*Book 2: Futuristic Rugby League* Bert Holcroft, 2019-05-17 The Holcroft saga is a rugby story the likes of which may never have been equaled in the history of the game. It begins over a century ago when Mr George Holcroft was given charge of Leigh St Peters RLFC in 1889. He married and when his family grew up Jack, Harry, William and Tom all played for local teams. They married and George's grandsons Bert and Bill also played. Bert Holcroft has been a distinguished servant of the game of rugby all his life. He holds coaching certificates from both the Australian and British governing bodies, one of only a handful of men to achieve such an honor in the game's history. For twenty odd years Bert Holcroft has had one of the unlikeliest jobs in sports: teaching Australian rugby coaches how to coach. Considering the Australian dominance of World Rugby in recent years that might seem at par with taking coal to Newcastle. But make no mistake Bert Holcroft has done as much as anyone to ensure Australia's reemergence as a major rugby power. On the face of it Australia wouldn't seem to need any outside help, let alone from a Pom. Their record of only one test defeat since 1978 speaks for itself. But Bert's reputation is nationwide down under, quite simply he's one of the best in the business. Bert who played for Leigh between 1950 and 1960 has spent much of his later years down under lecturing to top grade coaches in New South Wales. [English Workbook](#)

Kristine Brown, 2005 *Excel Basic Skills English Workbook Year 5* will help you with the writing you do every day at school in English and in other subjects. Each chapter looks at a different type of writing. Some are imaginative text types such as narratives and poems. Others are factual text types such as reports and explanations. All the chapters begin with a sample text. Make sure you read the sample text carefully and look at the special features marked on it. You should then try the activities that follow. These give you guidance and practice in writing a similar type of text. Some activities help you with grammar and punctuation. Others focus on words: the way they are spelt and what they mean. Some activities are just for fun. Each chapter ends with activities that help you write a complete text yourself. The Excel series of English Workbooks for Years 3-6 will help primary school students with the reading and writing they do every day at school in English and in other subjects. Each chapter is set out as a separate unit of work covering a different type of writing, text type and contains exercises that relate to that particular text type. In this book you will find eleven chapters, each set out as a unit of work covering a particular text type such as narratives, letters, speeches and information reports, including a chapter on writing for school projects, exercises and activities in each chapter which are directly linked to the text type covered, practice in skills such as spelling, grammar, vocabulary, punctuation and comprehension, interesting and relevant sample texts including many written by Year 5 students with important features highlighted.
