Only Jesus Of Nazareth Can Be Israel's King Messiah:

Only Jesus Of Nazareth Can Be Israel's King Messiah , *Only Jesus of Nazareth Can Sit on the Throne of David* ,
Only Jesus of Nazareth , *Only Jesus of Nazareth Can Be the God of Israel's Righteous Servant* John P.

McTernan,2007-12 Using his skills developed as a federal investigator plus spending thousands of hours debating both Judaism's counter missionaries and Muslims the author creates an airtight case that only Jesus of Nazareth can be Israel's King Messiah All the thoughts of this book were developed through the fires of debate The heart of this book is Isaiah 53 and Isaiah 9 6 7 Rather than just examining Isaiah 53 separately it is examined in the context of Isaiah's Four Servant Songs This unique approach provides the reader with overwhelming scriptural evidence that Jesus of Nazareth is the God of Israel's Righteous Servant Isaiah 9 6 7 is also looked at in its context the Day of the LORD which is yet future These two verses are prophetic being fulfilled at the Second Coming of Jesus Christ Isaiah 9 6 7 is the national confession of Israel that the Lord Jesus is their King Messiah This book gives the reader overwhelming evidence to both defend and proclaim the faith It provides wonderful material for Sunday school and sermons along with being a great witnessing tool John McTernan is a lifetime student of the Bible especially prophecy relating to the nation of Israel and the first and second coming of the Lord Jesus He authored the acclaimed God's Final Warning to America and the best seller *As America Has Done To Israel* During numerous appearances on television radio and in seminars he has defended Israel in light of Biblical prophecy In 1974 John became involved with the Pro Life Movement and is a Pro Life leader in central Pennsylvania He co founded International Cops for Christ where he serves as an ordained chaplain John was a US Treasury agent for 26 years until retiring in 1998 He holds a B S from Virginia Commonwealth University He is married and the father of four children *As America Has Done to Israel* John McTernan,2006-09 *I Could Take His Punch* John P. McTernan,2012-06 This book captures the legend of Joe McTernan He was a legendary figure to his family and all that knew him When reading this book you will be amazed astonished and laughing about his adventures and exploits He almost seems like a character out of a novel but all his exploits are true He possessed incredible strength an unbelievable appetite along with an indomitable will He could defeat professionally trained fighters and walk up to wild deer and touch them He was an expert with horses and a marksman with a rifle He overcame accidents and sicknesses that few if any people could and yet lived to 95 His encounter with Jesus Christ at the very end of his life was a true miracle by all who witnessed it He was supposed to die but instead came out of a catatonic state praising Jesus as his Savior He could not breathe yet with supernatural power was proclaiming Jesus He was a beacon of God's love to all that came close to him *I Can Take His Punch* is uniquely inspirational and a most enjoyable read It is a book that you cannot put down and a story you will never forget John P McTernan is the founder of Defend and Proclaim the Faith Ministry He has written eight books including his best seller *As America Has Done to Israel* He has spoken on hundreds of radio and TV shows defending Israel in light of Bible prophecy He cofounded International Cops for Christ and Blessing

Israeli Believers He has a BS from Virginia Commonwealth University and a honorary PhD from Calvary Christian College He served for 26 years as a federal agent for the US Treasury Department He has four children and five grandchildren

The Quest For Truth Michael Dedivonai,2012-08 This book is for the reader who takes interest in an age old issue that remains contemporary with every succeeding generation When how and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate Free from the shackles and bias imposed by the various schools of religious scientific and philosophical thought the examinations offered herein are rooted in systematic analyses of the scientific philosophical ethical social and finally the religious which in turn allows for the explanation and justification of concepts that enable the reader to adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions Our age is accurately referred to as the age of advancement and technology and for good reason The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence As a result of the significant expansion of the sciences the desire for an understanding of self and simply of why has in many ways been diluted thus negating the never ending questions that once tugged at man s conscious in the middle of the night for thousands of years Today s amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations however coupled with that are the problems of population explosion which in the not too distant future will give rise to serious concerns We have the ability to harness the power of the atom yet along with it comes the ability to destroy all that we hold sacred Taking into consideration the advanced age we live in how does one account for the remarkable complexity extant throughout the known universe Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to random chance alone The law of causation deals with the need for a preceding event leading to the outcome and despite the fact that this scientific age has left its handprint on every facet of life today it has failed to satisfy the innate question of simply why

Essential Papers on Messianic Movements and Personalities in Jewish History Marc Saperstein,1992-04 The messianic idea that a redeemer sent by God will come to end the suffering of a persecuted people and inaugurate a new age of justice and peace has been one of the most powerful and influential concepts given by the Jewish people to western civilization This book represents a sample of the most penetrating and provocative scholarly interpretations of Jewish messianic movement from various perspectives historical sociological psychological and religious

John Verse by Verse Grant R. Osborne,2018-05-02 John is at once the most complex and the easiest to understand of all the Gospels If we want a young seeker or new believer to read something that is both clear and filled with

the gospel and good basic theology we give them the Gospel of John And if we want to study an incredibly deep theological masterpiece that stretches the brightest mind we open the Gospel of John It is the most evangelistic account of Jesus life and ministry and it also gives the mature Christian deep theological truths to chew on In John Verse by Verse respected New Testament scholar Grant R Osborne invites the reader to become caught up in the dramatic masterpiece of the Fourth Gospel He writes If I were teaching a course in college or seminary on creative writing John s Gospel would be set alongside Shakespeare as models of brilliant characterization and plot It is perhaps Osborne s favorite book of the Bible and enthusiasm for it shines on every page The Osborne New Testament Commentaries by respected professor and author Grant R Osborne are for people seeking a straightforward explanation of the text in its context avoiding either oversimplification or technical complexity Osborne brings out the riches of the New Testament making each book accessible for pastors and all who consider themselves students of Scripture **The Americana** Frederick Converse Beach, George Edwin Rines, 1911

has upended the certainties of the twentieth century collective consciousness Once the only acceptable theory materialism is increasingly considered an irrational belief The authors of this highly readable book retrace the fascinating history of these scientific breakthroughs and offer a rigorous overview of the new proof of the existence of God God the Science and the Evidence is an invitation to reflect and debate the place of God in science *Gospel Herald* ,1915 **In Hoc Ligno** Jacob O. Bilder,1925 The Day of The Lord Commentary Greg Hinnant,2021-08-10 The Old Testament is richly laden with prophecies and foreshadowings of the last days Having never researched its treasures however many Christians possess a lopsided exclusively New Testament understanding of End Times prophecy The Day of the Lord Commentary meticulously examines every Old Testament text foretelling or foreshadowing the dramatic people and events that consummate God s prophetic plan terminate this world order and inaugurate Christ s unprecedentedly righteous peaceful worldwide kingdom on earth Only the Bible accurately interpreted establishes accurate End Times views This commentary s abundant biblical cross references lay a deep broad foundation for a clear accurate eschatology It will amaze you how often and how specifically Old and New Testament prophets agree All see the same final events and in the same order Tribulation Armageddon Millennium This in depth study gives special attention to the Old Testament s less known little apocalypses in Isaiah Jeremiah Ezekiel Daniel and Zechariah and identifies their many links to John s well known apocalypse Revelation Soundly refuting Supersessionism it explains why God has regathered the Jews reestablished the State of Israel and preserved it against all odds Israel s Day of the Lord is coming Book Review 1 Greg Hinnant s monumental work The Day of the Lord Commentary is a must read for anyone interested in the final summation of End Times events Greg takes the reader on an extraordinary journey through the Old Testament with three dimensional glasses that allows one to see direct references and indirect typology concerning the great drama of redemption as it moves to its conclusion This may be the foremost study of its kind on this topic Dr Charles H Gaulden Old Testament Professor Southeastern University Book Review 2 It is exceptionally common in eschatological study to focus almost exclusively on the New Testament yet such an approach ignores Paul s admonition that all scripture is inspired 2 Timothy 3 16 17 The Day of the Lord Commentary provides a systematic overview of important references to the impending Day of the Lord found throughout the Old Testament and weaves these prophetic expectations into one seamless tapestry throughout the whole Bible Dr Ran Whitley DMin PhD Professor Campbell University Book Review 3 Though a Bible student all my life certain passages remained obscure and confusing The Day of the Lord Commentary has changed all of this as these formerly confusing passages have now come alive This book s depth and insight into the Old Testament is astounding How Greg was able to mine through all the rock and rubble of confusing Bible prophecy to access these precious stones of biblical revelation is truly a gift This work is a must read for all who desire a deeper understanding of God s Word and a valuable resource for ministers to shed light and understanding on the gospel message we proclaim Sherri Leith Senior Pastor Family Worship Center Port Orchard Washington Book Review 4 The Day of the Lord

Commentary provides an in depth study of biblical eschatology Using a detailed comparative analysis of the eschatological oracles scattered throughout the Hebrew Bible Greg lays out a theological roadmap for understanding God s plan for Israel and the nations This book written from a Christian perspective tackles some of the most intriguing End Times prophecies recorded in Israel s sacred scriptures Pastors preachers and Bible teachers will greatly benefit from this thought provoking volume Dr Igal German Founding Director Yesod Bible Center and International Biblical Apologetics Association
