Online Sweet Sorrow Mark Wakely:

Sweet Sorrow Mark Wakely,2008-05-01 This remarkable book at times heart breaking at times humorous is dazzling for its profound honesty Like most of us Mark Wakely had always put death in the too hard basket Around death he was painfully awkward strangely self conscious death shy He was curiously distanced from his own parents deaths Thirty years later he went on a journey to confront one of the most intensely personal yet universal experiences our own mortality With Mark as our guide we are introduced to morticians and embalmers rabbis and doctors coffin makers and gravediggers He reveals the fashions and the fads the rituals and the deep emotion in a heartfelt and whimsical investigation into this timeless subject All you need to pack for the trip is a curiosity about life
