of African descent in America

by Marilyn and Warren L. Maye

Orita Rites Of Passage For Youth Of African Descent In America

Andrew Billingsley

Orita Rites Of Passage For Youth Of African Descent In America:

Orita Marilyn Claire Maye, Warren L. Maye, 2000 This book is a guide for parents seeking to design a rites of passage program for their adolescent youth and for parents considering such a program *Orita* meaning crossroads prepares participants for adulthood by teaching life management skills in the context of African heritage and biblical principles At the *Orita* celebration family and community honor their youth and acknowledge their transition into adulthood Parents are guided through every aspect of the design and planning of a program tailored for their youth The program is also flexible and can be applied to families of various cultures Encyclopedia of African American Education Kofi Lomotey, 2010 The Encyclopedia of African American Education covers educational institutions at every level from preschool through graduate and professional training with special attention to historically black and predominantly black colleges and universities Other entries cover individuals organizations associations and publications that have had a significant impact on African American education The Encyclopedia also presents information on public policy affecting the education of African Americans including both court decisions and legislation It includes a discussion of curriculum concepts theories and alternative models of education and addresses the topics of gender and sexual orientation religion and the media The Encyclopedia also includes a Reader's Guide provided to help readers find entries on related topics It classifies entries in sixteen categories Alternative Educational Models Associations and Organizations Biographies Collegiate Education Curriculum Economics Gender Graduate and Professional Education Historically Black Colleges and Universities Legal Cases Pre Collegiate Education Psychology and Human Development Public Policy Publications Religious Institutions Segregation Desegregation Some entries appear in more than one category This two volume reference work will be an invaluable resource not only for educators and students but for all readers who seek an understanding of African American education both historically and in the 21st century Academically Gifted African American Male College Students Fred A. Bonner II, 2010-01-22 The first ever study of African American giftedness at the collegiate level focusing on two extraordinary case studies At a time when so many studies of African American students focus on the factors of failure Academically Gifted African American Male College Students fills a conspicuous void in the research literature on post secondary education by focusing on success Like no other work before it this remarkable study goes deep inside the experiences of academically gifted African American men who successfully navigate their way through rigorous college level programs At the heart of the unique and long overdue work are two real life stories of African American male students one at a Historically Black College and University HBCU and the other at a Traditionally White Institution TWI In presenting comparing and contrasting these two cases the book identifies a number of personal characteristics and institutional approaches driving their notable achievements The result is a guidebook both for gifted African American male students and for the institutions looking to strengthen their support for them particularly in science technology engineering and mathematics STEM disciplines **Trouble Don't Last Always:** Evelyn L.

Parker,2003-04-02 Racism will never end Drug dealing and gang banging will never stop I hope for God to come and take us away from all this because if things go on the way they are there s not much hope for humankind These are some of the comments from twenty African American teenagers coming of age in Chicago at the close of the 20th century These comments raise challenging questions What expectations do African American youth hold concerning racial injustice What expectations do black youth hold about other issues that are important to them such as violence How relevant is the black church to the issues that circumscribe the lives of urban black youth How is the black church instrumental in confronting racial injustice that black youth experience What signs of hope do black youth identify as being offered by the black church Can the church fashion black adolescent spirituality rooted in Christian hope and action Parker seeks to answer these questions critically examining African American adolescent spirituality and offering congregations a new theological framework for ministry with African American adolescents in the face of injustice and hopelessness What results is the formation of a wholesome spirituality *Leadership for Catholic Youth Ministry* Thomas East,Alejandro Aguilera-Titus,2009 Catechetical Youth Ministry *Climbing Jacob's Ladder* Andrew Billingsley,1992 To help the reader understand the African American family in its broad historical social and cultural context the author traces the rich history of the black family from its roots in Africa through slavery Reconstruction the Depression the Civil Rights Movement and up to the present

Crossroads Louise Carus Mahdi,Nancy Geyer Christopher,Michael Meade,1996 Thinkers and activists from many orientations and traditions are now coming together to explore ways to reconstitute rites of passage as a form of community healing for our public and personal ills Crossroads is a comprehensive collection of over fifty cutting edge writings on diverse aspects of the transition to adulthood In no uncertain terms Crossroads opens our eyes to our responsibility to the adolescents who are now growing up without sacred rituals and hence without knowledge of spiritual roots in their culture Many of the writers have first hand experience and first rate ideas of how to transform this cultural crisis Crossroads also challenges us to integrate our own inner adolescent Piercing insight with realistic hope Marlon Woodman The Ravaged Bridegroom *Celebrating the Family* Elizabeth H. Pleck,2000-07-04 Pleck examines changes in the way Americans celebrate holidays like Christmas or birthdays *Journal of Ritual Studies* ,2003 **Bringing the Light Into a New Day: African-centered Rites of Passage** Lathardus Goggins II,2012-05-25 Bringing The Light Into A New Day provides a scaffolding to understand the purpose function structure process and transformative power of the rites of passage process Light is a metaphor for opportunity hope and wisdom Our light is our heritage a dynamic interaction of the past and future to create new solutions for our present If we do not bring this light into the new day then we doom ourselves to be cast in the faint light of others interpretations of our capabilities African American families and communities must bring the light into the new day so our children can see their unique genius How to bring this light African centered Rites of Passage **Rites of Passage** Ayotunde Oladunjoye,2012 Ayotunde Oladunjoye Also Known As Sonya Mann McFarlane has restored full honor

through re connection to her ancestral lineage Ayotunde Founding Director for Imani Edu Tainers African Dance Company holds a Master s Degree in Health Education from Penn State University The Imani Edu Tainers African Dance Company a not for profit organization promotes community awareness of West African culture She has conducted extensive research on the impact of rites of passage programming on adolescent development Her artistic ventures include the cultural impact on positive adolescent development of which is evident in the development of the successful Mate Masie rites of passage program presented in this book *For Every Season* Barbara Eklof,1997 Includes Afro American customs and celebrations related to birth puberty majority friendship marriage family reunions and death **Stone of Help** Marilyn C. Maye Ed D.,2011-06-01 In naming their church after the biblical monument Ebenezer which in Hebrew means stone of help the leaders of Harlem s Ebenezer Gospel Tabernacle were teaching their congregation the value of remembering from where they had come Today 100 years later this stone memorial continues to remind these ordinary people that God has played an extraordinary role in building their faith community Dr Marilyn Maye has written a compilation of history and edited a collection of memoirs for the spiritual offspring of Ebenezer s earliest members However readers from similar faith communities may be surprised by how much history the Ebenezer family shares with them The triumphs and pitfalls of early immigrant pioneers of color to New York City living and worshipping alongside pioneers of the Black migrations from the southern states are highlighted in *Stone of Help* a book that can be instructive to people who ve recently migrated to the U S as well as to people born here Set in early to mid 20th century Harlem *Stone of Help* chronicles Ebenezer s humble beginnings in both spiritual and sociological contexts Maye shows how in the midst of two world wars a horrific flu pandemic racial discrimination and hostile workplace conditions these pioneers nevertheless survived and even flourished Some of the memoirs may disturb you others may make you laugh out loud Hopefully all of them will inspire you In time Ebenezer s members spread across the city the nation and the globe carrying their unique heritage into leadership positions in a variety of religious and secular institutions Today Ebenezer s legacy is etched in stone and also in the lives of people who have been transformed by faith in Christ as taught and modeled at the church As Ebenezer and other such churches continue the journey into their second century Maye points to the challenges of being in neighborhoods with changing demographics and in communities that place a lesser value on religious thought and practice However she also points to the benefits that come from recalling the triumphs that the early pioneers experienced with God s help Proceeds from the sale of this book go towards sustaining this Harlem landmark as the congregation enters its second century *They Are Men and Not Gods* Marilyn C. Maye,2012-01-20 *THEY ARE MEN AND NOT GODS* looks in depth at stories surrounding ancient Egypt in the Bible and sheds light on many of the dynamics of society today Addressed to an anonymous young friend the book assumes no prior Bible knowledge and can be used as a guide to studying the Bible from a cross cultural perspective by individuals and groups People of African descent who have had their heritage disfigured and denied are particularly the potential

beneficiaries of Maye's investigative reporting into the highly visible but widely neglected role of Egypt in the Bible Those of all backgrounds will gain a more accurate view of the God we all claim and to whom we are accountable

Rites of Afrikan-Amerikan People Skobi Matunde, 1992-01-01 The Rites of African American People is a glimpse into the rites of passage of African American people The book starts from naming ceremonies an understanding of the rites of puberty for males females as well as puns of wisdom for children to adults You will also find that it consists of how African Americans marriages are done along with the history conducting of the funeral rites of our people It is a must for anyone who wants some understanding of the African American people the rich culture that they possess

Rites of Passage in America Pamela B. Nelson, 1992

An Orita Ceremony for a Sixteen Year Old Black Youth Frank T. Fair, 1974

Initiation Rites and Rituals Michael C. Kirwen, Maryknoll Institute of African Studies, 2004

Crossing the Threshold; Embracing the Call Conceptualizing, Co-Creating and Building Community Through Rites of Passage Kamau Ptah, 2024-09-04 Crossing the Threshold Embracing the Call Conceptualizing Co Creating and Building Community Through Rites of Passage is an important and seminal work that guides a new generation of educators mentors and Rites of Passage facilitators through timeless pillars concepts and frameworks on coming of age rituals for African American and Indigenous boys The book contextualizes transformational initiation experiences that have occurred in their personal lives and provides the tools for designing passages for future generations It provides the foundation for the harvesting of affirmative identity sacred gifts and the actualization of one's Divine purpose by restoring sacred and timeless African rituals for optimal levels of community building Crossing the Threshold represents a lifelong journey of Kamau Ptah's passages coupled with thirty years of professional experiences conceptualizing designing implementing co creating and facilitating rites of passage in every community he has served worldwide

The African Rites of Passage, Old and New, as a Key to Parenting in Crises & Youths Behavioral Problems Today Greg Udo Njoku, 2003
