In Love with a Hillside Garden Ann Pytkowicz Streissguth, Daniel Streissguth, Benjamin Fortnightly Review ,1914 Streissguth, 2009 In association with the Arboretum Foundation The Village of Ben Suc Jonathan Schell, 2024-11-26 With a new introduction by Wallace Shawn a classic work of war reportage that describes with unblinking vision the systematic leveling of a Vietnamese village by American troops In January 1967 as President Lyndon Johnson sent more forces to the war in Vietnam the US military began what was to be the largest ground operation of the entire conflict Not far from Saigon the capital of South Vietnam and close to the Cambodian border was an area known as the Iron Triangle long under Viet Cong control Operation Cedar Falls set out to eliminate that guerrilla threat by sealing off the region emptying its villages and leveling the surrounding jungle The local population would be transferred to model New Life Villages under US surveillance The village of Ben Suc was the Americans first target and Jonathan Schell a reporter at the start of his career accompanied them there He witnessed the destruction of the village the frantic efforts of young soldiers to figure out who was or wasn t a foe the destruction of people s homes and possessions and the chaotic transfer of women children old men and livestock to a refugee camp where no preparations had been made for their arrival He described it all in measured tones and unflinching detail As a cautionary tale about the unintended and devastating consequences of military occupation The Village of Ben Suc remains unequaled Schell's book might have been the crystal ball that could have led American policymakers to realize that quasi imperial American interventions of this type could not succeed in the contemporary world and if the policymakers had read Schell's book and studied it carefully who knows maybe a million or more Vietnamese lives could have been saved along with the lives of fifty thousand American soldiers along with countless lives in Afghanistan and Iraq From Wallace Shawn s Introduction The Fortnightly Review ,1914 Clark's Horse Review .1901 The New York Times Review of Books ,1969 The Speaker ,1902 Hi Fi/stereo Review .1980-06 The Routledge Handbook of Classics and Queer Theory Ella Haselswerdt, Sara H. Lindheim, Kirk Ormand, 2023-09-29 New directions in queer theory continue to trouble the boundaries of both queerness and the classical leading to an explosion of new work in the vast and increasingly uncharted intersection between these disciplines which this interdisciplinary volume seeks to explore This handbook convenes an international group of experts who work on the classical world and queer theory The discipline of Classics has been involved with and implicated in queer theory from the start By placing front and center the rejection of heteronormativity queer theory has provided Classics with a powerful tool for analyzing non normative sexual and gender relations in the ancient West while Classics offers queer theory ancient material such as literature visual arts and social practices that challenges a wide range of modern normative categories The collection demonstrates the vitality of this

particular moment in queer classical studies featuring an expansive array of methodologies applied to the interdisciplinary field of Classics Embracing the indeterminacy that lies at the core of queer studies the essays in this volume are organized not by chronology or genre but rather by overlapping categories under the following rubrics queer subjectivities queer times and places queer kinships queer receptions and ancient pasts queer futures The Routledge Handbook of Classics and Queer Theory offers an invaluable collection for anyone working on queer theory especially as it applies to premodern periods it will also be of interest to scholars engaging with the history of sexuality both in the ancient world and more broadly **Tagged Classics: Just The Reviews** James Dixon,Arnold Furious,Lee Maughan,2013-05-22 History of Wrestling presents a bumper pack featuring all of the reviews from Volume 1 2 of their highly successful Complete WWF Video Guide series This no frills super guide breaks down the books into the tapes and the scores nothing more No bios artwork or awards just raw ranting and raving about the best and worst of the WWF from 1985 1993 in no less than HALF A MILLION words Read about the all time classic matches and revel in the despair the writers go through covering some of the very worst All of the major stars from the WWF s boom period are featured and all three writers James Dixon Arnold Furious and Lee Maughan have plenty to say about all of them For a fun mixture of facts opinions previously unknown information and a host of interesting points and debates look no further If you loved wrestling in the 80s and 90s you have come to the right place \*\*New York Star\*,1921\*\*
