The Internet Is for Cats Jessica Maddox,2022-10-14

LOL cats Grumpy Cat Dog rating Twitter Pet Instagram accounts It's generally understood the internet is for pictures of cute cats and dogs and otters and pandas But what motivates people to make and share these images and how do they relate to other online social practices The Internet is for Cats examines how animal images are employed to create a lighter more playful mood uniting users within online spaces that can otherwise easily become fractious and toxic Placing today's pet videos photos and memes within a longer history of mediated animal images communication scholar Jessica Maddox also considers the factors that make them unique She explores the roles that animals play within online economies of cuteness and attention as well as the ways that animal memes and videos respond to common experiences of life under neoliberalism Conducting a rich digital ethnography Maddox combines observations and textual analysis with extensive interviews of the people who create post and share animal media including TikTok influencers seeking to make their pets famous activists tweeting about wildlife conservation and Redditors upvoting every cute cat photo The Internet is for Cats will leave you with a new appreciation for the human social practices behind the animal images you encounter online

Navigating Social Journalism Martin Hirst, 2018-10-17 Public trust in the once powerful institutions of the News Establishment is declining Sharing curating and producing news via social media channels may offer an alternative if the difficult process of verification can be mastered by social journalists operating outside of the newsroom *Navigating Social Journalism* examines the importance of digital media literacy and how we should all be students of the media Author Martin Hirst emphasizes the responsibility that individuals should take when consuming the massive amounts of media we encounter on a daily basis This includes information we gather from online media streaming podcasts social media and other formats The tools found here will help students critically evaluate any incoming media and in turn produce their own media with their own message This book aims both to help readers understand the current state of news media through theory and provide practical techniques and skills to partake in constructive social journalism

Power of Bonding and Non-Western Emerging Great Powers Engagement Md. Nazmul Islam, 2023-10-30 In international politics states often strive to maintain their position through either cooperation or force Soft power theory has emerged as a non-violent approach for states to achieve national interest by utilizing intangible resources China and India have both successfully employed soft power strategies to expand their influence and Pakistan is a relevant case study for examining the soft power of China and India as it neighbors both countries The withdrawal of the United States from Afghanistan has raised questions about how India and China will engage and cooperate in dealing with Pakistan as well as how they will fill the regional gap left by the US Nazmul Islam considers Joseph S Nye's Soft Power theory and develops a new idea of Power of Bonding based on non-Western perspectives to examine India and China's soft power strategy on Pakistan Additionally it evaluates their areas of influence and soft power strategy in three thematic areas political and diplomatic engagement cultural attributions and attraction for power bonding and economic partnerships To accomplish these objectives the study relies on various research methods including content

analysis of articles published in Pakistan's Dawn newspaper and one on one interviews with participants from Pakistan India and China

The End of the End of History Alex Hochuli, George Hoare, 2021-06-25 It's been a long time since a text was so useful in helping me think through our present moment and my role within it The End of The End of History is a clear powerful and panoramic analysis of our world at the dawn of the 2020s Vincent Bevins author The Jakarta Method The End of History is over The idea that Western liberal democracy was the final form of human government has been exposed as bluster the old order is crumbling before our eyes Angry anti politics have arisen to threaten political establishments across the world Elites have fallen into hysteria blaming voters populism Putin Facebook anyone but themselves They are suffering from Neoliberal Order Breakdown Syndrome Emerging from four years of interviews and debates on the popular global politics podcast Aufhebung Bunga The End of the End of History examines how the political consequences of the 2008 financial crisis have come home to roost If Trump and Brexit shattered the liberal democratic consensus in 2016 then the global pandemic of 2020 put a final end to the End of History Politics is back but it's stranger than ever Civil Rights Music Reiland Rabaka, 2016-05-03 While there have been a number of studies that have explored African American movement culture and African American movement politics rarely has the mixture of black music and black politics or rather black music as an expression of black movement politics been explored across several genres of African American movement music and certainly not with a central focus on the major soundtracks of the Civil Rights Movement gospel freedom songs rhythm blues and rock roll Here the mixture of music and politics emerging out of the Civil Rights Movement is critically examined as an incredibly important site and source of spiritual rejuvenation social organization political education and cultural transformation not simply for the non violent civil rights soldiers of the 1950s and 1960s but for organic intellectual artist activists deeply committed to continuing the core ideals and ethos of the Civil Rights Movement in the twenty first century Civil Rights Music The Soundtracks of the Civil Rights Movement is primarily preoccupied with that liminal in between and often inexplicable place where black popular music and black popular movements meet and merge Black popular movements are more than merely social and political affairs Beyond social organization and political activism black popular movements provide much needed spaces for cultural development and artistic experimentation including the mixing of musical and other aesthetic traditions Movement music experimentation has historically led to musical innovation and musical innovation in turn has led to new music that has myriad meanings and messages some social some political some cultural some spiritual and indeed some sexual Just as black popular movements have a multiplicity of meanings this book argues that the music that emerges out of black popular movements has a multiplicity of meanings as well Ideas on the Move in the Social Sciences and Humanities Gisèle Sapiro, Marco Santoro, Patrick Baert, 2020-04-06 This edited collection analyses the reception of a selection of key thinkers and the dissemination of paradigms theories and controversies across the social sciences and humanities since 1945 It draws on data collected from textbooks curricula interviews archives and

references in scientific journals from a broad range of countries and disciplines to provide an international and comparative perspective that will shed fresh light on the circulation of ideas in the social and human sciences The contributions cover high profile disputes on methodology epistemology and research practices and the international reception of theorists that have abiding and interdisciplinary relevance such as Antonio Gramsci Hannah Arendt Karl Polanyi Pierre Bourdieu Michel Foucault Edward Said and Gayatri Spivak This important work will be a valuable resource to scholars of the history of ideas and the philosophy of the social sciences in addition to researchers in the fields of social cultural and literary theory

Adivasi or Vanvasi Kamal Nayan Choubey, 2025-05-16 An extremely important and timely book Nandini Sundar Professor Department of Sociology Delhi University Akhil Bhartiya Vanvasi Kalyan Ashram popularly known as Vanvasi Kalyan Ashram or VKA is the tribal wing of Rashtriya Swayamsevak Sangh RSS As the largest tribal organization in the country it works in many areas of Kerala Jharkhand and the North east of India Till the late 1970s VKA's work was limited to a few districts of Chhattisgarh then Madhya Pradesh Jharkhand then Bihar and Odisha but it has gradually and continuously expanded its footprint in different parts of the country It is noteworthy that from its inception VKA focused on spreading Hindu values by organizing religious rituals in tribal areas and working in the area of education and hostels It has tirelessly worked to provide medical help to the tribals from the mid 1960s However after the late 1970s it started to work in different aspects of tribal communities lives By the 1990s it also formally began to raise questions related to the rights of tribal communities over forest land and its resources Exploring its genesis historical journey the nature of ideological discourse and various functions of the VKA this book opens a window to the contribution of an organization which largely remained untold and therefore unknown Deeply researched and evocative *Adivasi or Vanvasi* would immensely interest anyone interested to understand modern India's history politics and changing landscape of Indian society

In Sardinia Jeff Biggers, 2023-05-16 Mr Biggers is an enthusiastic and erudite guide Seeking out the past in local lore and in Sardinia's long and overlooked literary tradition he returns the island to the center of our imaginative map of the Mediterranean The Wall Street Journal At last a grand companion to the mysterious and enchanting island of Sardinia Written with verve and love *In Sardinia* is the book I'll be taking on future trips Frances Mayes New York Times bestselling author of *Under the Tuscan Sun* Award winning historian Jeff Biggers opens a new window into the hidden treasures of Sardinia in a groundbreaking travel narrative that crisscrosses one of the most enigmatic places in Italy After three decades of living and traveling in Italy Jeff Biggers finally crossed over to Sardinia uncovering a treasury of stories amid major archaeological discoveries rewriting the history of the Mediterranean Based in the bewitching port of Alghero guided through the island's rich and largely untranslated literature he embarked on a rare journey around the island to experience its famed cuisine wine traditional rituals and thriving cultural movements Sardinia is something else Enchanting spaces and distances to travel D H Lawrence wrote in 1921 On the 100th anniversary of Lawrence's visit Biggers opens a new window into the history of the island chronicling how new archaeological findings

have placed the island as one of the cradles of the Bronze Age From the Neolithic array of Stonehenge like dolmens and menhir stone formations to the thousands of Bronze Age nuraghe towers and burial tombs the vastness of the uninterrupted cycles of civilizations and their architectural marvels have turned Sardinia into the Mediterranean's open museum Beyond its fabled beaches reconsidering how its unique history and ways have shaped Italy and Europe today Biggers explores how travelers must first understand Sardinia and its ancient and modern history to truly understand the rest of Italy In the tradition of Mark Kurlansky's *Basque History of the World* Peter Hessler's *Oracle Bones A Journey Through in China* and Frances Mayes and Tim Parks narratives on Italy *In Sardinia* is a major new addition to travel writing and literature in Italy

Narratives on Becoming Emilie Clucas Leaderman, Jennifer S. Jefferson, Jo Ann Gammel, Sue L. Motulsky, Amy Rutstein-Riley, 2021-07-01 Learning and identity development are lifetime processes of becoming The construction of self of interest to scholars and practitioners in adult development and adult learning is an ongoing process with the self both forming and being formed by lived experience in privileged and oppressive contexts Intersecting identities and the power dynamics within them shape how learners define themselves and others and how they make meaning of their experiences in the world The series *I Am What I Become Constructing Identities as Lifelong Learners* is an insightful and diverse collection of empirical research and narrative essays in identity development adult development and adult learning The purpose of this series is to publish contributions that highlight the intimate and intricate connections between learning and identity The series aims to assist our readers to understand and nurture adults who are always in the process of becoming We hope to promote reflection and research at the intersection of identity and adult learning at any point across the adult lifespan The rich array of qualitative research designs as well as autobiographic and narrative essays transform and expand our understanding of the lived experience of people both like us and unlike us from the U S and beyond *Narratives on Becoming Identity and Lifelong Learning Volume Three* of the series explores a myriad of ways that authors' personal and professional growth has influenced identity development These chapters provide insights into the intersectional identities and learning of writers Drawing from the multiple paths that comprise the journey of lifelong learning these authors present powerful stories that identify the ways relationships environments culture travel and values shape their identities use literacy teaching and learning as vehicles for experimenting with new identities negotiate multiple identities contexts and transitions involved in becoming and construct meaning Through their narrative essays and ethnographic autobiographical accounts the authors in this volume illuminate the power of transformational learning during life changing events and transitions Praise for *Narratives on Becoming Identity and Lifelong Learning* The third volume in the *I Am What I Become* series *Narratives on Becoming Identity and Lifelong Learning* invites readers into the lives of educators from around the world This book includes important narratives from students secondary educators and post secondary educators alike highlighting how race class gender and a wide range of other intersectional identities shape the diverse lived experiences of educators and their students

This volume also serves as an important reminder for all of us that the learning process continues across a lifetime and transcends the limits of the traditional classroom Brian Bicknell President Manchester Community College We all pay lip service to the importance of lifelong learning but what is it exactly and how does it come about The connections between identity and learning are intriguing and complex especially when it comes to adult learners In this very thoughtfully organized collection researchers present qualitative and narrative studies along with personal narratives to explore identity development in formal and informal learning environments Contributions from varied cultural contexts most with powerful and moving stories to tell provide insight into how identity meaning making and adult learning and development intersect and influence each other Psychologists scholars and educators interested in identity development and meaning making will find inspiration and fresh understanding in this innovative and enlightening series Ruthellen Josselson Author *Paths to Fulfillment Women's Search for Meaning and Identity* This innovative series on adult development is inspiring and substantive We hear voices from the margins and stories of courage We read identity formation narratives by young adults and experienced professionals who share impressive capacities for transparency vulnerability and self reflection Many of the narratives are embedded in rigorous qualitative research that highlights diverse ways that identity is shaped through social positionality lived experience the quest for individuation and willingness to encounter life as a dynamic learning process Jared D Kass Lesley University Author *A Person Centered Approach to Psychospiritual Maturation Mentoring Psychological Resilience and Inclusive Community in Higher Education* **The Legacy of Cornelius Cardew** Tony Harris, 2016-03-03 Cornelius Cardew is an enigma Depending on which sources one consults he is either an influential and iconic figure of British musical culture or a marginal curiosity a footnote to a misguided musical phenomenon He is both praised for his uncompromising commitment to world changing politics and mocked for being blindly caught up in a maelstrom of naive political folly His works are both widely lauded as landmark achievements of the British avant garde and ridiculed as an archaic and irrelevant footnote to the established musical culture Even the events of his death are shrouded in mystery and lack a sense of closure As long ago as 1967 Morton Feldman cited Cardew as an influential figure central to the future of modern music making The extent to which Cardew has been a central figure and a force for new ideas in music forms the backbone to this book Harris demonstrates that Cardew was an original thinker a charismatic leader an able facilitator and a committed activist He argues that Cardew exerted considerable influence on numerous individuals and groups but also demonstrates how the composer's significance has been variously underestimated undermined and misrepresented Cardew's diverse body of work and activity is here given coherence by its sharing in the values and principles that underpinned the composer's world view The apparently disparate and contradictory episodes of Cardew's career are shown to be fused by a cohesive Cardew aesthetic that permeates the man his politics and his music C.L.R. James's Notes on Dialectics John H. McClendon, 2005-01-01 John H McClendon III's CLR James's Notes on Dialectics Left Hegelianism or Marxism Leninism is

the first ever book devoted exclusively to James's magnum opus Notes on Dialectics Hegel Marx Lenin The seed for this study was planted over thirty years ago when James handed the author his personal copy of Notes James's contribution to dialectical philosophy and his vast intellectual and scholarly output is rivalled only by the seemingly bottomless depths of McClendon's own analysis and erudition McClendon provides a thorough going critique of James's exploration into the dialectic of Hegel Marx and Lenin while challenging all the seminal texts on James's Notes A book of this magnitude is rare This is ever more the truth when it is focused on a giant like James who stands at the nexus of so many disciplines philosophy history sociology Caribbean studies cultural studies African and African American studies CLR James's Notes on Dialectics Left Hegelianism or Marxism Leninism is a must read for anyone concerned with how revolutionary theory is a guide to contemporary struggles
