Nuggets Life David Israel Reality:

Eternal Nuggets Mark Nyarko, 2018-08-30 It is generally known that the spirit realm is the transcendent or absolute reality that actually gave birth to our temporal reality or what we know to be physical material temporary realm Because our existence owes its source to the spiritual realm the latter is actually what dictates events in our realm It takes no effort to realize that not only is the bible an integrated message but also one that has its origins in another dimension of existence beyond what we are accustomed to Have you wondered how the Bible accurately describes scientific phenomena millennia before science arrived on the planet How on earth did Moses know how the world was created when no man was on the scene at the beginning of creation It does not take a genius to fathom that there has to be a supreme being a God out there who is the source and sustainer of all life Like I said earlier on whether we are aware or not life in this temporary material realm is influenced even directed from another realm the spiritual That is why it is important that we understand this realm and cooperate with it to get it to work with and for us Paul wrote in 2 Corinthians 4:18 While we do not look at the things which are seen but at the things which are not seen For the things which are seen are temporary but the things which are not seen are eternal He is saying that our focus should be on the unseen eternal realm which is the real reality because that is permanent as opposed to this realm that is but a passing shadow The need to focus on the things that don't change becomes even more crucial because of the sheer amount and complexity of change that we have to contend with in our lives Changes in technology science medicine career and the work place are so fast and complex that we need something strong enough to provide the necessary moorings to hold our lives in place and provide the necessary balance to our lives if we are not to be swept away by the change Even though change is unsettling disruptive and can be scary even good change it brings opportunities and progress So how do we maintain our sanity and embrace the necessary change It is my conviction that we do this by turning to and focusing on the things that do not change The things that do not change include God and his word humans in our basic makeup and constitution and our biological makeup and sexuality family society relationships parenting etc Of course the way these may be defined may change over time but the fact is that they are there This is why it is important to access the right information from the source of this realm the spirit realm to influence and direct our lives in this realm because even though the way man has come to view certain things may have changed over time the spirit realm is not subject to same change as this This is the reason why it is important to know God's truth on every issue of life and apply it accordingly Now the Bible says that Jesus is the only legitimate door to the spirit realm According to John 10:9-10 Jesus says I am the door If anyone enters by me he will be saved and will go in and out and find pasture The thief does not come except to steal and to kill and to destroy I have come that they may have life and that they may have it more abundantly He is the only authorized dealer mandated by God to take people into the Father's presence and hence the only mediator between man and God As you embrace the truths enshrined in this book understand that you are calling on a power greater than

yourself from a source beyond this temporal realm to intervene in your life and that of your family Make the truths enshrined in Eternal Nuggets your truths by incorporating them into your life and see the invisible but real hand of God move in your life to bring much needed blessing peace and contentment into every area of your life *Nuggets from the Life of David - The King of Israel* Ricardo Holloway,2015-06-23 Reality TV has allowed us to look into the lives of our favorite celebrities and the lives of everyday people We have seen their strengths and their weaknesses We have seen their successes and even their failures Reality TV is a new global sensation but this is not new to God Through the scriptures God has allowed us to look into the lives of kings queens warriors and everyday people who dared to believe in God God s intent of a reality view of His biblical persons and people is to strengthen and educate us in life We can learn from their successes and failures be encouraged by their faith and humbled by their fears and disappointments Therefore let s take a reality view of biblical people in The Reality Series Ricardo Holloway is an accomplished Author Pastor Teacher Preacher Musician Songwriter and Christian Music Artist *Nuggets from the Life of David - The King of Israel* Ricardo Holloway,2015-12-03 Reality TV has allowed us to look into the lives of our favorite celebrities and the lives of everyday people We have seen their strengths and their weaknesses We have seen their successes and even their failures Reality TV is a new global sensation but this is not new to God Through the scriptures God has allowed us to look into the lives of kings queens warriors and everyday people who dared to believe in God God s intent of a reality view of His biblical persons and people is to strengthen and educate us in life We can learn from their successes and failures be encouraged by their faith and humbled by their fears and disappointments Therefore let s take a reality view of biblical people in The Reality Series Ricardo Holloway is an accomplished Author Pastor Teacher Preacher Musician Songwriter and Christian Music Artist **What Did the Biblical Writers Know and When Did They Know It?** William G. Dever,2001-05-10 For centuries the Hebrew Bible has been the fountainhead of the Judeo Christian tradition Today however the entire biblical tradition including its historical veracity is being challenged Leading this assault is a group of scholars described as the minimalist or revisionist school of biblical studies which charges that the Hebrew Bible is largely pious fiction that its writers and editors invented ancient Israel as a piece of late Jewish propaganda in the Hellenistic era In this fascinating book noted Syro Palestinian archaeologist William G Dever attacks the minimalist position head on showing how modern archaeology brilliantly illuminates both life in ancient Palestine and the sacred scriptures as we have them today Assembling a wealth of archaeological evidence Dever builds the clearest most complete picture yet of the real Israel that existed during the Iron Age of ancient Palestine 1200 600 B C Dever s exceptional reconstruction of this key period points up the minimalists abuse of archaeology and reveals the weakness of their revisionist histories Dever shows that ancient Israel far from being an invention is a reality to be discovered Equally important his recovery of a reliable core history of ancient Israel provides a firm foundation from which to appreciate the aesthetic value and lofty moral aspirations of the Hebrew Bible **NKJV, The Bible Study Bible** Sam O'Neal,2023-06-06
