Trident Security has grown by leaps and bounds and to accommodate the increased caseload they've compiled a team of seven the best of the best from military and law enforcement backgrounds. But before they're turned out to handle their own assignments the six men and one woman must first prove they're a cohesive and capable unit. When the wilderness training mission turns into a real life rescue op will they all survive? This novella is a bridge between the original Trident Security TS series and the spinoff series Trident Security Omega Team. While it is not necessary to read the original TS series or this prequel before the Omega Team series it will give the reader more insight and background into the members of Trident Security. A Dead Man's Pulse TS Omega Team Book 1 PTSD threatens to destroy a Marine's promising future at Trident Security. POW First Sergeant Logan Reese is rescued in Afghanistan just hours before he meets the same fate as his murdered teammates. The aftermath of the mission gone wrong forces his retirement from the military much sooner than planned. He didn't expect a civilian job offer that could give him a new purpose in life or to meet someone who could make him feel like a virile man again. Officer Dakota Swift has worked hard to prove she belongs with the big boys on Tampa PD but it hasn't been easy. A local serial killer gives her the opportunity to get her feet wet in undercover work as bait. But when she's assigned to the joint task force between TPD, the FBI and Trident Security she doesn't expect to be attracted to her handsome new partner Logan. Until the identity of the Kink Killer is discovered no woman in the alternative lifestyle community is safe. With the body count rising will he be caught before he claims his next victim? Salvaging His Soul Trident Security Book 11 Think you know everything about the Sexy Six Pack? Think again. This is the story fans will never see coming. Jaws will drop and hearts will pound because nothing is as it seems. Jase is a man with a forgotten past and an unsure future. Unable to return to the United States he lives on the island of Caicos spending his time sitting in a bar drinking, scuba diving for sunken treasure and working as a mercenary of sorts. Brie has lived on Caicos since she was ten. After her father's death she took over his popular seaside bar leaving no time for a love life. Her occasional hookups with Jase have been with no strings attached getting involved in each other's lives nor letting their emotions rise to the surface. However when Brie's sister mysteriously disappears Jase steps in to help find the missing woman. But his past and present are about to collide. Will it destroy their future or will it save more than just her sister's life? Entertaining Distraction Doms of The Covenant Book 2 The last woman he ever expects to be attracted to is the one who wants to top him. While his brother is in the lifestyle Mike Donovan never understood it. But when Charlotte Roth aka Mistress China sets her sights on him he finds himself wanting to obey her every command. Having her childhood ripped away in the blink of an eye Charlotte has kept the different facets of her adult life separate from the others. A parole officer, a homebody and a Domme are the three personae the rest of the world might see but rarely at the same time. However her attraction to Mike merges them in a way she never thought possible. Can each learn to compromise in order to make a relationship between them work? The Trident Security series contains passionate romance, nail biting suspense and happily ever afters. The books are best read in order.
