The Ransomware Hunting Team Renee Dudley, Daniel Golden, 2022-10-25 A real life technological thriller about a band of eccentric misfits taking on the biggest cybersecurity threats of our time What Michael Lewis did for baseball in *Moneyball* Renee Dudley and Daniel Golden do brilliantly for the world of ransomware and hackers Cinematic big in scope and meticulously reported this book is impossible to put down Doug Stanton New York Times bestselling author of *In Harm s Way* and *Horse Soldiers* Scattered across the world an elite team of code crackers is working tirelessly to thwart the defining cyber scourge of our time You ve probably never heard of them But if you work for a school a business a hospital or a municipal government or simply cherish your digital data you may be painfully familiar with the team s sworn enemy ransomware Again and again an unlikely band of misfits mostly self taught and often struggling to make ends meet have outwitted the underworld of hackers who lock computer networks and demand huge payments in return for the keys The Ransomware Hunting Team traces the adventures of these unassuming heroes and how they have used their skills to save millions of ransomware victims from paying billions of dollars to criminals Working tirelessly from bedrooms and back offices

and refusing payment they've rescued those whom the often hapless FBI has been unwilling or unable to help. Foremost among them is Michael Gillespie, a cancer survivor and cat lover who got his start cracking ransomware while working at a Nerds on Call store in the town of Normal, Illinois. Other teammates include the brilliant reclusive Fabian Wosar, a high school dropout from Germany who enjoys bantering with the attackers he foils, and his protégé the British computer science prodigy Sarah White. Together they have established themselves as the most effective force against an escalating global threat. This book follows them as they put their health, personal relationships, and financial security on the line to navigate the technological and moral challenges of combating digital hostage taking.

Urgent uplifting and entertaining. Renee Dudley and Daniel Golden's *The Ransomware Hunting Team* is a real-life technological thriller that illuminates a dangerous new era of cybercrime.

It's Your First Crush, Charlie Brown! Charles Schulz, 2007. Charlie Brown panics when selected to escort the homecoming queen to the big post-football game dance.
