Now Who Do We Blame Political Cartoons By Tom Toles:

Now Who Do We Blame? Tom Toles, 2005 My cartoons are my best appraisal of a situation presented in the funniest or most compelling way I can Read my cartoons What I have to say is in them Tom Toles It s been a decade since political cartoonist Tom Toles collected his panels in book form He s had a busy decade and plenty of time to further sharpen both his wit commentary and pen NOW Who Do We Blame presents an editorial master at the top of his game in all of his whimsical sometimes scathing and always insightful glory Toles editorial cartoonist for the Washington Post includes his favorite frames from the past His subjects include the 9 11 Commission the 2004 presidential election terrorism the Middle East conflict Yasser Arafat Afghanistan Iraq and of course George W Bush The collection title in fact comes from a panel showing Bush at his desk covered with miniatures of the GOP White House GOP Senate GOP House and GOP Supreme Court Now who do we blame asks the puzzled Commander in Chief Such is the humor satire and intelligence of one of the most accomplished and widely read political cartoonists working today Toles who draws himself as the artist working in the lower right corner of his panels takes on every issue and every powerbroker that crosses the national screen **The Comics Journal** ,2006

Attitude Ted Rall, 2002 This inspired collection of political cartoons laughs in the face of the mainstream political cartoons featured in daily newspapers that make lame jokes about the news while sucking up to the corporations that own them This collection features the next generation of artists out to save the world artists whose cartoons run in the hottest and most subversive alternative papers around the US This collection includes hundreds of cartoons and interviews with over 20 of the best in young alternative really political comic art In b w throughout Joyce in the Belly of the Big Truck; Workbook Joyce

A. Cascio, 2005-05 *Congressional Record* United States. Congress, 1993 **Target** ,1981 **Subject Guide to Books in Print** ,1971 **Curious Avenue** Tom Toles, 1993 Cartoons offer a humorous look at modern life from the point of view of a group of children **Bok!** Chip Bok, 2002 Has the world changed since September 11 2001 It has for at least one band of subversive operatives who scheme in the shadows to ambush politicians I m speaking of course of the small yet poorly organized cells of individuals who take advantage of the freedoms this nation provides in order to carry out their roles as political cartoonists I m one of them and this is my story I ve operated inside these borders for many years confounding immigration officials by the simple yet elegant strategy of being born here The primary targets of my drawing have always been the leaders of my own government from city council to Congress to the president That s what cartoonists do and that s what the public expects of us But what happens when an enemy force attacks the government not with sarcasm and satire but with commercial aircraft loaded with jet fuel and destroys national landmarks in New York City and Washington D C killing thousands of people In the immediate aftermath of the September 11 attack a lot of things changed and I felt like one of them was my job description No more mucking around with Gary Condit The social security lock box was now a dead issue And while it was tempting to make something of the president s disappearing act in Air Force One on that day it s tough to

attack the commander in chief when the United States itself has just been attacked This book contains a collection of my cartoons from that day forward *Line of Fire* Jim Morin,1991 **Top of the Ticket** David Horsey,2016-12-02 Pulitzer Prize winning political cartoonist David Horsey gathers together more than 100 of his cartoons to tell the tale of Barack Obama s second term and the historic and hysterical presidential campaign of 2016 Over the last four years Horsey was on the the scene and on top of events as a member of the National Staff of the Los Angeles Times He observed it all Obamacare birthers climate change Black Lives Matter ISIS Brexit Putin Bernie Hillary and of course the incredible human cartoon Donald Trump There may be no better way to chronicle our current bizarre era in American history than through political cartoons and Horsey is a nationally recognized grand master of the art **When Hate Took Over** Paul Jamiol,2023-02-18 Editorial cartoonist Paul Jamiol s fourth book of political cartoons represents his take on the world and on those in that world who should be scrutinized a little closer for their words and deeds Upheaval divisiveness and a new Administration were hallmarks of the years 2017 2019 in which Americans were affected profoundly This book is Jamiol s recording of that period in a selection of 150 cartoons Jamiol s pursuit of honesty is relentless We need to care about our fellow Americans not denigrate them or beat them down and if that s happening we need to bring it out into the light Like all his books this collection strives to be a truthful recording of the rising tide of spin from the White House occupant his ilk and the Right wing media revisionists who want to slide things past the American people These falsehoods come in waves that never seems to stop They try to penetrate the American consciousness hoping lies will be accepted as the truth Hopefully this book of cartoons will turn the tide and hold some waves back so Jamiol s non revisionist telling of events might also be heard This book won t change your perception of the world It will only show you how Jamiol perceives the world Whether you agree with his handling of an issue you will be captivated by his creativity poignancy toughness and honesty It targets readers interested in politics issues a cartoonist s take on the world or are just curious about our changing political landscape Visual commentary can highlight an issue more clearly than the written word **Organized Chaos** Tom Stiglich,2018-05-23 Editorial Cartoons covering the controversial 2016 Presidential Election along with current social and domestic issues
