ought to do and to our being guilty and deserving blame if we fail to do them we can lay aside these notions without loss indeed with benefit The volume also explains what it is for something to be good to do under the circumstances and argues for understanding practical reason in these terms What is good to do we find by experience what we go through teaches us what helps and what hinders and helps us figure out what is prudentially useful and what is morally right to do although ultimately this difference itself gives way and morality turns out to be a part of prudence
