Dalai Lama Mayank Chhaya,2014-03-12 If Tibet is the stubborn weak link in China s drive for recognition and respect as a world superpower then the Dalai Lama holds the key to China s ambitions For this extraordinary individual who for almost his entire life has been the spiritual leader of his people holds his country s destiny and with it China s prestige in his hands But who is the Dalai Lama What is the secret of his allure and his immense moral authority Instantly recognizable by millions his personality yet remains elusive Longstanding exile religious mentor accomplished writer and skilful diplomat his many guises seem only to add to his mystique In a thoroughly researched and richly anecdotal biography Mayank Chhaya strips away the multiple layers of the Dalai Lama s personality He reveals the man behind the public face and based on many exclusive personal interviews uncovers the hidden contexts which have shaped his subject s beliefs politics and ideals The result is a compelling profile of the god like figure who at the age of two was revealed to the world as the reincarnation of his

predecessor before becoming one of the era's most romantic political celebrities. Crucially, the author assesses how the current unrest in Tibet will determine China's long-term future and sheds fresh light on a dangerous and simmering relationship. The book will be essential reading for anyone who follows world affairs, for those with an interest in the explosive interaction between religion and politics in contemporary Buddhism and spirituality, and for those who are irresistibly drawn to the mesmerising figure that is the Dalai Lama himself. In examining the life of the Dalai Lama as an individual in the context of his different roles as man, monk, and mystic, Mayank Chhaya has succeeded in presenting an engaging portrait of one of the world's great leaders. Desmond Tutu. Balanced, neither debunking nor hagiographic, but taking a Buddhist-style Middle Way toward its subject, fascinating and demystifying. Publishers Weekly

Holiness: the Dalai Lama on Happiness, Life, Living, and Much More, 2010-05-01. His Holiness the Dalai Lama describes himself as a simple Buddhist monk. However, to millions of people around the world, he embodies the highest human aspiration to be happy. His messages of compassion, altruism, and peace are articulated in a unique secular ethic for our times and supported with techniques and practices that can help us achieve these ideals. He is the Dalai Lama, or simply His Holiness, the epitome of the Buddhist model of loving-kindness and an incarnation of Avalokitesvara, the bodhisattva of infinite compassion and mercy. Evoking global respect and admiration, he is both a prophet and a statesman for our troubled times; yet he's intensely human and accessible. He's an inspiration to millions, yet many feel as if he touches and speaks to them personally. He is a Buddhist, but belongs to all humanity. His Holiness is one of the most recognizable and recognized faces in the free world. This remarkable book is an edited compilation of mostly personal conversations spanning nearly 20 years between the Dalai Lama and Rajiv Mehrotra, one of his early disciples who's now the trustee and secretary of the Foundation for Universal Responsibility, which was established with the funds from the Nobel Peace Prize. Here, the Dalai Lama is a teacher to a spiritual aspirant, a divine master, and a temporal leader, an ambassador for Tibet, and a lovable guru, philosopher, to the whole world, a practitioner of the 2,500-year-old teachings of Buddhism, a Tibetan Buddhist, and an interfaith ambassador, and an intense practitioner of mind training and an inveterate optimist. His multiple hats may appear contradictory at times, but he balances them all, living his life with ease and happiness. Within these pages, the Dalai Lama's disarming candor, his deep empathy for his student's quest, and his wisdom, garnered not just from texts and scriptures, but

also from an active engagement with life offer invaluable insights to us all on how we may find true happiness in our lives
