Chapter 14: The Oceans Michael Pidwirny, 2023-08-02 Chapter 14 The Oceans of the eBook Understanding Physical Geography This eBook was written for students taking introductory Physical Geography taught at a college or university For the chapters currently available on Google Play presentation slides Powerpoint and Keynote format and multiple choice test banks are available for Professors using my eBook in the classroom Please contact me via email at Michael.Pidwirny@ubc.ca if you would like to have access to these resources The various chapters of the Google Play version of Understanding Physical Geography are FREE for individual use in a non classroom environment This has been done to support life long learning However the content of Understanding Physical Geography is NOT FREE for use in college and university courses in countries that have a per capita GDP over 25 000 US dollars per year where more than three chapters are being used in the teaching of a course More specifically for university and college instructors using this work in such wealthier countries in a credit based course where a tuition fee is accessed students should be instructed to purchase the paid version of this content on Google Play which is organized as one of six Parts organized chapters One exception to this request is a situation where a

student is experiencing financial hardship In this case the student should use the individual chapters which are available from Google Play for free The cost of these Parts works out to only 0 99 per chapter in USA dollars a very small fee for my work When the entire textbook 30 chapters is finished its cost will be only 29 70 in USA dollars This is far less expensive than similar textbooks from major academic publishing companies whose eBook are around 50 00 to 90 00 Further revenue generated from the sale of this academic textbook will provide the carrot to entice me to continue working hard creating new and updated content Thanks in advance to instructors and students who abide by these conditions IMPORTANT This Google Play version is best viewed with a computer using Google Chrome Firefox or Apple Safari browsers History Can Bite Denise Bentreovato, Karina V. Korostelina, Martina Schulze, 2016-10-10 The volume provides critical insights into approaches adopted by curricula textbooks and teachers around the world when teaching about the past in the wake of civil war and mass violence discerning some of the key challenges and opportunities involved in such endeavors The contributors discuss ways in which history teaching has acted as a political tool that has at times been guilty of exacerbating inter group conflicts It also highlights history teaching as an important component of reconciliation attempts showcasing examples of curricular reform and textbook revision after conflict and discussing how the contestations and difficulties surrounding such processes were addressed in different post conflict societies **Macroeconomics** J. Bradford De Long, Arman Mansoorian, Leo Michelis, 2003-08 Macroeconomics First Canadian Edition offers a new approach to this subject Drawing upon their vast experience in teaching and research the authors have written an intermediate macroeconomics book that sets the standard for books in this third millennium DeLong provides a streamlined presentation of material traditional and modern resulting in a more understandable and comprehensive book This edition features five changes to the standard presentation of modern macroeconomics Provide a more student friendly way of learning growth theory Provide sufficient coverage of growth facts so that students learn the how and why of both growth over time and growth across countries Treat the economy as open from the beginning of the book Deal with interest rates not money stocks Increased focus on the Phillips curve These changes while not radical are shifts in emphasis and changes of focus They do not require recasting of courses but they are very important in bringing the organization of the book into line with what students learning macroeconomics today need to know
