Online Hattin Great Battles John France:

Hattin John France, 2015-10-22 On 4 July 1187 the legendary Muslim leader Saladin destroyed the Crusader army of the Latin Kingdom of Jerusalem with a terrible slaughter at the battle of Hattin and went on to restore the Holy City of Jerusalem to Islamic rule. The carnage at Hattin was the culmination of almost a century of religious wars between Christian and Muslim in the Holy Land. It had enormous consequences for the whole medieval world because it produced an intensification of holy war between Islam and Europe for over another century and in retrospect marked the beginning of the end for the Crusader presence in the Middle East. In the 20th century memory of the battle was revived as a symbol of Arab hope for liberation from Crusader Imperialism and in the 21st it has become a rallying cry for radical Muslim fundamentalists in their struggle for the soul of Islam. In this new volume in the Great Battles series John France analyses the origins and course of this pivotal battle illuminating the roots of the bitter hatred which underlay it and explains its significance in world history from medieval times to the present. **Journal of Medieval Military History** John France, Kelly DeVries, Clifford J. Rogers, 2016-10-20

This volume focuses on the idea of proxy actors and irregular forces in medieval warfare with contributions on the military role of non noble combatants. Muslim responses to the Crusades and foreign fights in North African states and Byzantium. **Saladin** John Man, 2025-04-08 In this authoritative biography historian John Man brings the Muslim hero and his world to life with vivid detail in a rollicking good story. Justin Marozzi author of *The Way of Herodotus*. Saladin remains one of the most iconic figures of his age. As the man who united the Arabs and saved Islam from Christian crusaders in the twelfth century he is the Islamic world's preeminent hero. A ruthless defender of his faith and brilliant leader he also possessed qualities that won admiration from his Christian foes. But Saladin is far more than a historical hero. Builder, literary patron and theologian he is a man for all times and a symbol of hope for an Arab world once again divided. Centuries after his death in cities from Damascus to Cairo and beyond to the Arabian Peninsula and the Gulf Saladin continues to be an immensely potent symbol of religious and military resistance to the West. He is central to Arab memories, sensibilities and the ideal of a unified Islamic state. John Man charts Saladin's rise to power, his struggle to unify the warring factions of his faith and his battles to retake Jerusalem and expel Christian influence from Arab lands. Saladin explores the life and enduring legacy of this champion of Islam while examining his significance for the world today. A tale about the life of a man and the passions that drove him. *Roanoke Times*. A worthy biography of an important Muslim hero. *Foreword Reviews*. Superb and eminently readable. *Chicago Tribune's Printers Row*. This book will appeal to anyone interested in the Crusades or medieval history. *Library Journal*. **The Crusader States and Their Neighbours** Nicholas Morton, 2020 *The Crusader States and their Neighbours* is a region wide military history of the Near East at the time of the early Crusades 1099-1187. It explores the major military events of this period from the sieges of Aleppo, Damascus and Cairo to the battle of Hattin, offering substantial revisions to many key orthodoxies concerning the crusades.
