received scant critical and scholarly attention to offer an important new interpretation grounded in indigenous contexts and perspectives Author Drew Lopenzina reexamines a literature that has been compulsively corrected and overinscribed with the norms and expectations of the dominant culture while simultaneously invoking the often violent tensions of contact and the processes of unwitnessing by which Native histories and accomplishments were effectively erased from the colonial record In a compelling narrative arc Lopenzina enables the reader to travel through a history that however familiar has never been fully appreciated or understood from a Native centered perspective Leslie Marmon Silko David L.
