Illustrated* Rudolf Steiner, 2025-02-26 Rudolf Joseph Lorenz Steiner 27 or 25 February 1861 30 March 1925 was an Austrian occultist social reformer architect esotericist and

claimed clairvoyant Steiner gained initial recognition at the end of the nineteenth century as a literary critic and published works including *The Philosophy of Freedom*. At the beginning of the twentieth century he founded an esoteric spiritual movement anthroposophy with roots in German idealist philosophy and theosophy. His teachings are essentially Christian Gnosticism. Many of his ideas are pseudoscientific. He was also prone to pseudohistory. Knowledge of the Higher Worlds and its Attainment constitutes a fundamental guide to the anthroposophical path of cognition or knowledge. In human consciousness faculties are sleeping that if awakened lead to life giving wisdom. With great clarity and warmth Rudolf Steiner details the exercises and moral qualities to be cultivated on the path to a conscious experience of supersensible realities.

Contents: The Way of Initiation or How to Attain Knowledge of the Higher Worlds, An Outline of Occult Science, The Philosophy of Spiritual Activity, Christianity as Mystical Fact and the Mysteries of Antiquity, The Spiritual Guidance of Man and of Mankind, Four Mystery Plays, The Education of Children from the Standpoint of Theosophy.

*Spiritual Abuse Recovery* Barbara M. Orlowski, 2010-01-01. What factors contribute to active Christians in ministry leaving their church and becoming exiting statistics? Every year dedicated Christian people leave churches because of spiritual abuse. The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike. Spiritual abuse, the misuse of spiritual authority to maltreat followers in the Christian Church, is a complex issue. This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony. Their spiritual journey shows how one may grow through this devastating experience. This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it. It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership.
