Terrorism in America Robin Maria Valeri, Kevin Borgeson, 2018-05-11 Offering a fresh perspective on the changing face of terror attacks *Terrorism in America* focuses on domestic groups examining the beliefs actions and impacts of American based terrorists and terror organizations Editors Robin Valeri and Kevin Borgeson and their contributors draw on theories from criminology psychology and sociology to explore the ideologies of right wing left wing and extremist religious groups how and why they convert followers recruit financially and take extreme action against others No competing text offers such in depth and nuanced coverage of the radical ideologies behind these attacks or the ensuing fear domestic terrorism creates as well as the strategies to combat violent extremism A core text for domestic terrorism courses and an excellent supplement for any counterterrorism or homeland security course *Terrorism in America* brings its singular focus to the growth and evolution of terrorism in the United States Interviews case studies from the field and chapter themes make this a highly readable text for criminal justice psychology sociology and homeland security students professors or practitioners

Beyond Hate C. Richard King, David J. Leonard, 2016-04-15 *Beyond Hate* offers a critical ethnography of the virtual communities established and discursive networks activated through the online engagements of white separatists white nationalists and white supremacists with various popular cultural texts including movies music television sport video games and kitsch Outlining the ways in which advocates of white power interpret popular cultural forms and probing the emergent spaces of white power popular culture it examines the paradoxical relationship that advocates of white supremacy have with popular culture as they finding it to be an irresistible and repugnant reflection of social decay rooted in multiculturalism Drawing on a range of new media sources including websites chat rooms blogs and forums this book explores the concerns expressed by advocates of white power with regard to racial hierarchy and social order the crisis of traditional American values the perpetuation of liberal feminist elitist ideas the degradation of the family and the fetishization of black men What emerges is an understanding of the instruments of power in white supremacist discourses in which a series of connections are drawn between popular culture multiculturalism sexual politics and state functions all of which are seen to be working against white men A richly illustrated study of the intersections of white power and popular culture in the contemporary U S and the use of cyberspace by

white supremacists as an imagined site of resistance Beyond Hate will appeal to scholars of sociology and cultural studies with interests in race and ethnicity popular culture and the discourses of the extreme right

The World and the Word

Dr. Herbert L. Green Jr., 2015-11-30 Jesus very presence on the scene as the New Testament age was unfolding 1st century A D engendered opposition created conflict while ushering in grace His ideas by the accounts of many were radical for his time first century and even today in the twenty first century Why is this so The NIV Archaeological Study Bible 2005 NIV Student Bible 2002 and on careful examination of corroborating Extra Biblical evidence provide a context for the Word view about Jesus Both Bibles also support aspects of the social and physical sciences worldview in terms of cultural socioeconomic political historical archaeological and philosophical apologetics evidence As the pages of The World and the Word unfold there is a kind of internal consistency with both the worldview social sciences and word view the Bible However where such consistency appeared to diverge this author attempts to filter out the noise by applying critical thinking criteria to a worldview that may not be consistent with the word view The goal of this book therefore is to provide some exposition Greek for apologia of the Word and see how the World fits Born again Christians can be credible social scientists and not compromise Gods Word the Bible Two reviewers of a draft of this book should be mentioned here Mrs Gradye Mattera and Mrs Line pronounced Lynn Green Their input was important honest and helpful in this book effort However in the end they bear no obligation for the final printed version To this I accept full responsibility After thoughtful reading of the book please send reflective comments to Dr Herb Green at hgreen48d yahoo com Use the phrase World Word 1st ed in the Subject line Thank you

Global Heating and the Australian Far Right Imogen Richards, Gearóid Brinn, Callum Jones, 2023-12-01 *Global Heating and the Australian Far Right* examines the environmental politics of far right actors and movements in Australia exploring their broader political context and responses to climate change The book traces the development of far right pseudo environmentalism and territorial politics from colonial genocide and Australian nationalism to extreme right political violence Through a critical analysis of news and social media it reveals how denialist and resignatory attitudes towards climate change operate alongside extreme right accelerationism in a wider Australian political context characterised by reactionary fossil fuel politics and neoliberal New Right climate change agendas The authors scrutinise the manipulation of environmental politics by contemporary Australian far and extreme right actors in cross national online media They also assess the political ideological context of the contemporary far right addressing intergovernmental approaches to security threats connected to the far right and climate change and the emergence of radical environmentalist traditions in New Catastrophism literature The conclusion synthesises key insights analysing the mainstreaming of ethnonationalist and authoritarian responses to global heating and potential future trajectories of far right movements exploiting the climate crisis It also emphasises the necessity for radical political alternatives to counter the far right s exploitation of climate change This book will be of interest to researchers of climate change the far right neoliberal capitalism extremism and Australian politics

Encyclopaedia Judaica: Nat-Per Fred Skolnik, Michael Berenbaum, 2007 Provides an exhaustive and organized overview of Jewish life and knowledge from the Second Temple period to the contemporary State of Israel from Rabbinic to modern Yiddish literature from Kabbalah to Americana and from Zionism to the contribution of Jews to world cultures

Searchlight, 2001 **Racial and Ethnic Groups** Richard T. Schaefer, 2004 For undergraduate Sociology courses in Race and Ethnic Relations This best selling text begins with a thorough introduction to how sociologists think about race and ethnicity then moves on to chapters on each major group examining the group's history then exploring the group's current situation Contemporary issues such as coverage of emerging minority groups women the disabled is included in this edition It is also the only book on the market that brings full color to your race and ethnic course Skinhead History, Identity, and Culture Kevin Borgeson, Robin Valeri, 2017-11-08 Skinheads go beyond the societal stereotype of hate mongers bigots and Neo Nazis The community of skins also includes traditional skins those that adhere to the original philosophy of the British movement in 1969 Skinheads Against Racial prejudice SHARPS and gay skins female skins and Neo Nazi or Racist Nationalist skins Skinhead History Identity and Culture covers the history identity and culture of the skinhead movement in Europe and America looking at the total culture of the skins through a cross sectional analysis of skinheads in various countries Authors Borgeson and Valeri provide original research data to cast new light into the skinhead community Some of the data is ethnographic drawing on face to face interviews with skins of all kinds while other data is compiled from the Internet and social media about various skinhead groups within the United States Europe and Australia The book covers the history of the subculture explores the unique cultures of female gay and Neo Nazi skins and explores manifestations of the culture as represented on the Internet and in music The work discusses how skinheads derive their values and morals and how they fit into the larger social structure The White Nationalist Skinhead Movement Robert Forbes, Eddie Stampton, 2015-11-09 When Feral House first published the award winning Lords of Chaos The Bloody Rise of the Satanic Metal Underground little was known about the black metal genre of music or how many of its members were involved in the murder of citizens the torching of churches or its link to Fascist ideas We've all heard about the racist form of skinhead punk music but little do we know of the groups involved and how they got involved in right wing political movements The White Nationalist Skinhead Movement is the first book to provide much more than mere photographs of the scene documenting the bands their members the releases shows and infamous events Robert Forbes and Eddie Stampton can authoritatively speak of the movement obtaining first hand material from members of the scene This book covers both British and American bands and even if you revile the movement its ideas and its music this is an important piece of pop culture history Feral House's controversial Lords of Chaos has sold over one hundred thousand copies Blood and Politics Leonard Zeskind, 2009-05-12 More than fifteen years in the making Blood and Politics is the most comprehensive history to date of the white supremacist movement as it has evolved over the past three plus decades Leonard Zeskind draws heavily upon court documents racist

publications and first person reports along with his own personal observations An internationally recognized expert on the subject who received a MacArthur Fellowship for his work Zeskind ties together seemingly disparate strands from neo Nazi skinheads to Holocaust deniers to Christian Identity churches to David Duke to the militia and beyond Among these elements two political strategies mainstreaming and vanguardism vie for dominance Mainstreamers believe that a majority of white Christians will eventually support their cause Vanguardists build small organizations made up of a highly dedicated cadre and plan a naked seizure of power Zeskind shows how these factions have evolved into a normative social movement that looks like a demographic slice of white America mostly blue collar and working middle class with lawyers and Ph D s among its leaders When the Cold War ended traditional conservatives helped birth a new white nationalism most evident now among anti immigrant organizations With the dawn of a new millennium they are fixated on predictions that white people will lose their majority status and become one minority among many The book concludes with a look to the future elucidating the growing threat these groups will pose to coming generations
