Nourishing the Inner Life of Clinicians and Humanitarians Donna M. Orange, 2015-11-19 Winner of the Clinical category of the American Board but they also show us the daily discipline of spiritual self care although these examples rely heavily on the discipline of spiritual reading other practitioners will find inspiration in music visual arts or elsewhere and replenish the resources regularly Nourishing the Inner Life of Clinicians and Humanitarians will help psychoanalysts to develop a language with which to converse about ethics and the responsibility of the therapist analyst This is an exceptional contribution highly suitable for practitioners and students of psychoanalysis and psychotherapy The Psychoanalytic Zero Koichi Togashi, 2020-01-29 Winner of the 2020 Gradiva Award The Psychoanalytic Zero A Decolonizing Study of Therapeutic Dialogues is written from the unique perspective of a Western trained Asian psychoanalyst and applies principles of Eastern philosophy to understand the psychoanalytic relationship psychoanalytic processes and their uses and limitations for alleviating human suffering Bringing a unique Eastern perspective to a previously Western dominated discipline and framed within the current relational and ethical trends in psychoanalysis the book enables readers to develop a language for understanding an Eastern ethical viewpoint and explore how this language can change our awareness of psychoanalytic practice and human suffering Chapters are devoted to the Eastern concepts of nothingness emptiness surrender sincerity silence and narrative and issues including existential guilt of being trauma contingency informed consent the sense of being human and uncertainty Discussions are illustrated and illuminated through vivid recreations and careful elaboration of therapeutic case studies with traumatized patients The studies demonstrate the process by which patients regain a sense of being human This enriched perspective will it is hoped help the analyst treat traumatized patients who are unable to relate to others and who do not experience themselves as being human The Psychoanalytic Zero will enrich an analyst's sensitivity to the appearance of the moment without context the psychoanalytic zero which opens infinite opportunities for continued growth in a psychoanalytic relationship It will be of great appeal to psychoanalysts and psychoanalytic psychotherapists interested in self psychological intersubjective and relational theories **Psychoanalysis, History, and Radical Ethics** Donna Orange, 2019-09-23 Psychoanalysis History and Radical Ethics Learning to Hear explores the importance of listening being able to speak and those who are silenced from a psychoanalytic perspective In particular it focuses on those voices silenced either collectively or individually by trauma culture discrimination and persecution and even by the history of psychoanalysis Drawing on lessons from philosophy and history as well as clinical vignettes this book provides a comprehensive guide to understanding the role of trauma in creating silence and the importance for psychoanalysts of learning to hear those silenced voices **Climate Crisis, Psychoanalysis, and Radical Ethics** Donna M. Orange, 2016-09-13 Psychoanalysis engages with the difficult subjects in life but it has been slow to address climate change Climate Crisis Psychoanalysis and Radical Ethics draws on the latest scientific evidence to set out the likely effects of climate

change on politics economics and society more generally including impacts on psychoanalysts Despite a tendency to avoid the warnings times of crisis summon clinicians to emerge from comfortable consulting rooms Daily engaged with human suffering they now face the inextricably bound together crises of global warming and massive social injustices After considering historical and emotional causes of climate unconsciousness and of compulsive consumerism this book argues that only a radical ethics of responsibility to be my other s keeper will truly wake us up to climate change and bring psychoanalysts to actively take on responsibilities such as demanding change from governments living more simply flying less and caring for the earth and its inhabitants everywhere Linking climate justice to radical ethics by way of psychoanalysis Donna Orange explores many relevant aspects of psychoanalytic expertise referring to work on trauma mourning and the transformation of trouble into purpose Orange makes practical suggestions for action in the psychoanalytic and psychotherapeutic communities reducing air travel consolidating organizations and conferences better use of internet communication and education This book includes both philosophical considerations of egoism close to psychoanalytic narcissism as problematic together with work on shame and envy as motivating compulsive and conspicuous consumption The interweaving of climate emergency and massive social injustice presents psychoanalysts and organized psychoanalysis with a radical ethical demand and an extraordinary opportunity for leadership Climate Crisis Psychoanalysis and Radical Ethics will provide accessible and thought provoking reading for psychoanalysts and psychotherapists as well as philosophers environmental studies scholars and students studying across these fields

An Intersubjective Mentalization-Based Primer Johann Steinberger, 2025-10-02 This book explores how Affect Resonance Training ART as developed by the Viennese psychotherapist Johann Steinberger offers students and trainees in psychosocial professions the opportunity to develop competence in empathy allowing them to better understand themselves and others Based on concepts of empathy resonance and mentalization this innovative mode of teaching offers effective tools and training for empathetic understanding This book presents clear instructions for its application in the classroom summarizing several years of intensive institutional practice The book also outlines the program s rich theoretical background and documents its empirical effectiveness With clear instruction on the use of ART and clinical insights on how increased empathy is effective in therapeutic settings this book is essential reading for psychoanalysts psychotherapists and others across the psychosocial professions

Inhabiting Implication in Racial Oppression and in Relational Psychoanalysis Rachel Kabasakalian-McKay, David Mark, 2022-11-21 What does it feel like to encounter ourselves and one another as implicated subjects both in our everyday lives and in the context of our work as clinicians and how does this matter With contributions from a diverse group of relational psychoanalytic thinkers this book reads Michael Rothberg s concept of the implicated subject the notion that we are continuously implicated in injustices even when not perpetrators as calling us to elaborate what it feels like to inhabit such subjectivities in relation to others both similarly and differently situated Implication and anti Black racism are central to

many chapters with attention given to the unique vulnerability of racial minority immigrants to Native American genocide and to the implication of ordinary Israelis in the oppression of Palestinians The book makes the case that the therapist's ongoing openness to learning of our own implication in enactments is central to a relational sensibility and to a progressive psychoanalysis As a contribution to the necessary and long overdue conversation within the psychoanalytic field about racism social injustice and ways to move toward a just society this book will be essential for all relational psychoanalysts and psychotherapists
