Oscar Lopez Rivera Between Torture And Resistance:

Between Torture and Resistance Oscar López Rivera, 2013 The life story of Puerto Rican freedom fighter and leader Oscar Lopez Rivera outlined in this book is one of courage valor and sacrifice In 1981 Oscar was convicted of seditious conspiracy and other crimes for which he is still imprisoned making him the longest held political prisoner in the world This is the story of his fight for the political independence of Puerto Rico based on letters between him and the renowned lawyer sociologist educator and activist Luis Nieves Falcón Also included is Oscar's art including photography and paintings created in his many years behind bars Readers will explore his early life as a Latino child growing up in the small towns of Puerto Rico following him as an adolescent as he and his family move to the big cities of the United States After serving in Vietnam and earning a Bronze Star Oscar returned home and worked to improve the quality of life for his people by becoming a community activist which led to his underground life as a Puerto Rican Nationalist and his subsequent arrest With a vivid assessment of the ongoing colonial relationship between the United States and Puerto Rico the book helps to illustrate the sad tale of largely unreported human rights abuses for political prisoners in the United States but it is also a story of hope and his ongoing struggle for freedom for his people and himself a hope that there is beauty and strength in resistance

Oscar López Rivera Oscar López Rivera, 2013-02-14 The story of Puerto Rican leader Oscar Lopez Rivera is one of courage valor and sacrifice A decorated Viet Nam veteran and well respected community activist Lopez Rivera now holds the distinction of being one of the longest held political prisoners in the world Behind bars since 1981 Lopez Rivera was convicted of the thought crime of seditious conspiracy and never accused of causing anyone harm or of taking a life This book is a unique introduction to his story and struggle based on letters between him and the renowned lawyer sociologist educator and activist Luis Nieves Falcón In photographs reproductions of his paintings and graphic content Oscar's life is made strikingly accessible so all can understand why this man has been deemed dangerous to the U S government His ongoing fight for freedom for his people and for himself his release date is 2027 when he will be 84 years old is detailed in chapters which share the life of a Latino child growing up in the small towns of Puerto Rico and the big cities of the U S It tells of his emergence as a community activist of his life underground and of his years in prison Most importantly it points the way forward With a vivid assessment of the ongoing colonial relationship between the U S and Puerto Rico it provides tools for working for Lopez Rivera's release an essential ingredient if U S Latin American relations both domestically and internationally have any chance of improvement Between Torture and Resistance tells a sad tale of human rights abuses in the U S which are largely unreported But it is also a story of hope that there is beauty and strength in resistance In spite of the fact that here the silence from outside is more painful than the solitude inside the cave the song of a bird or the sound of a cicada always reaches me to awaken my faith and keep me going Oscar Lopez Rivera **Oscar López Rivera** Luis Nieves-Falcón, 2013 The life story of Puerto Rican freedom fighter and leader Oscar Lopez Rivera outlined in this book is one

A Puerto Rican Decolonial Theology Teresa Delgado, 2017-09-21 This book explores the themes of identity suffering and hope in the stories of Puerto Rican people to surface the anthropology soteriology and eschatology of a Puerto Rican decolonial theology Using an interdisciplinary methodology of dialogue between literature and theology this study reveals the oppression resistance and theological vision of the Puerto Rican community It demonstrates how Puerto Rican literature and Puerto Rican theology are prophetic voices calling out for the liberation of a suffering people on the island and in the Puerto Rican Diaspora while employing personal Puerto Rican family community stories as an authoritative contextual reference point This work stands within the continuum of contextual theology and diasporic studies of religion in the United States as well as research in the interdisciplinary field of decolonial and post colonial studies

We Have Not Been Moved Elizabeth Betita Martínez, Mandy Carter, Matt Meyer, 2012-10-05 We Have Not Been Moved is a compendium addressing the two leading pillars of U S Empire Inspired by the work of Dr Martin Luther King Jr who called for a true revolution of values against the racism militarism and materialism which he saw as the heart of a society approaching spiritual death this book recognizes that for the most part the traditional peace movement has not been moved far beyond the half century old call for a deepening critique of its own prejudices While reviewing the major points of intersection between white supremacy and the war machine through both historic and contemporary articles from a diverse range of scholars and activists the editors emphasize what needs to be done now to move forward for lasting social change Produced in collaboration with the War Resisters League the book also examines the strategic possibilities of radical transformation through revolutionary nonviolence Among the historic texts included are rarely seen writings by antiracist icons such as Anne Braden Barbara Deming and Audre Lorde as well as a dialogue between Dr King revolutionary nationalist Robert F Williams Dave Dellinger and Dorothy Day Never before published pieces appear from civil rights and gay rights organizer Bayard Rustin and from celebrated U S pacifist supporter of Puerto Rican

sovereignty Ruth Reynolds Additional articles making their debut in this collection include new essays by and interviews with Fred Ho Jose Lopez Joel Kovel Francesca Fiorentini and Clare Bayard David McReynolds Greg Payton Gwendolyn Zoharah Simmons Ellen Barfield Jon Cohen Suzanne Ross Sachio Ko Yin Edward Hasbrouck Dean Johnson and Dan Berger Other contributions include work by Andrea Dworkin Mumia Abu Jamal Starhawk Andrea Smith John Stoltenberg Vincent Harding Liz McAlister Victor Lewis Matthew Lyons Tim Wise Dorothy Cotton Ruth Wilson Gilmore Kenyon Farrow Frida Berrigan David Gilbert Chris Crass and many others Peppered throughout the anthology are original and new poems by Chrystos Dylcia Pagan Malkia M Buzi Moore Sarah Husein Mary Jane Sullivan Liz Roberts and the late Marilyn Buck

White Lives Matter Most Matt Meyer, 2018-10-01 Modern day movements to end racism in the U S seem sadly doomed to fail If more fundamental approaches to social change and more sober analysis of U S history are not considered our efforts will lead to continued fragmentation or worse The essays in this book written by lifelong anti imperialist organizer educator and author Matt Meyer reveal the successful strategies and methods of multigenerational and multitendency coalitions used in recent campaigns to free Puerto Rican and Black Panther political prisoners confront neo Nazis in Charlottesville and many more Meyer s reflections on the need for a new intensified solidarity consciousness and accountability among white folks provide a provocative and urgent challenge These essays some coauthored by Black Lives Matter and Ferguson Truth Telling leaders Natalie Jeffers and David Ragland Puerto Rican professor Ana L pez Muslim interfaith activist Sahar Alsahlani and Afro Asian cultural icon Fred Ho offer up to the minute insights Read on and get ready for hope in the context of hard work

Maroon the Implacable Russell Maroon Shoatz, 2013-04-01 Russell Maroon Shoatz is a political prisoner who has been held unjustly for over thirty years including two decades in solitary confinement He was active as a leader in the Black Liberation Movement in Philadelphia both above and underground His successful escapes from maximum security prisons earned him the title Maroon This is the first published collection of his accumulated written works and also includes new essays written expressly for this volume Despite the torture and deprivation that has been everyday life for Maroon over the last several decades he has remained at the cutting edge of history through his writings His work is innovative and revolutionary on multiple levels His self critical and fresh retelling of the Black liberation struggle in the U S includes many practical and theoretical insights His analysis of the prison system particularly in relation to capitalism imperialism and the drug war takes us far beyond the recently popular analysis of the Prison Industrial Complex contained in books such as The New Jim Crow His historical research and writings on Maroon communities throughout the Americas drawing many insights from these societies in the fields of political and military revolutionary strategy are unprecedented and finally His sharp and profound understanding of the current historical moment with clear proposals for how to move forward embracing new political concepts and practices including but not limited to eco socialism matriarchy and eco feminism food security prefiguration and the Occupy Wall Street movement provide cutting edge challenges for today s movements for social change

The Struggle of Non-Sovereign Caribbean Territories H. Adlai Murdoch, 2021-02-12 The Struggle of Non Sovereign Caribbean Territories is an essay collection made up of two sections in the first a group of anglophone and francophone scholars examines the roots effects and implications of the major social upheaval that shook Guadeloupe Martinique French Guiana and Reunion in February and March of 2009 They clearly demonstrate the critical role played by community activism art and media to combat politico economic policies that generate unemployment labor exploitation and unattended health risks all made secondary to the supremacy of profit In the second section additional scholars provide in depth analyses of the ways in which an insistence on capital accumulation and centralization instantiated broad hierarchies of market driven profit capital accumulation and economic exploitation upon a range of populations and territories in the wider non sovereign and nominally sovereign Caribbean from Haiti to the Dutch Antilles to Puerto Rico reinforcing the racialized patterns of socioeconomic exclusion and privatization long imposed by France on its former colonial territories

Twentieth Century Guerrilla Movements in Latin America Fernando Herrera Calderón, 2021-07-19 Twentieth Century Guerrilla Movements in Latin America A Primary Source History collects political writings on human rights social injustice class struggle anti imperialism national liberation and many other topics penned by urban and rural guerrilla movements In the second half of the twentieth century Latin America experienced a mass wave of armed revolutionary movements determined to overthrow oppressive regimes and eliminate economic exploitation and social injustices After years of civil resistance and having exhausted all peaceful avenues thousands of working class people peasants professions intellectuals clergymen students and teachers formed dozens of guerrilla movements Fernando Herrera Calder n presents important political writings some translated into English here for the first time that serve to counteract the government propaganda that often overshadowed the intellectual side of revolutionary endeavors These texts come from Latin American countries such as Argentina Bolivia Colombia Mexico Nicaragua and many more The book will be

indispensable to anyone teaching or studying revolutions in modern Latin American history Shattered Lives Jeff Ingber, 2018-03-28 On January 24 1975 six young businessmen were enjoying lunch in lower Manhattan's historic Fraunces Tavern when a bomb placed inside the restaurant exploded tearing through the building It had been planted by a group claiming support for Puerto Rican independence known as the FALN the most active domestic terrorist organization in American history Among those businessmen were two sons of immigrants and only children Frank Connor with a wife and two young boys and Alex Berger whose wife was six months pregnant Both were murdered along with two other men while dozens were injured many horrifically Shattered Lives co-authored by Jeff Ingber and Joe Connor Frank Connor's son chronicles the origins of the Puerto Rican independence movement its transformation into a Cuban-led Marxist cause the FALN's decade-long reign of murder and destruction that was a precursor to future domestic terrorism the hunt for the perpetrators by a group of dedicated FBI agents the inexplicable escape from prison by the FALN's chief bombmaker who eventually received asylum in Cuba and the political maneuvering that led to Presidents Clinton and Obama granting clemency to FALN members Through extensive exclusive interviews with survivors and family Shattered Lives describes the devastating impact of the Fraunces Tavern bombing on the Connor and Berger families and its many other victims including NYPD officers uniting them in their struggle to move forward while seeking justice for their loved ones Exposing Torture Hal Marcovitz, 2015-01-01 Torture According to Henry Shue professor of politics and international relations at the University of Oxford in England No other practice except slavery is so universally condemned in law and human convention Yet unlike slavery torture is widespread and growing Why is torture so common Is it an unavoidable component of human psychology Exposing Torture tackles these complex questions delving into the history of torture around the world from the flayings burnings and other methods of torture in ancient societies to the humiliating forms of psychological and sexual torture of the twenty-first century But is torture an effective means of controlling human behavior Can it help root out information about terrorism and prevent loss of human life Over the centuries many people have supported the point of view that it can while others vehemently disagree In this book readers will examine the ethical and moral dilemmas of torture while learning more about the international efforts to ensure the humanitarian treatment of individuals in a variety of circumstances Exposing Torture also delves into the system of international courts and tribunals that work to bring known torturers to trial Readers will hear from victims of torture who not only survived but sought justice and founded organizations to help other victims After reading this in-depth examination readers will be able to make a persuasive argument to answer the question Is torture ever acceptable **Caribbean Revolutions** Rachel A. May, Alejandro Schneider, Roberto González Arana, 2018-06-21 This book provides both a historical introduction and a comparative analysis of the five most important guerrilla movements in the Caribbean Basin between 1959 and the 1990s including Guatemala El Salvador Nicaragua Colombia and Puerto Rico The authors argue that the Cold War shaped and fueled the structure tactics and ideologies of the diverse movements taking

place for the revolutionary cause and address the particular impact that the Cuban Revolution had on the region The first chapter of Caribbean Revolutions provides an introduction to the Cuban Revolution the Cold War and Marxist thought Succeeding chapters analyze each case study individually and also provide discussions on the current political situation for all of the organizations covered in the book that remain active With lists of suggested reading and extra resources in each chapter this is written as an accessible course book for students of Latin American history and politics Puerto Rico and the Origins of U.S. Global Empire Charles R. Venator-Santiago, 2015-03-05 Drawing on a postcolonial legal history of the United States territorial expansionism this book provides an analysis of the foundations of its global empire Charles R Venator Santiago argues that the United States has developed three traditions of territorial expansionism with corresponding constitutional interpretations namely colonialist imperialist and global expansionist This book offers an alternative interpretation of the origins of US global expansion suggesting it began with the tradition of territorial expansionism following the 1898 Spanish American War to legitimate the annexation of Puerto Rico and other non contiguous territories The relating constitutional interpretation grew out of the 1901 Insular Cases in which the Supreme Court coined the notion of an unincorporated territory to describe the 1900 Foraker Act s normalization of the prevailing military territorial policies Since then the United States has invoked the ensuing precedents to legitimate a wide array of global policies including the war on terror Puerto Rico and the Origins of US Global Empire The Disembodied Shade combines a unique study of Puerto Rican legal history with a new interpretation of contemporary US policy As such it provides a valuable resource for students and scholars of the legal and historical disciplines especially those with a specific interest in American and postcolonial studies **Struggle Within** Dan Berger, 2014-04-01 The Struggle Within is an accessible yet wide ranging historical primer about how mass imprisonment has been a tool of repression deployed against diverse left wing social movements over the last fifty years Berger examines some of the most dynamic social movements across half a century black liberation Puerto Rican independence Native American sovereignty Chicano radicalism white antiracist and working class mobilizations pacifist and antinuclear campaigns and earth liberation and animal rights Berger s encyclopedic knowledge of American social movements provides a rich comparative history of numerous social movements that continue to shape contemporary politics The book also offers a little heard voice in contemporary critiques of mass incarceration Rather than seeing the issue of America s prison growth as stemming solely from the war on drugs Berger locates mass incarceration within a slew of social movements that have provided steep challenges to state power **Democracy as Fetish** Ralph Cintron, 2019-12-10 Democracy has long been fetishized Consequently how we speak about democracy and what we expect from democratic governance are at odds with practice With unflinching resolve this book probes the theory of democracy and how the left and right are fascinated by it In this innovative multidisciplinary study Ralph Cintron provides sustained analysis of our political discourse He shows not only how the rhetoric of democracy produces strong desires for social order global wealth and justice

but also how these desires cannot be satisfied Throughout his discussion Cintron includes ethnographic research from fieldwork conducted over the course of twenty years in the Latino neighborhoods of Chicago where he observes both citizens and the undocumented looking to democracy to fulfill their highest aspirations Politicians hand out favors to the elite developers strong arm aldermen and the disenfranchised have little redress The problem Cintron argues is that the conditions required to put democracy into practice territory a bordered nation state citizens property are constituted by inequality and violence because there is no inclusivity that does not also exclude Drawing on ethnography economics political theory and rhetorical analysis Cintron makes his case with tremendous analytic rigor This challenge to reassess the discourses on democracy and to consider democratic politics as always compromised by oligarchy will be of particular interest to political and rhetorical theorists

Human Rights and U.S. Foreign Policy Clair Apodaca,2019-05-08 Human Rights and U S Foreign Policy provides a comprehensive historical overview and analysis of the complex and often vexing problem of understanding the formation of U S human rights policy The proper place of human rights and fundamental freedoms in U S foreign policy has long been debated among scholars politicians and the American public Clair Apodaca argues that the history of U S human rights policy unfolds as a

series of prevarications that are the result of presidential preferences along with the conflict and cooperation among bureaucratic actors Through a series of chapters devoted to U S presidential administrations from Richard Nixon to the present she delivers a comprehensive historical social and cultural context to understand the development and implementation of U S human rights policy For each administration she pays close attention to how ideology bureaucratic politics lobbying and competition affect the inclusion or exclusion of human rights in the economic and military aid allocation decisions of the United States She further demonstrates that from the inception of U S human rights policy presidents have attempted to tell only part of the truth or to reformulate the truth by redefining the meaning of the terms human rights democracy or torture for example In this way human rights policy has been about prevarication Human Rights and U S Foreign Policy is a key text for students which will appeal to all readers who will find a historically informed argument driven account of the erratic evolution of U S human rights policy since the Nixon Administration **Oscar López Rivera** Luis Nieves-Falcón,2011
