Faith Niki Hershey Knisley,2023-04-11 The culmination of their story points to a fairytale ending And why shouldn t they have one after all they ve been through Gabe Scott and Faith Brooks were reunited more than a year after their relationship ended badly In the interim Faith had returned to her old life and was content But there was still a part of her heart Gabe would always hold So when he turned up on her doorstep a transformed man and they rekindled their relationship she thought since they d already been through the fire their future looked bright Now he s proposed and with marriage and the reunion of their little family they re excited to move on But as they prepare for the wedding and seek to put their past behind them it proves harder than expected It seems the factors stacked against them during their engagement are following them

into their marriage and Faith's doubts are growing Did they make a mistake Was it too soon Do they have too much baggage for this to work The trust that had eroded between them the year they dated has barely had time to rebuild and what is a relationship without trust Keeping their faith strong and their marriage together is draining them of the passion that once bound them so tightly And Faith begins to struggle to recognize the person she's becoming Can they keep their faith in the Lord and each other together Amidst this turmoil a tragic turn of events throws them into a tailspin of doubt and threatens to strip them of both their faith and their marriage Suddenly they're faced with the question not of whether they'll get their fairytale ending but whether they'll be together in the end at all
