Nothing Down For The 2000s Dynamic New Wealth Strategies In Real Estate:

Nothing Down for the 2000s Robert G. Allen, 2004-09-13 With more than a million copies in print Robert Allen's *Nothing Down for the 90s* has probably helped more people achieve success in real estate than any book in history. Countless numbers of his readers are now financially independent and many actual millionaires attribute their wealth to his techniques. Why has this blockbuster bestseller been so successful? The answer is simple: it works. Now in one of the most practical books you'll ever read, Robert Allen has created effective new wealth strategies for investing in real estate. Real estate remains the one reliable investment in which profits can be made consistently no matter where you live. Whether employment figures and stock prices are high or low, the real estate market never dries up; it is one of the most dynamic income-producing vehicles ever created. The demand for housing will continue to be strong in most areas of the country for the foreseeable future. There will, of course, always be plenty of foreclosures which are great opportunities to purchase properties cheaply. And finally, mortgage qualification today is simpler than ever with new mortgage packages that did not even exist twenty years ago. *Nothing Down for the 2000s* shows you how to locate the best buys, deal with real estate agents and manage properties all with little or no money down. Discover step by step techniques and dynamic strategies to use real estate to build monthly income. Finance bargain properties for equity or cash flow. Guarantee and secure your retirement. Find and profit from foreclosures before they are publicly listed. Sell and trade for maximum gain. Increase property value. Use owner financing to create opportunities. Obtain direct legal tax cuts. Profit from conversions. Develop effective negotiation techniques and much more. Excellent for beginners or experienced investors. *Nothing Down for the 2000s* is the key to generating low risk, high profit wealth and to a potential future of security and financial independence. **The 32 Unbreakable Laws of Money and Success**
