Beginner's Guide Mary Cooch, 2012-01-01 This book is part of Packt's Beginner's Guide series. Written in a friendly tone, the book starts at the very beginning with a blank Moodle page and you are taken step by step through the most useful features of Moodle, helped with many illustrative screenshots. This book is for regular, non-technical teachers of pre-teen or early teenage children. It assumes no prior knowledge of Moodle and no particular expertise on the web. Classroom assistants may also find this book a very useful resource. We will assume that you have an installation of Moodle managed by somebody else, so you are responsible only for creating and delivering course content. *The Urban Gaze: Exploring Urbanity through Art, Architecture, Music, Fashion, Film and Media*

Silvia Mazzucotelli Salice, 2019-01-04 This volume was first published by Interdisciplinary Press in 2016. This volume is designed to introduce readers to the interactions and crossovers between culture and the city. The volume in fact intends to investigate urbanity as a cultural form on the basis of a broader and geographically representative collection of case studies. In particular, it offers a stimulating range of interdisciplinary perspectives showing that urban space manifests itself as an interpretative gaze anchored in human life, not just as something to look at but as a cultural form to live in socially.
