Only A Boy Named David Song:

Only a Boy Named David Shannon Scott,2019-07-17 What if you discovered an old journal written by King David when he was just a boy What if this journal contained all of the stories you know and love about David but were penned by his own hand and included his fears his victories his mistakes his accomplishments and so much more Only a Boy Named David is written in the first person as if David was writing his experiences in a journal Based on the Bible familiar stories come alive in a whole new way as you read a first hand account about what it must have been like to kill a lion that was attacking the sheep or what it felt like to flee from Saul David has much to teach about faith surrender trust and obedience Through each experience that is documented in his journal it is clear that he loved God above all else David s songs are one example of his devotion to Yahweh Be inspired to live your life according to God s plan as you read about David s time as a shepherd a warrior a fugitive and finally a king *The Cave* Scott Distler,2021-04-13 God does not comfort us to make us comfortable He comforts us to make us comforters Life is full of hurts and betrayals especially when you are involved in ministry Talk to any pastor who has been in ministry long enough and you will discover that they probably have the scars to show for it Often these hurts and betrayals can lead us deep into the cave of despair which results in ministry becoming misery That is the story of pastor and author Scott Distler In these pages Distler looks at two heroes of the Old Testament who had similar experiences Elijah found himself in the cave of despair and Joseph in the pit of betrayal Using the principles seen in their stores as well as personal lessons learned during his own experience within the cave Distler offers hope and help to anyone especially pastors and those in ministry who have found themselves on the bitter end of hurt and betrayal **100**
