Online Safekeeping Karen Hesse:

Safekeeping Karen Hesse, 2025-09-23 Radley's parents had warned her that all hell would break loose if the American People's Party took power. And now with the president assassinated and the government cracking down on citizens, the news is filled with images of vigilante groups, frenzied looting, and police raids. It seems as if all hell has broken loose. Coming back from volunteering abroad, Radley just wants to get home to Vermont and the comfort and safety of her parents. Travel restrictions and delays are worse than ever, and by the time Radley's plane lands in New Hampshire, she's been traveling for over twenty-four hours. Exhausted, she heads outside to find her parents, who always come day or night, no matter when or where she lands aren't there. Her cell phone is dead, her credit cards are worthless, and she doesn't have the proper travel papers to cross state lines. Out of money and options, Radley starts walking. Illustrated with 50 of her own haunting and beautiful photographs, this is a vision of a future America that only Karen Hesse could write: real, gripping, and deeply personal.

Reading lists are organized around topics including Adoption and foster care, Body image, Immigration, Learning challenges, LGBTQIA youth, Mental health, Nature and environmentalism, Physical disability, Poverty and homelessness, Race and ethnicity, Religion and spirituality. Each chapter explores a particular issue affecting preteens and teens today and includes a list of recommended related books, all published within the last decade. Recommendations are grouped by age: those appropriate for middle-grade readers and those for teens. **Better with Books** is a valuable resource for parents, teachers, librarians, therapists, and all caregivers who recognize the power of literature to improve young readers' lives.
