Notes From The Underground The Spiritual Journal Of A Secular Priest:

Notes from the Underground Donald Cozzens, 2013 In this his most prophetic and personal book Father Donald Cozzens calls attention to a vast underground church whose heart is beating for change and renewal This church is a pilgrim people who believe that the Holy Spirit is loose in the world and whose rumours of wisdom might be found in any of God's people as well as in their ordained leaders

Notes from the Underground Donald Cozzens, 2013 A celebrated priest uncovers the spiritual riches beneath a church covered in scandal and doubt At a time when many Catholics are questioning their church Donald Cozzens sheds light on the widespread underground church that cherishes the vision of a renewed and reformed church preached by Pope John XXIII a church open to the currents of grace flowing through cathedrals and marketplaces chanceries and ghettos through women and men through people of good will Writing in a fresh way about faith prayer communion and church Cozzens calls this new underground church a pilgrim people that believes that the Holy Spirit is loose in the world and whose rumors of wisdom might be found in any of God's people as well as in their ordained leaders I'm hardly alone in the underground church I take comfort in that Cozzens describes and inspires a church that wants to be simply adult a church not of children or adolescents hesitant to think and reflect on the lessons of human experience and their effort to live the gospel A church closer to the spirit of Yves Congar and Teilhard de Chardin to Dorothy Day and Mother Teresa a church in step with the spirit of the gospel

What We Have Seen and Heard Michael E. Connors, 2017-05-11 One of the chief challenges of the Second Vatican Council was to reclaim the meaning of baptism especially as the foundation of service and mission in the world Fifty years after the close of that watershed gathering nineteen distinguished religious leaders and scholars reexamine that challenge and its implications for preaching and ministry today This book reinvigorates an important conversation

Steward of a Living Tradition John Sullivan, 2025-05-05 This book explores what is entailed in serving as a steward of the living tradition of the Christian faith in the world of education It examines tradition as a resource leadership education as a spiritual endeavor curriculum and Christian learning and the task of connecting tradition to culture John Sullivan engages with historical perspectives and contemporary professional and cultural realities in addressing intellectual and spiritual dimensions of Christian education and the endeavor to make tradition both accessible and meaningful to those for whom it is unfamiliar Themes pervading the book include fostering a critical appreciation for and a creative appropriation of the living tradition of Christianity fluency and flexibility in sharing that tradition vocation and vulnerability and a striving for interconnectedness and integration in teaching and learning at school and university

Transformation Rev. Joseph A. Heim, 2016-01-26 Transformation The People and Events That Changed the Thinking of a Priest By Rev Joseph A Heim In this inspiring memoir Rev Joseph A Heim MM recounts the transformative relationships and events of a lifetime of faith and service From growing up in Philadelphia to the challenging years of St Charles Seminary to three plus decades of missionary work in Venezuela Heim examines those moments which shaped him as a priest and as a

human being acknowledging and dissecting his own struggles and transformations along the way My theological education was very formal writes Heim my pastoral training in as much as it existed at all was rather ritualistic and my spiritual formation very legalistic Life and events opened me up and forced me to re think much of what I had simply accepted Transformation The People and Events That Changed the Thinking of a Priest then is more than autobiography it is a chronicle of living faith of the strength that can be found in challenging one s own beliefs Lead Me, Guide Me Kathy Ewing,2020-05-19 Father Dan Begin spent thirty five years ministering among those who lived in the poorest neighborhood in one of the poorest cities in America Cleveland Ohio He was one of thirteen children full of stories of growing up in the fifties and sixties in a hardscrabble household of thirty seven people on Cleveland s West Side He was a white priest who was welcomed into the homes and church communities and funeral homes of African American families as well as those of celebrities and athletes Father Dan was irreverent articulate and wise When he was diagnosed with esophageal cancer in 2016 at the age of sixty seven the meaning of his life and ministry came into sharp focus Watch me through this he told his family friends and parishioners Just as he had always showed us how to live at the end he showed us how to suffer and die with grace In Lead Me Guide Me author Kathy Ewing describes the friendship she had with Father Dan and the profound effects his life had on her and hundreds of others by simply being an ordinary man who possessed extraordinary goodness and love **Ministry Matters** Michael Plekon,2024-06-20 Congregations are shrinking and in decline Fewer people are part of communities of faith Michael Plekon s previous book Community as Church Church as Community traced the factors behind this as well as the resurrection of parishes that have reimagined themselves in diverse ways Pastors have played essential roles in such transformation But where are the ordained today Ministry Matters is a sustained meditation on the vocation lives and work of pastors today We listen to an ecumenical group of exceptional pastor theologians on how pastors live and serve These include George Keith Nicholas Afanasiev Barbara Brown Taylor C Andrew Doyle Andrew Root Sarah Coakley Samuel Wells Rowan Williams Henri Nouwen Pope Francis David Barnhart and Will Willimon with commentary from Michael Plekon who has served as priest in both western and eastern churches for over forty years Many years of pastoral experience are shared here providing a feast of reflection on the shepherds of God s flock Uncommon Prayer Michael Plekon,2016-09-15 In Uncommon Prayer Prayer in Everyday Experience Michael Plekon wants to change our minds on what constitutes prayer In doing so he makes a theological claim that commonplace aspects of the Christian life are best understood as prayer whereby encouraging us to see that everyday life carries religious import prayer and the religious life are not restricted to special places and times but are open to all believers at all times Plekon examines the works of diverse authors including many who have challenged the status quo of institutional churches He asks us to listen to what poets writers activists and others tell us about how they pray at work and at home with colleagues family and friends in all the experiences of life from joy to suffering sadness to hope Among them are Sarah Coakley Rowan Williams Heather Havrilesky

Sara Miles Thomas Merton Mary Oliver Christian Wiman Mary Karr Barbara Brown Taylor Dorothy Day Maria Skobtsova Paul Evdokimov Seraphim of Sarov and Richard Rohr Plekon argues that prayer encompasses a much wider variety of activity than formal and liturgical prayers and that by recognizing such aspects of prayer the believer is made more receptive to transformative aspects of prayerful attitudes

Missed Opportunities Gabriel Moran, 2016-02-19 Missed Opportunities Rethinking Catholic Tradition opens up a dialogue between the official teachings of the Roman Catholic Church and the challenges the contemporary world presents to that institutions tradition of moral doctrines It grounds this dialogue on a re examination of the foundational issues of church reform and the many ways that the church teaches Then Missed Opportunities turns its attention to a sequence of complex issues Resting his analysis upon research and a half century's experience with the educational programs of the Roman Catholic Church Gabriel Moran a retired professor of educational philosophy sets the groundwork and then examines a variety of connected issues including birth and death abortion the natural world suffering and pain nonviolence grief and mourning issues of human sexuality responsibility environmentalism and religious education Missed Opportunities Rethinking Catholic Tradition guides readers through the depths of the societal challenges facing the Roman Catholic Church By looking carefully at the nature of Catholic tradition and reconsidering how to bring that tradition into conversation with contemporary issues Missed Opportunities proposes a pathway for the church to follow to undergo an honest and thorough reform to regain its credibility in the midst of a society grown dubious and to speak to today's issues in a voice consonant with the best resources in the Catholic tradition

journal entries include quotes experiences reflections and questions in the life of a parish priest *In Sinu Jesu* A Benedictine Monk, 2016-10-05 In 2007 Our Lord and Our Lady began to speak to the heart of a monk in the silence of adoration He was prompted to write down what he received and thus was born *In Sinu Jesu* whose pages shine with an intense luminosity and heart warming fervor that speaks directly to the needs of our time with a unique power to console and challenge

Secret Notes of a Guru: A Spiritual Diary from Prison: Get Spiritual Strength by Having Eucharist at Home Samael Aun Weor, 2021-12 This man in addition to committing the crime of healing the ill is also the author of a book entitled *The Perfect Matrimony* which is an outrage against public morality and the good customs of the citizens So stated the official document demanding the arrest and imprisonment of Samael Aun Weor So began his diary written from prison in which he documented his meditations and insights and the process of spiritual initiation related to his imprisonment This book is full of details about dream interpretation meditation degrees of initiation the awakening of the sacred fire and much more Most significantly he emphasized the necessity for spiritual aspirants to consume blessed food and drink at home that sacred meal known in every religion by names like communion eucharist kiddush tsog prasad etc He also provided a complete ritual for families to practice at home around their dinner table to invoke the help of the supreme savior known as Christ Avalokitesvara Quetzalcoatl etc Thus instead of being cowed by the attempts of the dominate religions to suppress him they served to increase his efforts to help humanity resulting in this beautiful and deeply mystical book *The Holy Eucharist* should be practiced in the houses of all our Gnostic brothers and sisters Thus each home can become a Gnostic temple and the head of each family is a priest No more lodges no more schools no more sects no more infamies no more exploitation The temple is within ourselves and the High Priest is Christ When a group of people around a table are verifying the Holy Eucharist the ceremony reverberates in all the seven planes of cosmic consciousness and opens a channel through the seven worlds through which the sublime energies of the Solar Logos descend and thus the bread and wine become true accumulators of Christic atoms which upon reaching our stomach are diffused throughout our organism Christifying and sublimating it for the initiation Samael Aun Weor

Confessions, Revised and Updated Matthew Fox, 2015-11-10 Matthew Fox's stirring autobiography *Confessions* reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author's continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes men *Confessions* tells the inside story of what it was like standing in front of the train when the Vatican was

on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author s work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of Bingen a champion of the Divine Feminine and Meister Eckhart a profoundly mystical and ecumenical champion of those without a voice and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world s spiritual traditions to stand up for eco justice gender justice economic justice and social justice
