**Fab** Howard Sounes, 2010-10-26 He is one of the most famous most wealthy people on the planet and yet he remains little known and understood as a personality At long last Paul McCartney is the subject of a major deeply researched psychologically acute biography It tells a story that will illuminate and surprise The publication finds McCartney who turns 70 in 2012 revitalized as a performer touring with a set of mostly Beatles songs and a man buffeted by profound changes in recent years the death of his first wife Linda the death of George Harrison a second marriage to Heather Mills and its spectacular failure the fall out from which is still crashing around him **Lennon and McCartney** Thomas

MacFarlane, 2022-09-30 Lennon and McCartney Painting with Sound explores the work of two of the most influential composers of the twentieth century Five decades after the breakup of the Beatles the music of John Lennon and Paul McCartney continues to fascinate and inspire Evidence suggests that their uniquely eclectic approach can be traced back to the Liverpool College of Art Following on that idea this book explores the creative dialogue between John Lennon and Paul McCartney both with the Beatles and on their own that grew out of that early influence The book is presented in three sections I Stretching the Canvas considers the Liverpool College of Art as the backdrop for John and Paul s early collaborations with painter and musician Stuart Sutcliffe This is followed by discussions of select works created by the Beatles between 1962 69 II Extending the Space focuses on the long distance creative dialogue between Lennon and McCartney as demonstrated in their respective solo recordings of the 1970s III New Colours considers the final works of the Lennon and McCartney creative dialogue as well as various McCartney solo projects released in the years that followed Lennon s death in 1980 Here the focus is on Paul s development as a painter its effect on his creativity and his subsequent efforts to establish the Liverpool Institute for Performing Arts as a world class arts conservatory *The Ultimate Dating*

*Guide for Widowers* Abel Keogh, 2014-05-03 *Play Among Books* Miro Roman, Alice \_ch3n81, 2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice\_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science
