Once Saved Always Saved A Study In Perseverance And Inheritance:

Once Saved, Always Saved? David Pawson, 2021-07-30 The majority Evangelical view is that once someone has accepted Christ as Saviour they are guaranteed salvation But is it safe to assume that once we are saved we are saved for always David Pawson investigates this through biblical evidence historical figures such as Augustine Luther and Wesley and evangelical assumptions about grace and justification divine sovereignty and human responsibility He asks whether something more than being born again is required so that our inheritance is not lost This book helps us decide whether once saved always saved is real assurance or a misleading assumption The answer will have profound effects on the way we live and disciple others

The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

Perseverance and Apostasy in the New Testament Dongsu Kim, 2022-05-27 Perseverance and Apostasy in the New Testament thoroughly examines all the New Testament texts relevant to the controversial questions of whether a genuine believer can apostatize and or whether an apostate can be restored The primary contribution of the book lies in the in depth exegesis of the relevant New Testament Greek texts against the socio historical circumstances of each faith community in the New Testament The book inductively shows that the New Testament writers maintain a uniform perception on perseverance and apostasy based on Jesus words that bear upon the subject described in the Gospels It also illuminates questions of the relationship between God s sovereignty and human responsibility the role of the Holy Spirit for the believer s perseverance and the role of Satan for the apostates falling away The book is a needed addition to earlier works on perseverance and apostasy

ENDORSEMENTS The debate over the issues of perseverance and apostasy will likely remain in the church until the coming of Christ Many despair of ever coming to a

definitive conclusion often contending that the biblical evidence is inconsistent and beyond resolution Don Kim's near exhaustive analysis of the relevant NT texts proves otherwise He is thoroughly conversant with virtually all contributors to this subject and his meticulous contribution will surely prove to be the standard for future dialogue Anyone who proposes to engage with this controversial matter cannot afford to overlook this remarkably helpful and insightful book Dr Sam Storms Lead Pastor of Bridgeway Church Oklahoma City Enjoying God Ministries Don Kim has written an amazingly thorough and careful study on perseverance and apostasy in the New Testament Scholars disagree on how to interpret these difficult passages but Kim defends well his own understanding and his important study will have to be reckoned with in future work on this controversial topic Dr Thomas R Schreiner James Buchanan Harrison Professor of New Testament Interpretation and Professor of Biblical Theology The Southern Baptist Theological Seminary Perseverance and Apostasy in the New Testament is a well executed and thorough examination of New Testament texts that bear upon or otherwise illuminate the difficult question of whether a true believer can apostatize The author neither avoids difficult questions nor skirts challenging texts Rather he carefully works his way through each relevant New Testament text's central exegetical questions offering judicious insights and integrating those insights into a collective explanation I found some of my own assumptions challenged while reading this book I am happy to recommend it as a helpful addition to and sometimes needed correction of earlier works on perseverance Dr Kenneth Berding Professor of New Testament Talbot School of Theology at Biola University Perseverance and Apostasy in the New Testament concentrates on the crucial questions of whether genuine believers in Jesus could apostatize and whether the NT presents a consistent picture on that very issue by providing a careful exegetical treatment of numerous passages across the New Testament beginning with the Synoptics and John's Gospel walking through Acts and the letters and completing with the book of Revelation One's theological presuppositions will of course affect how he/she receives and responds to Kim's case It will also be unrealistic to expect even those agreeing passionately with Kim to concur on every detail in a tome of this magnitude Yet undoubtedly Perseverance and Apostasy in the New Testament proves to be an essential reading for pastors and theological students who should wrestle with the issue of perseverance and apostasy and the relevant biblical texts to form their own conclusions This well written book will serve its readers effectively by sharpening or challenging their views if not both Dr John Lee Associate Professor of New Testament Midwestern Baptist Theological Seminary This substantial study by Dongsu Kim is a decisive demonstration of the historic doctrine of the perseverance of the saints taught and defended by the Reformed tradition Perseverance and Apostasy in the New Testament provides a thoroughly biblical and hermeneutically and canonically sensitive study Kim's exposition is scholarly rigorous and articulate He argues persuasively that the various biblical writers' engagements with apostasy are consonant with the Scriptures' declarations of divine sovereign grace in salvation Perseverance and apostasy in the New Testament is an extensive arsenal of biblical and theological insights that will be of value for exegetes and theologians alike Dr Peter A Lillback president

Westminster Theological Seminary Philadelphia The Reformed doctrine of perseverance of the saints has recently been tremendously challenged and egregiously distorted For example the New Perspective on Paul has seriously rejected the traditional wisdom advocating revisions not only of the doctrine of perseverance but also justification In response to these criticisms challenges and distortions this book provides a most comprehensive and compelling antidote with profoundly detailed and meticulous exegetical engagements with the New Testament texts Dr Kim did an excellent job in presenting a powerful and persuasive case for God's gracious and faithful preservation of true believers in Christ This is a masterpiece and must read for anyone interested in Scripture's teachings about the ideas of perseverance and apostasy Dr Sung Wook Chung Professor of Christian Theology Denver Seminary Kim asks whether New Testament authors maintain a consistent theology of perseverance and apostasy or not Is it conceivable that divinely inspired authors contradict each other with different theologies of perseverance and apostasy Or must we admit they contradict each other and deny plenary verbal inspiration of Scripture Kim is fully aware that no scholar asks these questions without theological presuppositions which predetermine his answers He himself enters this hermeneutical circle with his own working definitions of perseverance and apostasy He challenges himself and his readers allow the New Testament itself to revise and refine our theological presuppositions and working definitions Kim is also aware of the error of selective evidence To avoid it he chooses passages from the entire New Testament that he deems critical to understanding the subject of perseverance and apostasy Kim's book is new essential reading for everybody who wants to formulate a comprehensive New Testament theology of perseverance and apostasy Dr Andrew D Parlee Professor of Systematic Theology Greater Europe Mission Thirdmill Seminary

Predestination Greg Kame, 2021-03-11 The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church Despite the different views held by mainline Protestant theologians like Martin Luther John Calvin and Jacobus Arminius this book points to Scripture as the basis for Reformed soteriology It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students pastors Bible teachers and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today

Life by Grace in Christian Thought and Practice David T. Williams, 2023-12-07 This book is an exploration of the role of grace in Christian thought and practise The wonder of the Christian faith is that salvation is available as a gift by grace and does not have to be earned It was a gift from God in the form of the coming and death of Jesus This is because grace is actually at the heart of the nature of God where the Trinitarian Persons each give grace fully to the others so that although different they are equal With this background it follows that this book argues that the way of life of Christians in the image of God is of grace This is a life of readiness to give a seeking of harmony and a rebuttal of the aggressiveness and self seeking

that is a characteristic of normal human life *Jesus Baptises in one Holy Spirit* David Pawson,2014-04-11 For the most part the church has been silent about Jesus role as baptiser in the Spirit though John declared this to be the principal contribution of his Messianic ministry Through exploration of the relevant scriptures of both Old and New Testaments David Pawson describes eight essential elements in Spirit baptism When Jesus Returns David Pawson,2021-11-26 In these days of heightened concern about the end times what is really known about Christ s second coming and how can we prepare for it Christians everywhere await Christ s return Will he come to the whole world or just one place Soon and suddenly or after clear signs What can he achieve by coming back here and how long will it take David Pawson brings clarity and insight to these and many other vital issues surrounding the bodily return of Jesus Christ to our world Based on a new approach to the interpretation of the book of Revelation he discusses in detail the controversial and misunderstood subject of the Rapture and uncovers the true significance of the Millennium **Spirit Heart Soul** J. Thurman,2019-07-29 So much of what passes for Christianity today is grounded in feelings experiences false teachings or new revelations Christians need to know if we are

indeed on the right path All too often as we chug along on our Christian walk we wonder what happened to that first flush of love and enthusiasm that followed being saved Other times we may feel defeated or overcome by sin The good news is that there is always more to learn about what holiness is and why we need it especially in today's chaotic world In an inspirational guide tailored for Christians on a walk of faith Dr Shirley F Thurman invites others on a journey into holiness where she examines God's character man's nature the need for holiness in the life of the believer and why that is Throughout her study Dr Thurman emphasizes that holiness is not only a great adventure but the great adventure While encouraging Christians everywhere to seek out God's plan for their lives within the pages of His Word the Bible Equipped for Holiness shares wisdom inspired by scripture that motivates believers to make holiness their number one objective by obeying trusting and submitting to God In an inspirational guide tailored for Christians on a walk of faith Dr Shirley F Thurman invites others on a journey into holiness where she examines God's character man's nature the need for holiness in the life of the believer and why that is Throughout her study Dr Thurman emphasizes that holiness is not only a great adventure but the great adventure While encouraging Christians everywhere to seek out God's plan for their lives within the pages of His Word the Bible Equipped for Holiness shares wisdom inspired by scripture that motivates believers to make holiness their number one objective by obeying trusting and submitting to God

A Modern Ninety-Five Nancy A. Almodovar, 2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety-five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety-five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings Pragmatic approaches to preaching the gospel through such movements as the seeker-driven models have moved the focus of the message of Christ and the worship of God from being God-centered to human-centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike

Life in the Son Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security Does one moment of faith secure a person's eternal destiny with God even if that person later stops following and trusting in Jesus Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God Now expanded with new chapters and research this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security perseverance and apostasy in the New Testament Calling into question the popular once saved always saved belief internationally respected pastor and scholar Dr Robert Shank

reveals that the question we should be asking is not Is the believer secure but rather What does it mean to be a believer Straightforward thorough and grounded in biblical understanding this book warns Christians about dangers that could potentially lead a believer to become an unbeliever falling away from faith and share in the unbeliever s eternal condemnation **The British National Bibliography** Arthur James Wells,2003 **Evangeliumschronik Jesu Christi** Angela Sanger,2025-08-20 Ganz bestimmt hast Du Dich schon gefragt wie oft Jesus gesalbt wurde Hat er wom glich den Tempel mehr als einmal gereinigt War eigentlich Judas bei der Einsetzung des Abendmahls noch dabei Oder hast Du schon mal von Taumel Lolch geh rt In der Evangeliumschronik einer einzigartigen Vers f r Vers Chronologie des Lebens Jesu aus allen vier Evangelien kannst Du Antworten auf diese Fragen und vieles mehr finden So lade ich Dich ein mit mir den Spuren Jesu zu folgen ihn auf neue Weise zu entdecken Be Filled with All the Fullness of God , **Whitaker's Books in Print** ,1998 *Did Jesus Teach Salvation by Works?* Alan P. Stanley,2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven **Words on Cassette, 2002** R R Bowker Publishing,2002 **NIV Study Bible, Fully Revised Edition** Zondervan,2020-09-15 Know what the Bible says Understand why the Bible matters This stunning full color study Bible answers your pressing questions with just the right amount of information placed in just the right location With its decades long legacy of helping readers grasp the Bible s meaning the NIV Study Bible embodies the mission of the NIV translation to be an accurate readable and clear guide into Scripture Specifically designed to expand upon the NIV the NIV Study Bible s editorial team crafts that same accuracy and clarity into every study note Now the study Bible millions have come to trust has been fully revised and updated A new committee of top biblical scholars who are current and former NIV translators with a passion for making the Bible s meaning clear have pored over every note every article every chart and every essay to refine
