Notes Of A Hanging Judge Essays And Reviews 1979 1989:

Notes of a Hanging Judge Stanley Crouch,1990 Stanley Crouch identifies the civil rights movement of the last four decades as the defining feature of contemporary American society Crouch offers uniquely insightful accounts of familiar public issues black middle class life the Bernhard Goetz case black homosexuals the career of Louis Farrakhan that throw fresh light on the position of African Americans in the contemporary world **Freedom's Main Line** Derek Charles Catsam,2009-01-23 A compelling spellbinding examination of a pivotal event in civil rights history a highly readable and dramatic account of a major turning point Journal of African American History Black Americans in the Jim Crow South could not escape the grim reality of racial segregation whether enforced by law or by custom In Freedom s Main Line The Journey of Reconciliation and the Freedom Rides author Derek Charles Catsam shows that courtrooms classrooms and cemeteries were not the only front lines in African Americans prolonged struggle for basic civil rights Buses trains and other modes of public transportation provided the perfect means for civil rights activists to protest the second class citizenship of African Americans bringing the reality of the violence of segregation into the consciousness of America and the world Freedom s Main Line argues that the Freedom Rides a turning point in the Civil Rights Movement were a logical natural evolution of such earlier efforts as the Journey of Reconciliation relying on the principles of nonviolence so common in the larger movement The impact of the Freedom Rides however was unprecedented fixing the issue of civil rights in the national consciousness Later activists were often dubbed Freedom Riders even if they never set foot on a bus With challenges to segregated transportation as his point of departure Catsam chronicles black Americans long journey toward increased civil rights Freedom s Main Line tells the story of bold incursions into the heart of institutional discrimination journeys undertaken by heroic individuals who forced racial injustice into the national and international spotlight and helped pave the way for the landmark Civil Rights Act of 1964 **Race Experts** Elisabeth Lasch-Quinn,2002-12-17 Controversial and strikingly original Race Experts looks at how we capsized racial progress in the quest for self esteem Now available in paperback it uncovers the hidden trajectory and terms of our thinking about race relations since the 1960s Since segregation s dismantling intense anxiety has surrounded interracial encounters and a movement has arisen to engineer social relations through the specification of elaborate codes of conduct Diversity Training in business multicultural education in schools and cross cultural psychotherapy have created a world of prescriptions Elisabeth Lasch Quinn carefully examines the teachings of these self appointed experts and offers a bold and searching analysis of the origins of their ideas in the human potential movement and the radical milieu of the 1960s Casting race primarily as an issue of etiquette or therapy rather than of justice or equality has had dire consequences for American life diverting attention from the deeper problems of poverty violence and continued inequality and discrimination In this sobering analysis Race Experts illuminates how far away we are from the issues that deserve our attention E Pluribus Barnum Bluford Adams,1997 The first book to consider the career of P T

Barnum from a cultural studies perspective Phineas Taylor Barnum lived from 1810 until 1891 and in the eighty one years of his life he created show business as we know it In E Pluribus Barnum Bluford Adams investigates the influence Barnum had on American popular culture of the nineteenth century and expands our understanding of the ways he continues to influence us today Beginning with a discussion of Barnum s early shows Adams demonstrates the dynamic interplay between Barnum s increasingly respectable aspirations for his entertainments and his active cultivation of middle class sensibilities in his audiences In his discussion of the 1850 51 concert tour of the Swedish Nightingale Jenny Lind Adams explores the role played by women s rights and class issues in Barnum s management of these concerts Barnum s American Museum and the moral dramas presented in its theater are examined as well as the later circuses Adams relates the rise of Barnum to the emergence of a new U S society one riven by conflicts over slavery feminism immigration and capitalism and considers his career as a crucial moment in the on going struggle over the politics of U S commercial entertainments **Postmodern**

Counternarratives Christopher Donovan,2005-02-10 This book provides a wide ranging discussion of realism postmodernism literary theory and popular fiction before focusing on the careers of four prominent novelists Despite wildly contrasting ambitions and agendas all four grow progressively more sympathetic to the expectations of a mainstream literary audience noting the increasingly neglected yet archetypal need for strong explanatory narrative even while remaining wary of its limitations presumptions and potential abuses Exploring novels that manage to bridge the gap between accessible storytelling and literary theory this book shows how contemporary authors reconcile values of posmodern literary experimentation and traditional realism **Race, Color, Identity** Efraim Sicher,2013-05-01 Advances in genetics are

renewing controversies over inherited characteristics and the discourse around science and technological innovations has taken on racial overtones such as attributing inherited physiological traits to certain ethnic groups or using DNA testing to determine biological links with ethnic ancestry This book contributes to the discussion by opening up previously locked concepts of the relation between the terms color race and Jews and by engaging with globalism multiculturalism hybridity and diaspora The contributors leading scholars in anthropology sociology history literature and cultural studies discuss how it is not merely a question of whether Jews are acknowledged to be interracial but how to address academic and social discourses that continue to place Jews and others in a race color category **Am I Black Enough for You?** Todd

Boyd,1997-03-22 The most creative moments of African American culture have always emanated from a lower class or ghetto perspective In contemporary society this ghetto aesthetic has informed a large segment of the popular marketplace from the incendiary nature of gangsta rap through the choreographed violence of films like Menace II Society to recurrent debates around the use of the word nigga and even the assertion of this perspective in professional basketball In each case most of the discussion around these cultural circumstances tends to be dismissive if not completely uninformed In analyzing the ranges of images from the O J Simpson trial to Snoop Doggy Dogg Am I Black Enough for You looks at the way in which the

nuances of ghetto life get translated into the politics of popular culture and especially the way these politics have become such a profitable venture for both the entertainment industry and the actual producers of these topical narratives The book follows the widening generation gap represented by Bill Cosby s pristine race man image in the mid 80 s culminating in the proliferation of the hard core sentiments associated with the nigga in the 1990 s The book argues for a historical understanding of these contemporary examples which is rooted in the social policies of the Reagan Bush era the declining industrial base of urban communities and the increasing significance of the drug trade and gang culture In addition the book follows the evolution of gangster culture in twentieth century American popular culture and the shift from ethnicity to race that slowly begins to emerge over this time period Contrary to mainstream conservative sentiment Am I Black Enough for You suggests that the criticism of gangsta culture is a misguided attempt which reaffirms traditional views about Black culture This criticism is articulated across race so that in many cases African Americans articulate the same sentiments as their white conservative counterparts Am I Black Enough for You offers astute analysis of the liberating possibilities of representation that lie at the core of contemporary black popular culture

Reading and Teaching the Postcolonial

Greg Dimitriadis, Cameron McCarthy, 2001 In addition to providing an accessible introduction to postcolonial theory the authors explore the enormous potential which postcolonial art offers educators a wealth of material to draw upon for any rethinking of the school curriculum Some of the artists discussed in this groundbreaking volume include African American critic and writer James Baldwin Trinidadian intellectual and activist C L R James Novelist Wilson Harris of Guyana African American novelist and Nobel laureate Toni Morrison The painter Arnaldo Roche Rabell of Puerto Rico The Australian artist Gordon Bennett The Haitian Puerto Rican American artist Jean Michel Basquiat Plus a look at popular world musics from around the globe A seminal cutting edge work These insights will radically transform the pedagogical practices that now define schooling and education on a global landscape Norman K Denzin University of Illinois at Urbana Champaign A landmark volume for undergraduate and graduate students alike William F Pinar Louisiana State University If ever a book registered important advances in our thinking about the relationship among culture power and education this is it Michael W Apple University of Wisconsin Madison

The Ellington Century

David Schiff, 2012-01-07 The Ellington Century is a wonderful journey through the world of music and art If you are already an aficionado of Ellington s music you will enjoy the author s informative and detailed analysis of the composer s work and musical influences If you are less familiar this book puts Ellington s music in perspective with the great classical composers of the twentieth century David Schiff s remarkable insight into the historical and musical parallels between these composers is a delight to read and his references are vast from Schoenberg s Pierrot Lunaire and Stravinsky s Agon to television s Sesame Street Schiff writes with a sense of humor and an enthusiasm for Ellington s music that comes out on every page George Manahan Music Director American Composers Orchestra David Schiff points us forward observing that Ellington s music asks us to see with our ears and hear with our eyes

Writing as a composer and scholar he has a gift for making complex ideas strikingly clear His insights move across a huge terrain of twentieth century culture as he builds bridges in his musical and cultural analysis where many have not seen a connection Yet each musical work each artist is given his or her equal due In this sense he has met the spiritual and cultural challenge of Ellington's life work Marty Ehrlich Composer Instrumentalist Associate Professor of Improvisation and Contemporary Music Hampshire College

Breaking Bread bell hooks, Cornel West, 2016-11-10 In this provocative and captivating dialogue bell hooks and Cornel West come together to discuss the dilemmas contradictions and joys of Black intellectual life The two friends and comrades in struggle talk argue and disagree about everything from community to capitalism in a series of intimate conversations that range from playful to probing to revelatory In evoking the act of breaking bread the book calls upon the various traditions of sharing that take place in domestic secular and sacred life where people come together to give themselves to nurture life to renew their spirits sustain their hopes and to make a lived politics of revolutionary struggle an ongoing practice This 25th anniversary edition continues the dialogue with In Solidarity their 2016 conversation at the bell hooks Institute on racism politics popular culture and the contemporary Black experience

Women, Gays, and the Constitution David A. J. Richards, 1998-07-20 In this remarkable study David A J Richards combines an interpretive history of culture and law political philosophy and constitutional analysis to explain the background development and growing impact of two of the most important and challenging human rights movements of our time feminism and gay rights Richards argues that both movements are extensions of rights based dissent rooted in antebellum abolitionist feminism that condemned both American racism and sexism He sees the progressive role of such radical dissent as an emancipated moral voice in the American constitutional tradition He examines the role of dissident African Americans Jews women and homosexuals in forging alternative visions of rights based democracy He also draws special attention to Walt Whitman's visionary poetry showing how it made space for the silenced and subjugated voices of homosexuals in public and private culture According to Richards contemporary feminism rediscovers and elaborates this earlier tradition And similarly the movement for gay rights builds upon an interpretation of abolitionist feminism developed by Whitman in his defense both in poetry and prose of love between men Richards explores Whitman's impact on pro gay advocates including John Addington Symonds Havelock Ellis Edward Carpenter Oscar Wilde and Andr Gide He also discusses other diverse writers and reformers such as Margaret Sanger Franz Boas Elizabeth Stanton W E B DuBois and Adrienne Rich Richards addresses current controversies such as the exclusion of homosexuals from the military and from the right to marriage and concludes with a powerful defense of the struggle for such constitutional rights in terms of the principles of rights based feminism

Toni Morrison and the Limits of a Politics of Recognition William Jefferson, 2014-05-25 Is Toni Morrison's writing as politically progressive as is widely assumed In this eye opening study critic William Jefferson argues that it is not Analyzing Morrison's major texts from the 1970s 80s and 90s Jefferson argues that Morrison's writing has advanced

problematic conceptions of racial essentialism sexuality and agency that would not be identified as in any way progressive if issued from the pen of a white writer More than merely showing readers underappreciated aspects of African American history Morrison s fiction has actively intervened in the politics of her era and in ways politically reactionary and disturbing Stepping back from Morrison s fiction Jefferson asks why scholars have not recognized these political aspects of Morrison s writing What he finds is a purportedly left wing academy focused predominantly on recognizing the indisputably black aspects of Morrison s work This politics of recognition unfortunately also naturalizes Morrison s representations in the same manner liberal humanist criticism naturalized the representations of the pre 1970 literary canon **African American**

Political Thought and American Culture Alex Zamalin,2015-10-07 This book demonstrates how certain African American writers radically re envisioned core American ideals in order to make them serviceable for racial justice Each writer s unprecedented reconstruction of key American values has the potential to energize American citizenship today **Amiri**

Baraka Jerry Watts,2001-08-01 Amiri Baraka formerly known as LeRoi Jones became known as one of the most militant anti white black nationalists of the 1960s Black Power movement An advocate of Black Cultural Nationalism Baraka supported the rejection of all things white and western He helped found and direct the influential Black Arts movement which sought to move black writers away from western aesthetic sensibilities and toward a more complete embrace of the black world Except perhaps for James Baldwin no single figure has had more of an impact on black intellectual and artistic life during the last forty years In this groundbreaking and comprehensive study the first to interweave Baraka s art and political activities Jerry Watts takes us from his early immersion in the New York scene through the most dynamic period in the life and work of this controversial figure Watts situates Baraka within the various worlds through which he travelled including Beat Bohemia Marxist Leninism and Black Nationalism In the process he convincingly demonstrates how the 25 years between Baraka s emergence in 1960 and his continued influence in the mid 1980s can also be read as a general commentary on the condition of black intellectuals during the same time Continually using Baraka as the focal point for a broader analysis Watts illustrates the link between Baraka s life and the lives of other black writers trying to realize their artistic ambitions and contrasts him with other key political intellectuals of the time In a chapter sure to prove controversial Watts links Baraka s famous misogyny to an attempt to bury his own homosexual past A work of extraordinary breadth Amira Baraka is a powerful portrait of one man s lifework and the pivotal time it represents in African American history Informed by a wealth of original research it fills a crucial gap in the lively literature on black thought and history and will continue to be a touchstone work for some time to come *Not Much Left* Tom Waldman,2008-05-19 Tom Waldman s lively and sweeping assessment of the state of American liberalism begins with the political turbulence of 1968 and culminates with the 2006 takeover of Congress by the Democratic Party Not Much Left The Fate of Liberalism in America vividly demonstrates how the progressive and liberal wing of the Democratic Party helped end a war won the civil rights battle and paved the way for blacks women gays

and other minorities to achieve full citizenship Through reportage anecdotes and analysis particularly of the disastrous defeat of Democrat George McGovern in 1972 Waldman chronicles how the grand coalition that achieved so much in the 1960s began to self destruct in the early 1970s Citing the Republican recovery from Barry Goldwater s 1964 defeat Waldman demonstrates how the two parties very different reactions to electoral debacle account for recent Republican dominance and Democratic impotence Assessing liberalism s fate through the Carter and Reagan presidencies the defeat of Michael Dukakis in the 1988 presidential election and the on again off again liberalism of the Clinton years Waldman then brings the discussion up to date with analysis of the 2008 presidential campaign

Toni Morrison Lucille P. Fultz,2012-11-22 Toni Morrison features a collection of ten new essays by noted Morrison scholars including recipients of the Toni Morrison Society Book Award Focusing upon Morrison s most recently published novels *Paradise* *Love* *A Mercy* the contributors to this volume revisit issues that continue to engage Morrison and are part of the currency of contemporary American literary and cultural history These selections examine Morrison s ongoing romance with African Americans as they continue to battle the demons of race gender class and poverty to name a few Together these essays offer comprehensive and nuanced discussions of Morrison s latest novels and provide new directions for Morrison scholarship in the 21st century This volume provides students of literature cultural studies and history with an overview of Morrison s examination of African American progress and leadership at key moments in American history and culture from the Colonial Period to the present Through their thematic interconnectedness the essays reveal Morrison at her most brilliant in her ability to reach into the past to comment on contemporary issues

The Fruits of Integration Charles T. Banner-Haley,2010-12-01 In late twentieth century America the black middle class has occupied a unique position It greatly influenced the way African Americans were perceived and presented to the greater society and it set roles and guidelines for the nation s black masses Though historically a small group it has attempted to be a model for inspiration and uplift As a key force in the Africanizing of American culture the black middle class has been both a shaper and a mirror during the past three decades This study of that era shows that the fruits of integration have been at once sweet and bitter This history of a pivotal group in American society will cause reflection discussion and debate

James Baldwin Douglas Field,2011 This study provides an engaging overview and clear analysis of the fiction non fiction and drama of African American writer James Baldwin 1924 1987 Whilst giving close attention to Baldwin s popular works such as *Go Tell it on the Mountain* and *Another Country* it also explores the important but less well known themes and texts including the use of the blues masculinity race and sexuality

Constructing the Literary Self Patsy J. Daniels,2014-06-02 In the twentieth century as previously excluded groups including ethnic minorities women the disabled and the differently gendered gained a voice in society group identity also changed and new definitions became necessary Whether through their group affiliations or in spite of these affiliations many individuals sought a new definition of themselves As can be expected much literature explores these changes and depicts the quest for new definitions

and the search for individuality in the light of new definitions Construction or definition of the self was once available only to the elite and the freedom of some to define their identity was sacrificed so that others could make their own self definitions this practice can be found throughout much of history This volume is about that kind of oppression and various strategies of escaping from oppression as depicted in serious literature Its thirteen essays all by recognized scholars are divided into five categories Race Gender and the Self Assimilation and the Self Black Males and the Self Female Sexuality and the Self and The Family and the Self

All Those Strangers Douglas Field, 2015-06-02 Adored by many appalling to some baffling still to others few authors defy any single critical narrative to the confounding extent that James Baldwin manages Was he a black or queer writer Was he a religious or secular writer Was he a spokesman for the civil rights movement or a champion of the individual His critics as disparate as his readership endlessly wrestle with paradoxes not just in his work but also in the life of a man who described himself as all those strangers called Jimmy Baldwin and who declared that all theories are suspect Viewing Baldwin through a cultural historical lens alongside a more traditional literary critical approach *All Those Strangers* examines how his fiction and nonfiction shaped and responded to key political and cultural developments in the United States from the 1940s to the 1980s Showing how external forces molded Baldwin's personal political and psychological development Douglas Field breaks through the established critical difficulties caused by Baldwin's geographical ideological and artistic multiplicity by analyzing his life and work against the radically transformative politics of his time The book explores under researched areas in Baldwin's life and work including his relationship to the Left his FBI files and the significance of Africa in his writing while also contributing to wider discussions about postwar US culture Field deftly navigates key twentieth century themes the Cold War African American literary history conflicts between spirituality and organized religion and transnationalism to bring a number of isolated subjects into dialogue with each other By exploring the paradoxes in Baldwin's development as a writer rather than trying to fix his life and work into a single framework *All Those Strangers* contradicts the accepted critical paradigm that Baldwin's life and work are too ambiguous to make sense of By studying him as an individual and an artist in flux Field reveals the manifold ways in which Baldwin's work develops and coheres

Notes Of A Hanging Judge Essays And Reviews 1979 1989 Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. pair of linear equations in two variables class 10 extra learn cbse - Apr 28 2022

web jan 4 2023 pair of linear equations in two variables class 10 extra questions very short answer type question 1 find the value of k for which the following pair of linear equations have infinitely many solutions $2x + 3y = 7$ $kx + 2y = 4k$ cbse 2019 set b answer given equations $2x + 3y = 7$ $0kx + 2y = 4k$

linear equations standard forms and examples byju s - Mar 28 2022

web linear equations are equations of the first order the linear equations are defined for lines in the coordinate system when the equation has a homogeneous variable of degree 1 i.e. only one variable then it is known as a linear equation in one variable a linear equation can have more than one variable if the linear equation has two variables then

ncert solutions for class 10 maths chapter 3 pair of linear equations - Mar 08 2023

web the ncert solutions class 10 maths chapter 3 pair of linear equations in two variables teaches that the general form of a linear equation in two variables is $ax + by = c$ where x and y are variables and a b and c are real numbers now in this equation the constants with variables cannot be equal to zero simultaneously

ncert solutions for class 10 maths chapter 3 pair of linear equations - Oct 15 2023

web ncert solutions class 10 maths chapter 3 pair of linear equations in two variables can be accessed for free by the students these ncert solutions are in accordance with the latest cbse exam syllabus for 2023 24

pair of linear equations in two variables class 10 notes maths - Oct 03 2022

web oct 24 2019 the graph of a linear equation is a straight line two linear equations in the same two variables are called a pair of linear equations in two variables the most general form of a pair of linear equations is $a_1x + b_1y = c_1$ $a_2x + b_2y = c_2$ where a_1, a_2, b_1, b_2, c_1 and c_2 are real numbers such that $a_1^2 + b_1^2 \neq 0$ and $a_2^2 + b_2^2 \neq 0$

ncert solutions for class 10 maths chapter 3 pair of linear equations - May 30 2022

web class 10 maths chapter 3 linear equations in two variables belongs to unit 2 algebra which has a weightage of 20 marks in the cbse class 10 maths examination the ncert solutions of the chapter include questions related to the substitution method elimination method and cross multiplication method

pair of linear equations in two variables class 10 notes - May 10 2023

web 9 865 general form of a linear equation in two variables the general form of a linear equation in two variables is $ax + by = c$ where a and b cannot be zero simultaneously students can refer to the short notes and mcq questions along with separate solution pdf of this chapter for quick revision from the links below

ncert solutions for class 10 maths chapter 3 pair of linear equations - Sep 14 2023

web two linear equations in the same two variables are called a pair of linear equations in two variables standard form of linear equations in two variables $a_1x + b_1y + c_1 = 0$ $a_2x + b_2y + c_2 = 0$ where $a_1, a_2, b_1, b_2, c_1, c_2$ are real numbers such that

ncert solutions for class 10 maths chapter 3 vedantu - Jan 06 2023

web 2 days ago here are some exercises from ncert solutions for class 10 maths chapter 3 pair of linear equations in two variables with a brief summary of each exercise exercise 3.1 this exercise covers the basic concepts of

ncert solutions for class 10 maths chapter 3 pair of linear equations - Feb 07 2023

web sep 8 2019 solution download ncert solutions for class 10 maths chapter 3 pair of linear equations in two variables pdf ex 3.6 class 10 maths question 2 formulate the following problems as a pair of linear equations and hence find their solutions i. ritu can row downstream 20 km in 4 hours and upstream 4 km in 2 hours

ncert solutions for class 10 maths chapter 3 pair of linear equations - Dec 05 2022

web nov 2 2023 cbse has reduced the syllabus of all subjects in all the classes the cbse syllabus for class 10 maths is reduced to 65 percent now the changes in 10th maths chapter 3 linear equations in two variables are given below the new cbse syllabus for 2023-24 class 10 maths chapter 3 pair of linear equations in two variables and

important questions for class 10 maths chapter 3 pair of linear - Jul 12 2023

web aug 2 2019 important questions for class 10 maths chapter 3 pair of linear equations in two variables pair of linear equations in two variables class 10 important questions very short answer 1 mark question 1 how many solutions does the pair of equations $y = 0$ and $y = 5$ have 2013 solution $y = 0$ and $y = 5$ are parallel

important formulas for class 10 maths pair of linear equations - Sep 02 2022

web nov 8 2023 cbse class 10 maths chapter 3 important formulas pair of linear equations in two variables download pdf ncert solutions cbse study material textbook solutions cbse notes live join vedantu's free masterclass pair of linear equations in two variables formula for cbse class 10 maths free pdf download

pair of linear equations in two variables chapter 3 ncert - Aug 13 2023

web a pair of linear equations which has no solution is called an inconsistent pair of linear equations a pair of linear equations in two variables 10 students of class x took part in a mathematics quiz if the number of girls is 4 more than the number of boys find the number of boys and girls who took part in the quiz

important questions class 10 maths chapter 3 pair of linear equations - Aug 01 2022

web for practicing questions for linear equations in two variables students may like to add important questions class 10 mathematics chapter 3 to their study schedule our team of mathematics subject experts have collated questions from different sources such as ncert textbook ncert exemplar books cbse sample papers other reference

chapter 3 class 10 pair of linear equations in two variables teachoo - Apr 09 2023

web class 10 chapter 3 class 10 pair of linear equations in two variables click on any of the links below to start learning from teachoo serial order wise ex 3 1 ex 3 2 ex 3 3 examples case based questions mcq mcqs from ncert exemplar graph of pair of linear equations cross multiplication method

pair of linear equations in two variables class 10 notes cbse maths - Feb 24 2022

web nov 13 2023 pair of linear equations in two variables class 10 notes cbse maths chapter 3 free pdf download watch video download pdf ncert solutions cbse study material textbook solutions cbse notes live join vedantu s free mastercalss revision notes for cbse class 12 maths chapter 3 free pdf download

class 10 maths chapter 3 pair of linear equations in two - Jun 30 2022

web class 10 maths mcqs for pair of linear equations in two variables class 10 maths exam datasheet is been released by the cbse board it is time for students to revise the chapters for the board exam

cbse class 10 maths chapter 3 pair of linear equations in two - Nov 04 2022

web 2 days ago class 10 maths chapter 3 extra questions for students to practice in the equation $y = 0$ and $y = 5$ find the number of solutions find the value of x y from the two equations $ax + by = a^2 + b^2$ and $bx + ay = 0$ find if the following linear equations are inconsistent or consistent $3x + 2y = 8$ $6x + 4y = 9$ draw the graph of $2x + y = 3$ $2y + 4x = 6$ and

cbse class 10 mathematics chapter 3 pair of linear equations - Jun 11 2023

web 10 hours ago step 1 find the value of one variable say y in terms of the other variable i e x from either equation whichever is convenient step 2 substitute this value of y in the other equation and
