**Once Addicted Now Saved** Bill Smith, 2015-12-08 The book is based on my life story to the age of forty I was a normal young boy growing up I enjoyed being a kid and playing with my friends after school and on the weekends I loved my mum and dad very much We would go on picnics and go swimming and fishing We used to go to Sunday school and I loved that I just loved life When was thirteen Mum and Dad bought a boat and we would go away every second weekend I left school in fourth form and started work straight away I had a number of jobs and met a girl Eventually we were going to get married When I was twenty one I caught my best man in bed with my girlfriend That put me over the edge So I started into drugs and drinking to escape the pain I was hurting every day You could say I was two people Bill 1 and Bill 2 Unhappy Bill 2 would get stoned and drink every day I was not proud of myself but that was the way it was I moved to Port Stephens to start a new life but the only thing that changed was living in a new area I still did drugs and drank and one day I thought about committing suicide Then one day I got down on my knees and cried out to God He heard my cries and I started going to church and was saved I was delivered from drugs and drunkenness It s now been eighteen years since Ive had drugs or been drunk God performed a miracle in me and I want that for other people **Still Preaching After All These Years** William J.

**Surviving Michael Winner** Dinah May, 2014-10-27 They say you can tell a lot about a person from how they treat their employees In the case of Michael Winner the relationship with his personal assistant Dinah May tells us a great deal indeed In his life Winner was known publicly as many things a director producer and the outspoken food critic who could make or break a restaurant with just a few choice words in his compelling Sunday Times Winner s Dinners column But behind the opulence and charm the glamour and the glitz lies the explosive untold story of fiery outbursts and scorching tirades brought to life here in vivid colour by the one woman who remained a constant in his life Impulsive unpredictable and obsessed with the spotlight though generous witty and unshakably loyal if life alongside Winner was to be at the centre of a storm on a constant roller coaster then Dinah May was at its epicentre and holding on for dear life For thirty years the former Miss Great Britain was by Winner s side on film sets studios abroad with famous friends or at his home witnessing first hand the two very different sides of his life character and temperament It was with Michael s blessing and indeed encouragement that she leave nothing out from their story Tell them everything and in this affectionate but candid no holds barred expos Dinah certainly doesn t disappoint Northwest Illustrated Monthly Magazine , 1889 *Orange Coast Magazine* , 1989-09 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County s most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County s only paid subscription lifestyle magazine with circulation

**Saving Free Speech...from Itself** Thane Rosenbaum, 2020-03-17 In an era of political correctness race baiting terrorist incitement the Danish cartoons the shouting down of speakers and of course fake news liberals and conservatives are up in arms both about speech and its excesses and what the First Amendment means Speech has been weaponized Everyone knows it but no one seems to know how to make sense of the current confusion and what to do about it Thane Rosenbaum's provocative and compelling book is what is needed to understand this important issue at the heart of our society and politics Our nation's founders did not envision speech as a license to trample on the rights of others And the Supreme Court has decided cases where certain categories of speech are already prohibited without violating the Constitution Laws banning hate speech are prevalent in other democratic liberal societies where speech is not valued above human dignity and yet in Germany France the UK and elsewhere life continues freedoms have not rolled to the bottom of the bogeyman of a slippery slope and democracies remain vibrant There is already a great deal of second guessing about the limits of free speech In 1977 courts permitted neo Nazis to march in a Chicago suburb populated by Holocaust survivors Today many wonder whether the alt right should have been prevented from marching in Charlottesville in 2017 Even the ACLU which represented both groups is having doubts as to whether the First Amendment should override basic notions of equality and citizenship
