**Out of Order** Donald J. Wold, 1998 Essential reading for those wrestling with the rationale for the Bible's directives on homosexuality Catherine Clark Kroeger Law and Gender in the Ancient Near East and the Hebrew Bible Ilan Peled, 2019-11-04 This volume examines how gender relations were regulated in ancient Near Eastern and biblical law The textual corpus examined includes the various pertinent law collections royal decrees and instructions from Mesopotamia and Hatti and the three biblical legal collections Peled explores issues beginning with the wide societal perspective of gender equality and inequality continues to the institutional perspective of economy palace and temple the family and lastly sex crimes All the texts mentioned or referred to in the book are given in an appendix both in the original languages and in English translation allowing scholars to access the primary sources for themselves **Law and Gender in the Ancient Near East and the Hebrew Bible** offers an invaluable resource for anyone working on Near Eastern society and culture and gender in the ancient world more broadly **The Bible and Homosexuality in Zimbabwe** Masiwa Ragies Gunda, 2010

**Homosexuality and the Bible** Dan Otto Via, 2003 In this brief book two New Testament scholars discuss the relevant biblical texts on the subject of homosexual behavior and orientation Slaves, Women & Homosexuals William J. Webb, 2009-08-20 This volume by William J Webb explores the hermeneutical maze that accompanies any treatment of these three controversial topics and takes a new step toward breaking down walls within the evangelical community related to them **The Homosexuality Debate in Malawi** Hamburu Mawerenga, 2018-06-14 Homosexuality is a cross cutting challenge to Malawian society with theological socio cultural economic legal political and human rights implications This book argues that the solution to the homosexuality debate in Malawi does not lie in either the criminalization or decriminalization of homosexuality neither does it lie in homophobia nor heterophobia However the solution to the homosexuality debate lies in achieving a harmonious co existence of both heterosexuals and homosexuals by practicing mutual tolerance The book concludes by suggesting various activities to be taken by The Government of Malawi Gay Rights Activists Religious Leaders Traditional Leaders and Malawian Society to ensure the aforementioned tolerance and understanding is encouraged **Jonathan's Loves, David's Laments** Dirk von der Horst, 2017-03-24 Jonathan's Loves David's Laments uses early modern musical interpretations of David's Lament over Saul and Jonathan to deepen the historicist foundations of contemporary feminist and gay relational theologies After laying out how gay theologian Gary David Comstock connects the story of David and Jonathan to the theology of lesbian theologian Carter Heyward the argument interrogates both theological and exegetical problems in making those connections which include contradictory theological stances with regard to modernity and history as well as the indeterminacy of the biblical text Early modern musical interpretations of the text allow for a double move of engaging the texts through a sensual medium thus reinforcing queer possibilities for meaning making from the biblical text and staying attuned to the fact that the history of interpretation

reinforces the indeterminacy of the text thus keeping queer interpretations aware of the relativizing function of historical difference

*Legal Friction* Gershon Hepner, 2010 *Legal Friction* Law Narrative and Identity Politics in Biblical Israel tracks the mystery of narratives in the Hebrew Bible and their allusions to Sinai laws by highlighting intertextual allusions created by verbal resonances While the second and the third parts of the volume illustrate allusions to Sinai narratives made by some narratives occurring in the post Sinaitic era twenty three Genesis narratives are analyzed to show that the protagonists were bound by Sinai Laws before God supposedly gave them to Moses anticipating the Book of Jubilees *Legal Friction* suggests that most of Genesis was composed during or after the Babylonian exile after the codification of most Sinai laws which Genesis protagonists consistently violate The fact that they are not punished for these violations implies to the exiles that the Sinai Covenant was unconditional In addition the author proposes that Genesis contains a hidden polemic encouraging the Judean exiles to follow the revisions of laws of the Covenant Code by the Holiness Code and Deuteronomy Genesis narratives like those describing post Sinai events often cannot be understood properly without recognition of their allusions to biblical laws

Rape Culture, Gender Violence, and Religion Caroline Blyth, Emily Colgan, Katie B. Edwards, 2018-02-14 This book explores the Bible's ongoing relevance in contemporary discussions around rape culture and gender violence Each chapter considers the ways that biblical texts and themes engage with various forms of gender violence including the subjective physical violence of rape the symbolic violence of misogynistic and heteronormative discourses and the structural violence of patriarchal power systems The authors within this volume attempt to name and shame the multiple forms of gender violence present within the biblical traditions contesting the erasure of this violence within both the biblical texts themselves and their interpretive traditions They also consider the complex connections between biblical gender violence and the perpetuation and validation of rape culture in contemporary popular culture This volume invites new and ongoing conversations about the Bible's complicity in rape supportive cultures and practices challenging readers to read these texts in light of the global crisis of gender violence

*Embracing Love* Nathan Albert, 2016-05-15 Nathan Albert stood with friends along the Chicago Pride Parade route bearing signs of apology on behalf of Christians who had failed to represent Christ's love to the LGBTQ

community Little did he know that millions around the world would soon see him captured in an iconic photograph hugging a man in his underwear Embracing Love is the story behind that photograph the story of a musical theatre actor turned pastor who shares personal and pastoral stories of the LGBTQ community He invites readers past the intimidation of controversy for the sake of embracing people with the love of Jesus

### **The Fate of Justice and Righteousness during David's Reign**

Richard G. Smith,2009-12-10 This work argues that 2 Sam 8 15 20 26 is a literary unit designed to show how David and his house failed to establish justice and righteousness during David s reign over all Israel After an introductory chapter and a chapter on critical methodology the rest of the work is a close reading of 2 Sam 8 15 20 26 that pays special attention to narrative ethics Chapter 3 makes a case for reading 2 Sam 8 15 20 26 as a coherent literary unit reflecting an ethical world view grounded in kindness and having as its main theme the failure of justice and righteousness to be established during David s reign Chapter 4 presents a case for reading 2 Sam 8 15 10 19 as an account of the beginnings of justice and righteousness during David s reign in which David s kindness towards Mephibosheth is presented as analogous to a Mesopotamian royal declaration and was performed as an inaugural act of charity upon David s ascent to the throne

The Love of David and Jonathan James E. Harding,2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades The Love of David and Jonathan explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged
