## **Online Soul Comfort Uplifting Consciousness Transformation:**

*Soul Comfort* Alistair Conwell, 2016-01-29 Grief is a normal instinctive response to loss or impending loss Grief changes whoever it touches without discrimination Embracing the change is key for healing and positive transformation Introspection or reflection can be a useful perhaps therapeutic process when you are grieving Indeed silence reflection love and humility are the most precious offerings on the sacred altar of the soul Soul Comfort is the first book to examine grief holistically through concise insights into the related concepts of consciousness death and love for healing and positive transformation Death does not extinguish consciousness Death transforms and distils consciousness And the grief you feel for someone is proportionate to the love you feel for them the deeper your love the deeper your grief Uplifting unique and thought provoking insights from the author of *The Audible Life Stream Ancient Secret of Dying While Living* will offer comfort to your soul and may profoundly change your perceptions of grief death consciousness love and transformation If your perceptions are changed you will know that your own transformative journey has begun

**Circadian Web** Alistair Conwell, 2025-07-29 A speculative fiction about four men with subconscious secrets on disconnected timelines and mysterious women intent on helping or hindering them

**Ray of Hope** Ray Madaghiele, 2012-09-11 [Man's Fate and God's Choice](#) Bhimeswara Challa, 2021-06-29 Stagnate as a creepy caterpillar or transform into a beautiful butterfly this path breaking book of a rare genre suggests is the seminal choice before mankind and every one of us In this setting the book raises some fundamental questions What is man's rightful place in the cosmos and his manifest destiny on earth Why are we so self-righteously self-destructive Are we a doomed species Or divine beings struggling to overcome the hubris of the human intellect Is God getting weary of mankind How should we synergize human effort and Divine Grace The book posits that any betterment in human behavior needs a cathartic change at the deepest levels That requires diluting the dominance of the mind and reawakening the long dormant intelligence of the human heart To meet that challenge we need minimum numbers a critical mass to create self-sustained momentum for transformation through consciousness change And every single human of this generation should behave in such a way that he or she is that single person whose transformation could make the decisive species scale difference The book offers a menu of ideas and an agenda of action This book could be itself become an input to mobilize that very critical mass it advocates for human transformation Well planned and cohesively written the book is noteworthy for its delightful blend of information and arguments and reveals the depth of the author's understanding of the human predicament This is a closely argued and thought provoking book *The Hindu* 13 Sept 2011 This book is a gripping exposition on human nature and self-transformation without preference to religion Challa has critically provided a foundational argument for a deeper discussion of philosophical and practical ideals concerning self-transformation harmonizing the head and the heart is the way for humans to function as spiritual beings Recommended by the *USR* *The US Review of Books* The author reflects upon the crisis of contemporary civilizations and outlines a blueprint for a new world

order based on progressive spiritual values and change of human consciousness The strength of this treatise is the sweep of Challa's reach and his treatment of a vastly complex set of issues that bedevil humankind today India International Center Quarterly Summer 2012 As a thinker and erudite scholar the author has made a profound study of the world situation and the moral decadence of man This book deserves to be on the shelves of university college and public libraries Triveni Magazine July Sept 2011 It is difficult to pigeon hole this book as a prophetic discourse a journey into the human mind a guide for human survival a spiritual treatise It is an amalgam of all these and more the volume reaches out to those who are already uneasy about the way we on this earth are progressing The Book Review India June 2013     Transcending the Postmodern Susana Onega, Jean-Michel Ganteau, 2020-03-04 Transcending the Postmodern The Singular Response of Literature to the Transmodern Paradigm gathers an introduction and ten chapters concerned with the issue of Transmodernity as addressed by and presented in contemporary novels hailing from various parts of the English speaking world Building on the theories of Transmodernity propounded by Rosa María Rodríguez Magda Enrique Dussel Marc Luyckx Ghisi and Irena Ateljevic inter alia it investigates the links between Transmodernity and such categories as Postmodernity Postcolonialism and Transculturalism with a view to help define a new current in contemporary literary production The chapters either follow the main theoretical drives of the transmodern paradigm or problematise them In so doing they branch out towards various issues that have come to inspire contemporary novelists among which the presence of the past the ascendance of new technologies multiculturalism terrorism and also vulnerability interdependence solidarity and ecology in a globalised context In so doing it interrogates the ethics aesthetics and politics of the contemporary novel in English     *From Authority Religion to Spirit Religion* W.
