 devotion guiding busy moms to receive God's message of Divine Mercy and pass it on to others through their words deeds
 and prayers In her famous Diary Divine Mercy in My Soul St Faustina Kowalska recorded a series of visions of Jesus where
 he revealed the Chaplet of Divine Mercy and promised that anything can be obtained with the prayer if it is compatible with
 his will St John Paul II formally established the Divine Mercy devotion and canonized Faustina in 2000 The Marians of the
 Immaculate Conception are dedicated to spreading the Divine Mercy devotion the foreword for this book was written by Fr

D. Hayden,2024-07-11 For centuries Jesus parables have been and still are extensively interpreted by those who impose Christian dogma and tradition on a parable told decades before Christianity per se even existed There was no Christian tradition when Jesus was teaching his followers and he was teaching regular people not theologians No wonder then that after two millennia Jesus parables coated with a confusing overlay of Christian dogma still puzzle readers of the New Testament Opening the Parables is based on the premise that Jesus taught a singular spiritual truth which once the clutter of others words and interpretations is cleared away appears consistently in all his teachings even in his parables In the best possible way Jesus was a one subject teacher one subject using various teaching techniques both deductive and inductive a one sermon preacher one message told in various ways Everything he taught or preached was about love in the infinite here and now Kingdom of God All his parables proverbs aphorisms and direct statements teach one lesson in the highest realm we can imagine compassionate love is all that matters **Stumbling into Grace** Mary Pezzulo,2021-06-04

Winner of a second place award in the Catholic social teaching category from the Catholic Media Association Mary Pezzulo intended to learn all about God through graduate studies in philosophy and Christian ethics but serious illness ruined those plans and landed her young family in desperate straits Despite chronic illness deep poverty blatant discrimination and the cruelty she encountered Pezzulo began tripping over God in the tiny works of mercy she offered to others and received herself With striking candor and gritty faith she shows us how we also can meet God in the smallest acts of love When Pezzulo began her blog Steel Magnificat in 2016 she never imagined she would be writing so much about poverty discrimination abuse or the loneliness of chronic illness Nor did she realize that the corporal and spiritual works of mercy would bring stark clarity and unflinching hope to her life She had moved to Steubenville Ohio to study philosophy and ethics so that she could teach people about Jesus and make the world a better place She expected to find God in beautiful churches inspiring books and the spoken words of brilliant scholars But when her life and professional ambitions crumbled around her she entered a terrible darkness and floundered in desperate poverty illness and the lingering trauma of abuse In that dark time Pezzulo began to know mercy finding God in countless tiny acts In Stumbling into Grace she shows how the works of mercy have become her anchor in turbulence and calm piercing sorrow and ridiculous joy overcoming despair and bringing enduring hope Now she shares with you how to live the works of mercy in your own life When Feeding the Hungry keep in mind that the more needy the person you re feeding is the more care you should take these are the people who are most in need of hope and visible acts of love Instructing the Ignorant begins with helping people and forming good relationships because people are worth it Giving Drink to the Thirsty can mean advocacy and charitable giving that support access to clean water for those throughout the world just as much as it means offering drinks to anyone who enters your home Counseling the Doubtful starts with acknowledging that faith is bigger than all of us and that it s not wrong to have questions doubts or to look at another faith to see if its beliefs and practices are closer to your spiritual longings Clothing the Naked means restoring a sense of dignity to every part of a person by providing appropriate comfortable and good looking clothing and by protecting people from gossip and prejudice
